Rebonding Preventing And Restoring Damaged Relationships:

Rebonding Donald Joy,1989-02 **Broken Promises** Henry Virkler,2015-09-23 ADULTERY Recognizing the Signs Stopping It Before It Starts Recovering from the Damage One half of the young and middle aged couples in this country will at some time struggle with the painful and destructive results of an affair Can these marriages be saved Can the number of shaken marriages be reduced Psychologist and counselor Henry Virkler has some answers In this vital book he describes the devastating effects of adultery how couples can take preventive steps to reduce the likelihood of it happening in their own marriages and what to do if it does happen He writes for professional counselors for pastors and for those laypersons who find themselves wanting to understand the situation better While the author is a committed Christian psychologist and counselor he warns that faith doesn't automatically safeguard couples from sexual temptation He shows how to avoid innocent situations that can easily lead to an affair what you can do to strengthen your marriage and reduce the possibility that you or your partner will be tempted in an affair how to tell if your mate is having an affair and what to do if your worst fears prove true how adultery does not need to lead to divorce if approached in the right way **Sexual Ethics** Stanley James Grenz,1997-01-01 In this biblically grounded study Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today He calls for Christians to live a biblical sexual ethic in the contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community one that proclaims God's grace to all A Fool's Guide to Wisdom ,

A Fool's Guide to Wisdom Richard G. Myatt,2011-02 Paradox is present when the opposite of what one expects to be true is true The capacity to see paradox is the prerequisite to becoming wise It is expressed when the weak become strong those who lose their life find it and the disheartened find the Lord who uses those things that are not to nullify the things that are 1 Corinthians 1:28 NIV This work demonstrates paradox in health medicine business organizational leadership cultural myths related to the family the symptomatic solutions common in political and social structures and in the spirituality expressed by people of faith As the former director of an adolescent rehabilitation facility the author has a keen awareness of the devastation caused by the failures of this generation Clear and concise recommendations demonstrate the small changes that create enormous differences We will discover that wisdom begins when we fear the Lord and have knowledge of the Holy One The wise see paradox but not because they look for it Their openness of thought leads to a perception that life is an interaction of complex systems and ideas that truly transcend us all Those with the God-given capacity to integrate knowledge emotion and faith will in the end find wisdom Rick Myatt is a licensed psychotherapist with an extensive history From building an orphanage in a war-torn country to becoming the director of an adolescent psychiatric rehabilitation facility his experience includes crisis intervention treating sexual addictions and caring for children victimized by the murder of parents and child prostitution With Masters Degrees in Marriage and Family Therapy and in Theology he has also completed
