Michael M. Boll

Russias Road To The Cold War:

Russia's Road to the Cold War Vojtech Mastny, 1979 Studies the events and policies which led the Soviet Union into the Cold War detailing the way in which Stalin conceived and executed the decisions resulting in the partitioning of Europe

Stalin's Cold War Caroline Kennedy-Pipe, 1995 In the first analysis of the start of the Cold War from a Soviet viewpoint Caroline Kennedy Pipe draws on Russian source material to reach some startling conclusions She challenges the prevailing orthodoxy of Western historians to show how Moscow saw the presence of US troops in Europe in the 1940s and early 1950s as advantageous rather than as a check on Soviet ambitions The author points to a complex web of concerns than fuelled Moscow's actions and explores how the Soviet leadership and Stalin in particular responded to American policy She shows how the Soviet experience of the United States and Europe both before during and after the Second World War led Moscow to a policy that was not simply fuelled by anti Americanism Six chapters cover events from the wartime conferences of 1943 until the death of Stalin A final chapter places the book in the context of the current debate over the causes of the Cold War

Russia's Road to the Cold War Vojtech Mastny, 1979 *The Longman Companion to America, Russia and the Cold War, 1941-1998* John W. Young, 2014-07-30 This reference guide throws light on almost every aspect of postwar international history from the rise of Mao's China to the Bosnian Civil War It provides a huge wealth of information on East West relations setting events crises and conflicts in their full international context *Britain, the Cold War and Yugoslav Unity, 1941-1949* Ann Lane, 2012-06-01 This work sets out to examine the policy of the British Foreign Office towards Yugoslavia and the Tito Government during and immediately following World War II It looks at the relationship between Yugoslavia and the Soviet Union and the effects on Soviet Western relations *Deterrence, Reputation and Cold-War Cycles* John D. Orme, 1992-06-18 A historical reexamination of the Cold War's cyclical pattern It aims to show how Soviet aggressiveness was most likely to occur when the credibility of US efforts at deterrence was damaged by the inability or unwillingness of the US to meet previous challenges

Cold War US Foreign Policy Steven Hurst, 2019-07-31 This book provides the first comprehensive description and critique of the six most important historical interpretations of US Cold War foreign policy Traditionalism Revisionism Post Revisionism Corporatism World Systems Theory and Post Structuralism The author uses the levels of analysis approach to demonstrate how each of these perspectives can be understood as an explanatory framework combining different types of factors located at different levels of the international system This original way of explaining the work of the historians discussed helps the reader to see past the narrative and empirical elements of their writings and to grasp more clearly the underlying theoretical assumptions In each chapter a description of the perspective's underlying theoretical framework and how it explains US foreign policy is followed by a critique of that theory and explanation A central theme developed throughout the book is the difficulty of managing the constant tension between the explanatory power of theory and the historian's desire to encompass the complex totality of historical events This critical companion can be read

alongside the works of the historians themselves showing how they have sought to explain US Cold War foreign policy and the key differences between their perspectives

Key Features

- 1st complete discussion of the 6 schools of thought in one volume
- Discusses current issues such as corporatism world systems theory and post structuralism in an accessible manner
- original use of the levels of analysis framework in studying this subject demonstrates in practical terms how each theory explains US Cold War foreign policy

Revisiting the Roots of the Cold War Michael G. Carew, 2019-12-12

Revisiting the Roots of the Cold War is a history of the emergence of the Cold War from 1944-1948 emphasizing the recently available Soviet scholarship and information from other archives. Prior scholarship on the origins of the Cold War served as the basis for the final works of James Gaddis, George Kennan and Ernest May in the 1980s and with no access to Soviet materials these works ignored the effects of American demobilization and the major restructuring of the State and Defense Departments. This study represents a more realistic appraisal of the formulation of US policy.

The Soviet Union and Europe in the Cold War, 1943-53 Francesca Gori, Silvio Pons, 1997-08-12

After the Cold War its history must be reassessed as the opening of Soviet archives allows a much fuller understanding of the Russian dimension. These essays on the classic period of the Cold War 1945-53 use Soviet and Western sources to shed new light on Stalin's aims, objectives and actions on Moscow's relations with both the Soviet Bloc and the West European Communist Parties and on the diplomatic relations of Britain, France and Italy with the USSR. The contributors are prominent European, Russian and American specialists.

