Russian Philosophe Alexander Radishchev

Sibelan Forrester, Olga Partan

Russian Philosophe Alexander Radishchev:

A Russian Philosophe Alexander Radishchev Allen McConnell, 2012-12-06 Alexander Radishchev's major work *A Journey from St Petersburg to Moscow* first published in 1790 was the most scathing denunciation of serfdom and autocracy that had ever appeared in Russia. Its author was immediately arrested, tried for treason and condemned to death, the sentence being later commuted to exile in Siberia. Catherine the Great, who had provided Radishchev with a schooling in despotism in the Corps des Pages and with an introduction to the Enlightenment at the University of Leipzig, saw in his book a gratuitous insult to herself as well as an attempt to incite a revolt that would bring him to power. Forgetting that many of its ideas were the same as those she had herself expressed earlier, she denounced it as the fruit of foreign abstract theories acting on an excitable, ambitious and resentful man. The *Journey* was effectively suppressed for more than a century. Any mention of Radishchev was discouraged by the censor for seventy years. A generation after Radishchev's death in 1802, Pushkin's biography of him was refused publication permission on the ground that the subject of it was forgotten and deserved to remain so.

A Russian Philosophe Alexander Radishchev Allen McConnell, 2012-07-01 Alexander Radishchev's major work *A Journey from St Petersburg to Moscow* first published in 1790 was the most scathing denunciation of serfdom and autocracy that had ever appeared in Russia. Its author was immediately arrested, tried for treason and condemned to death, the sentence being later commuted to exile in Siberia. Catherine the Great, who had provided Radishchev with a schooling in despotism in the Corps des Pages and with an introduction to the Enlightenment at the University of Leipzig, saw in his book a gratuitous insult to herself as well as an attempt to incite a revolt that would bring him to power. Forgetting that many of its ideas were the same as those she had herself expressed earlier, she denounced it as the fruit of foreign abstract theories acting on an excitable, ambitious and resentful man. The *Journey* was effectively suppressed for more than a century. Any mention of Radishchev was discouraged by the censor for seventy years. A generation after Radishchev's death in 1802, Pushkin's biography of him was refused publication permission on the ground that the subject of it was forgotten and deserved to remain so.

"A" Russian Philosopher Allan McConnell, 1964 *A History of Russian Philosophy* Valery A. Kuvakin, 1994-02 For the first time since the break up of the USSR and with the help of 21 leading historians of Russian philosophy from Moscow State University including M. N. Gromov, Z. A. Kamensky, M. A. Maslin, B. G. Safronov and V. V. Serbinenko, Valery A. Kuvakin presents a comprehensive two-volume work capturing the rich philosophical heritage of this diverse culture. These scholars discuss its interpretation of the universe, the essence of history and human existence, the ideals of knowledge and a decent life, the destiny of Russia and the life of the world community from the 10th century through the early 20th century. These discussions are augmented with selected excerpts from original works which served as examples of the main schools of thought.

[Russian Philosophy, Volume 1](#) James M. Edie, 2025-03-14 Russian philosophy begins through the impregnation of the ancient Byzantine tradition of Old Russia by the Western thought of the French

Enlightenment and then by German Romanticism The first original Russian philosopher Gregory Skovoroda the Russian Socrates was followed by the early philosophy of history and culture Alexander Radishchev and Peter Chasadayev The fateful break of Russian philosophers into two opposed camps of the Slavophiles was accomplished by the middle of the nineteenth century *The West in Russia and China* Donald W. Treadgold, 1973-05-24 *A History of Russian Thought from the Enlightenment to Marxism* Andrzej Walicki, 1979 This book covers virtually all the significant Russian thinkers from the age of Catherine the Great Down to the eve of the 1905 Revolution

Revisiting Russian Radicals Andrew M. Drozd, Brendan G. Mooney, 2024-12-13 Revisiting Russian Radicals is a collection of ten articles that seeks to promote a revisitation of the Russian Radicals who have been somewhat unjustly forgotten in the aftermath of the fall of the Soviet Union Rather than viewing the radicals through the lens of the 1917 October Revolution the authors seek to analyze them on their own terms and explore new aspects of their legacy The chapters provide a fresh look at some well known radicals like Chernyshevsky Dobrolyubov and Pisarev as well as examinations of lesser known figures and offer an interdisciplinary approach to their investigations combining historical and literary analysis A lengthy introduction is included for those who are non Slavists and for the newer generation of Slavists who may not be as familiar with these figures *The Russian Intelligentsia* Sibelan Forrester, Olga Partan, 2025-04-29 The Russian intelligentsia is the historic phenomenon of an educated opposition and it has provoked a substantial body of Russian and Western publications This book focuses on the intelligentsia's Myth Mission Metamorphosis as discovered in literature journalism and theater The chapters define essential elements of the myth of the intelligentsia as a distinctive social group and a spiritual formation claiming high moral standards and expectations for the self and for society Second contributions explore how the intelligentsia sees its mission on various historical stages as inextricably linked with Russia's and the Soviet Union's cultural destiny especially its literary and other artistic creations Finally the volume addresses the metamorphosis of the intelligentsia over centuries as socio political factors shaped its persistence and its perpetual transformation

The Cambridge History of Russian Literature Charles Moser, 1992-04-30 An updated edition of this comprehensive narrative history first published in 1989 incorporating a new chapter on the latest developments in Russian literature and additional bibliographical information The individual chapters are by well known specialists and provide chronological coverage from the medieval period on giving particular attention to the nineteenth and twentieth centuries and including extensive discussion of works written outside the Soviet Union The book is accessible to students and non specialists as well as to scholars of literature and provides a wealth of information
