Psychic Influence At A Distance:

Clairvoyance and Occult Powers William Walker Atkinson, 2022-06-13 In *Clairvoyance and Occult Powers* William Walker Atkinson presents an intricate exploration of the metaphysical realms that lie beyond conventional perception. Written in a clear, engaging style characteristic of early 20th-century esotericism, Atkinson elucidates concepts such as clairvoyance, telepathy, and other psychic abilities, articulating them through a blend of rigorous theoretical framework and practical exercises. The book situates itself within the wider context of the New Thought Movement, advocating for a belief in the mind's power to shape reality while also addressing the spiritual implications of heightened consciousness and insight. Atkinson, a prominent figure in the New Thought philosophy, was instrumental in popularizing ideas about the power of the mind in various dimensions, including mental health, prosperity, and psychic development. His diverse background, including his work as a lawyer and publisher along with personal experiences in spiritualism, informed his keen insight into the hidden forces of human potential. This synthesis of intellectual rigor and mystical inquiry makes his work both timeless and relevant. Highly recommended for seekers of spiritual knowledge and personal empowerment, *Clairvoyance and Occult Powers* serves as both a foundational text for understanding psychic phenomena and a practical guide for those wishing to unlock their innate abilities. Atkinson's clear prose and insightful explorations invite readers to move beyond the ordinary and embrace the extraordinary dimensions of life. Panchadasi, 1916 **Clairvoyance and Occult Powers** Montgomery Ashford, 2010-05-23 In the early part of the 20th century, Britain was undergoing a new fad, something quite different to the spiritualism of the Victorian Era. People were seeking powers from unnatural sources. Academics and scholars were deep in research as to new mediums of communication and brainpower. The Empire in Asia and Africa had brought forth many new and sometimes disturbing discoveries. People brought back from their adventures tales of mystical shamans and unearthly abilities. It was at this time that the Occult came to be. In this 1916 classic, you can learn the mystical power of clairvoyance, the ability to both read and influence minds. The knowledge to control others and empower yourself. Open your mind and the minds of others.
