Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989 *Stalin's Englishman: The Lives of Guy Burgess* Andrew Lownie, 2015-09-10 MORE RIVETING THAN A SPY NOVEL THE GRIPPING TRUE STORY OF CAMBRIDGE SPY GUY BURGESS Readers LOVE Stalin s Englishman Fantastically detailed a very quick absorbing read Andrew Lownie s biography of Guy Burgess is that rare achievement a historical biography of considerable political and human complexity that is also a page turner Surely the definitive account of one of the country s most prominent traitors Guy Burgess was the most important complex and fascinating of The Cambridge Spies Maclean Philby Blunt all brilliant young men recruited in the 1930s to betray their country to the Soviet Union An engaging and charming companion to many an unappealing utterly ruthless manipulator to others Burgess rose through academia the BBC the Foreign Office MI5 and MI6 gaining access to thousands of highly sensitive secret documents which he passed to his Russian handlers In this first full biography Andrew Lownie shows us how even Burgess s chaotic personal life of drunken philandering did nothing to stop his penetration and betrayal of the British Intelligence Service Even when he was under suspicion the fabled charm which had enabled many close personal relationships with influential Establishment figures including Winston Churchill prevented his exposure as a spy for many years Through interviews with more than a hundred people who knew Burgess personally many of whom have never spoken about him before and the discovery of hitherto secret files Stalin s Englishman brilliantly unravels the many lives of Guy Burgess in all their intriguing chilling colourful tragi comic wonder PUBLISHED TO GREAT CRITICAL ACCLAIM Winner of the St Ermin s Intelligence Book of the Year Award One of the great biographies of 2015 The Times Fully updated edition including recently released information A Guardian Book of the Year The Times Best Biography of the Year Mail on Sunday Biography of the Year Daily Mail Biography of Year Spectator Book of the Year BBC History Book of the Year A remarkable and definitive portrait Frederick Forsyth Andrew Lownie s biography of Guy Burgess Stalin s Englishman shrewd thorough revelatory William Boyd In the sad and funny Stalin s Englishman Lownie manages to convey the charm as well as the turpitude Craig Brown *Order and Disorder After the Cold War* Brad Roberts, 1995 This volume collates 24 articles from The Washington Quarterly The articles all centre around the order and disorder in the post Cold War era evaluating the changing roles of the major powers and the new political and military challenges to internation **Bibliography On Soviet Intelligence And Security Services** Raymond G Rocca, 2019-03-08 This annotated bibliography is a valuable tool for research and teaching on Soviet intelligence and security services and its role in the country s domestic and international affairs It categorizes nearly 500 books articles and government documents pertaining to Soviet intelligence **Catalog of Copyright Entries. Лоуни,2017-03-13 1951 30 40 A Dictionary of Literature in the English Language from 1940 to 1970 Robin Myers,1978
This is a short title checklist on some 1 300 authors each entry of which comprises brief biographical notes bibliographical references an index of titles and a checklist of books with their first publication date Its main aim is to offer librarians booksellers and researchers a finding tool for those authors currently in demand whether meritorious or meretricious It brings together in a single volume for the first time a broad selection of English speaking writers publishing between 1940 and 1970 It serves as a comprehensive reference tool for British and American authors while its real usefulness lies in the obscure entries for Africa Australasia and the Third World where source material takes a great deal of researching and very few published bibliographies exist Stalin's Apologist S. J. Taylor,2020-02-21 Short unattractive hobbling about Stalin s Moscow on a wooden leg Walter Duranty was an unlikely candidate for the world s most famous foreign correspondent Yet for almost twenty years his articles filled the front page of The New York Times with gripping coverage of the aftermath of the Russian Revolution A witty engaging impish character with a flamboyant life style he was a Pulitzer Prize winner the individual most credited with helping to win the U S recognition for the Soviet regime and the reporter who had predicted the success of the Bolshevik state when all others claimed it was doomed But as S J Taylor reveals in this provocative biography Walter Duranty played a key role in perpetrating some of the greatest lies history has ever known Stalin s Apologist deftly unfolds the story of this accomplished but sordid and tragic life Drawing on sources ranging from newspapers to private letters and journals to interviews with such figures as William Shirer and W Averell Harriman Taylor s vivid narrative unveils a figure driven by ambition whose early success reporting on Bolshevik Russia he was foremost in predicting Stalin s rise to power established his international reputation fed his overconfident contempt for his colleagues and indeed led him to identify with the Soviet dictator Thus during the great Ukrainian famine of the early 1930s which Stalin engineered to crush millions of peasants who resisted his policies Duranty dismissed other correspondents reports of mass starvation and though secretly aware of the full scale of the horror effectively reinforced the official cover up of one of history s greatest man made disasters Later he took the rigged show trials of Stalin s Great Purges at face value blithely accepting the guilt of the victims He believed himself the leading expert on the Soviet Union and his faith in his own insight drew him into a downward spiral of distortions and untruths typified by his memorable excuse for Stalin s crimes You can t make an omelet without breaking eggs Taylor brilliantly captures the full range of Duranty s astonishing life from his participation in the Satanic orgies of Aleister the Beast Crowley to his dramatic front line reporting during World War I to his epic womanizing and heavy drug and alcohol abuse It is the bitter ironic story of a man who had the rare opportunity to bring to light the suffering of the millions of Stalin s victims but remained a prisoner of vanity self indulgence and success
