

RUSSIA'S PLATO

Plato and the Platonic tradition in
Russian education, science and
ideology (1840–1930)

FRANCES NETHERCOTT

Russias Plato Plato The Platonic Tradi

Frances Nethercott

Russias Plato Plato The Platonic Tradi:

Russia's Plato Frances Nethercott,2019-07-31 This title was first published in 2000 This work identifies the differences between the Russian intellectual approach to reading Plato and that of other European countries This study offers a complex perspective on Russian philosophical learnings up to 1930 The book contains five chapters with the first aiming to provide the general institutional context in which Russian 19th century Plato scholarship developed caught as it were between the rise of the historical sciences and the heavy hand of state interference in standardizing the educational system in the name of nation building and modernization The second chapter attempts to illustrate how Plato served as a reference in Russian philosophical culture and the third deals with aspects of Russian philosophy of law In the fourth chapter the author shifts his approach to compare and contrast a number of reactions to a single dialogue the Republic and in the final concluding chapter addresses the question of whether it is legitimate to speak of a Russian Platonism

A History of Russian Philosophy 1830-1930 G. M. Hamburg,Randall A. Poole,2010-04-22 The great age of Russian philosophy spans the century between 1830 and 1930 from the famous Slavophile Westernizer controversy of the 1830s and 1840s through the Silver Age of Russian culture at the beginning of the twentieth century to the formation of a Russian philosophical emigration in the wake of the Russian Revolution This volume is a major history and interpretation of Russian philosophy in this period Eighteen chapters plus a substantial introduction and afterword discuss Russian philosophy s main figures schools and controversies while simultaneously pursuing a common central theme the development of a distinctive Russian tradition of philosophical humanism focused on the defence of human dignity As this volume shows the century long debate over the meaning and grounds of human dignity freedom and the just society involved thinkers of all backgrounds and positions transcending easy classification as religious or secular The debate still resonates strongly today

Goncharov in the Twenty-First Century Ingrid Kleespies,Lyudmila Parts,2021-11-23 Goncharov in the Twenty First Century brings together a range of international scholars for a reexamination of Ivan Goncharov s life and work through a twenty first century critical lens Contributions to the volume highlight Goncharov s service career the complex and understudied manifestation of Realism in his work the diverse philosophical threads that shape his novels and the often colliding contexts of writer and imperial bureaucrat in the 1858 travel text Frigate Pallada Chapters engage with approaches from post colonial and queer studies theories of genre and the novel desire laughter technology and mobility and travel

Russian Legal Culture Before and After Communism Frances Nethercott,2007-12-03 Following the emancipation of the serfs in 1861 and again during the Gorbachev and Yel tsin eras the issue of individual legal rights and freedoms occupied a central place in the reformist drive to modernize criminal justice While in tsarist Russia the gains of legal scholars and activists in this regard were few their example as liberal humanists remains important today in renewed efforts to promote juridical awareness and respect for law A case in point is the role played by Vladimir Solov ev One of Russia s most celebrated moral philosophers his defence of the right to a

dignified existence and his brilliant critique of the death penalty not only contributed to the development of a legal consciousness during his lifetime but also inspired appeals for a more humane system of justice in post Soviet debate This book addresses the issues involved and their origins in late Imperial legal thought More specifically it examines competing theories of crime and the criminal together with various prescriptions for punishment respecting personal inviolability Charting endeavours of the juridical community to promote legal culture through reforms and education the book also throws light on aspects of Russian politics society and mentality in two turbulent periods of Russian history **Socrates in Russia**, 2022-10-04 This volume explores the influence of the Socratic legacy in the Russian East European and Soviet contexts For writers philosophers and artists Socrates has served as a potent symbol of the human capacity for philosophical reflection as well as the tumultuous and often dangerous reality in which Russian speaking and Soviet intellectuals found themselves The thirteen chapters include surveys of historical periods and movements the 18th century Nietzscheanism and the Greek Renaissance of Russian culture studies of individual writers and philosophers Skovoroda Herzen Dostoevsky Rozanov Bely Narbut and many others and investigations of Socratic subtexts e g in Bulgakov's *Master and Margarita* and Nosov's *Neznaika* series for children The volume concludes with a Socratic Texts section of new translations The plurality of these topics demonstrates the continued relevance of the Socratic myth not only for Russian speaking culture but for the world

The Later Solov'ev Thomas Nemeth, 2019-07-24 This volume offers a critical examination of the later philosophical views of Vladimir Solov'ev arguably Russia's most famous and most systematic philosopher It offers a philosophically informed approach to this pivotal figure and to his era Inside readers will discover a detailed portrait of the often overlooked evolution of the philosopher's views during the final two decades of his life The author explores Solov'ev's still evolving aesthetic philosophy and his entry into the lively Russian discussion of free will The work then turns to the philosopher's mature statements on many figures from within the history of philosophy This includes Kant and Hegel Next readers will learn about his disagreements with several contemporaries as well as contemporaneous movements These include positivism and materialism In addition the coverage includes an elucidation and examination of Solov'ev's final expression of his ethical philosophy as set forth in his major ethical treatise *Justification of the Moral Good* The overall picture that emerges is of a much more vibrant and heated philosophical community than typically portrayed in Western secondary literature The book ends with a reflection on the rise of Solov'ev as a religious mystic at the expense of a critical evaluation of his thought

Vladimir Solov'ev William Peter van den Bercken, Manon de Courten, Evert van der Zweerde, 2000 Vladimir Solov'ev 1853-1900 is regarded as the most original and systematic of the Russian philosophers in the 19th century He has once again become the subject of international scholarly attention both in Slavic countries and the West This volume contains selected papers presented at the international conference on Vladimir Solov'ev held at Nijmegen University the Netherlands in September 1998 The scope of this conference was wide ranging dealing with theological metaphysical philosophical and

historical themes Though Solov'ev's broad intellectual activity defies any strict attempt at categorisation the editors have classified its major themes under the dual characteristic of reconciliation and polemics Solov'ev was passionately committed to the reconciliation of all beings under the idea of all unity which he attempted to achieve by engaging in uncompromising polemics with his contemporaries The thirty contributors to this volume are specialists from Russia Ukraine Bulgaria Western Europe and the United States The volume makes a significant contribution to the intellectual reassessment of Vladimir Solov'ev since the rediscovery of his philosophical heritage in his own homeland in the 1980s

The Handbook of Global Interventions in Communication Theory Yoshitaka Miike, Jing Yin, 2022-03-10 Moving beyond the U S Eurocentric paradigm of communication theory this handbook broadens the intellectual horizons of the discipline by highlighting underrepresented especially non Western theorists and theories and identifies key issues and challenges for future scholarship Showcasing diverse perspectives the handbook facilitates active engagement in different cultural traditions and theoretical orientations that are global in scope but local in effect It begins by exploring past efforts to diversify the field continuing on to examine theoretical concepts models and principles rooted in local cumulative wisdom It does not limit itself to the mass interpersonal communication divide but rather seeks to frame theory as global and inclusive in scope The book is intended for communication researchers and advanced students with relevance to scholars with an interest in theory within information science library science social and cross cultural psychology multicultural education social justice and social ethics international relations development studies and political science

Essays on Ayn Rand's "We the Living" Robert Mayhew, 2012-02-16 Ayn Rand remains a truly significant figure of modern philosophy Her unique vision of a world in which man relying on reason acts wholly for his own good is skillfully developed and illustrated in her most famous novels Atlas Shrugged and The Fountainhead But Rand's first novel We the Living a lesser known but no less important book offers an early form of the author's nascent philosophy the philosophy Rand later called Objectivism In the second edition Robert Mayhew once again brings together pre eminent scholars of Rand's writing The edition includes three new chapters as well as an epilogue by renowned Rand scholar Leonard Peikoff In part a history of We the Living from its earliest drafts to the Italian film later based upon it Mayhew's collection goes on to explore the enduring significance of Rand's first novel as a work both of philosophy and of literature For Ayn Rand scholars and fans alike this enhanced second edition is a compelling examination of a novel that set the tone for some of the most influential philosophical literature to follow

Reframing Russian Modernism Irina Shevelenko, 2018-12-11 Presenting a multifaceted portrait of modernist culture in Russia an array of distinguished scholars shows how artists and writers in the early twentieth century engaged with politics science and religion At a time when many Russian social institutions looked to the past modernist arts powerfully amplified a gamut of new ideas about individual and collective transformation Expanding upon prior studies that focus more specifically on literary manifestations of the movement Reframing Russian Modernism features original research that ranges broadly from political

aesthetics to Darwinism to yoga These unique complementary perspectives counter reductionism of any kind integrating the study of Russian modernism into the larger body of humanistic scholarship devoted to modernity

Unveiling the Magic of Words: A Report on "**Russias Plato Plato The Platonic Tradi**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Russias Plato Plato The Platonic Tradi Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russias Plato Plato The Platonic Tradi PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russias Plato Plato The Platonic Tradi PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russias Plato Plato The Platonic Tradi free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russias Plato Plato The Platonic Tradi Books

1. Where can I buy Russias Plato Plato The Platonic Tradi books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