The German Question and the Origins of the Cold War Nicolas Lewkowicz, 2008

The book analyses the role of the German Question in the origins of the Cold War. The work evaluates the transformation which occurred in Germany and the post-war international order due to the inter-Allied work on denazification. The author analyses the Rationalist aspects of superpower interaction with particular emphasis on the legal and diplomatic framework which sustained not only the treatment of the German Question but also the general context of inter-Allied relations. The author also tackles the conflictual aspects of the treatment of the German Question by examining superpower interaction in relation to the enforcement of their structural interests. The main argument of the book is that due to the interaction between the elements of intervention and coexistence the German Question constituted the most significant issue in the configuration of the post-war international order.

The Cold War Ronald E. Powaski, 1997-09-25

For half of the twentieth century the Cold War gripped the world. International relations everywhere and domestic policy in scores of nations pivoted around this central point: the American-Soviet rivalry. Even today much of the world's diplomacy grapples with chaos created by the Cold War's sudden disappearance. Here indeed is a subject that defies easy understanding. Now comes a definitive account: a startlingly fresh, clear-eyed, comprehensive history of our century's longest struggle. In *The Cold War* Ronald E. Powaski offers a new perspective on the great rivalry even as he provides a coherent, concise narrative. He wastes no time in challenging the reader to think of the Cold War in new ways, arguing that the roots of the conflict are centuries old, going back to Czarist Russia and to the very infancy of the American nation. He

shows that both Russia and America were expansionist nations with messianic complexes and the people of both nations believed they possessed a unique mission in history Except for a brief interval in 1917 Americans perceived the Russian government whether Czarist or Bolshevik as despotic Russians saw the United States as conspiring to prevent it from reaching its place in the sun U S military intervention in Russia s civil war with the aim of overthrowing Lenin s upstart regime entrenched Moscow s fears Soviet American relations difficult before World War II when both nations were relatively weak militarily and isolated from world affairs escalated dramatically after both nations emerged as the world s major military powers Powaski paints a portrait of the spiraling tensions with stark clarity as each new development added to the rivalry the Marshall Plan the communist coup in Czechoslovakia the Berlin blockade the formation of NATO the first Soviet nuclear test In this atmosphere Truman found it easy to believe that the Communist victory in China and the Korean War were products of Soviet expansionism He and his successors extended their own web of mutual defense treaties covert actions and military interventions across the globe from the Caribbean to the Middle East and finally to Southeast Asia where containment famously foundered in the bog of Vietnam Powaski skillfully highlights the domestic politics diplomatic maneuvers and even psychological factors as he untangles the knot that bound the two superpowers together in conflict From the nuclear arms race to the impact of U S recognition of China on detente to Brezhnev s inflexible persistence in competing with America everywhere he casts new light on familiar topics Always judicious in his assessments Powaski gives due credit to Reagan and especially Bush in facilitating the Soviet collapse but also notes that internal economic failure not outside pressure proved decisive in the Communist failure Perhaps most important he offers a clear eyed assessment of the lasting distortions the struggle wrought upon American institutions raising questions about whether anyone really won the Cold War With clarity fairness and insight he offers the definitive account of our century s longest international rivalry

The Cold War John Lamberton Harper, 2011-05-26 The East West struggle for supremacy from 1945 to 1989 shaped the lives of hundreds of millions and brought the world to the brink of disaster on several occasions More than two decades on the debate over its causes and dynamics is far from over Drawing on the latest archival evidence and scholarly research prize winning historian John Lamberton Harper provides a concise briskly written assessment of the Cold War Why did it start and eventually envelope nearly every corner of the planet Why did it stay cold at least in its original European theatre Why did it end and who should take the credit Harper illuminates the deep seated behavioural patterns within both the Soviet Union and the United States the search for security through expansion and military might the belief in a messianic mission to uplift humanity but also a readiness to live and let live based on membership in a common state system and a shared interest in survival He stresses ways in which internal competitions for political power tilted both the U S and Soviet systems towards bellicosity and obsessive preparation for a hot war that no one seriously intended to begin It is a story of delusions of omnipotence and rash behavior punctuated by moments of redeeming statesmanship and self restraint Harper concludes that

rather than triumphalism a clear look back at the Cold War's close calls with catastrophe and enormous cost in lives and treasure ought to evoke a sense of regret and humility as well as relief

Cold War in the Balkans Michael M. Boll, 2021-10-21 As World War II drew to a close the United States and the Soviet Union began to maneuver for position in postwar Europe in the first exploratory moves of what would soon become a worldwide contest for power and prestige In Bulgaria Michael Boll finds a unique vantage point for study of the processes of international politics during these years of the emergence of the Cold War Bulgaria he writes was to assume a significance for both the United States and the Soviet Union greater than that small nation's intrinsic importance to either Great Power Bulgaria had joined the Axis under pressure during the war though it alone among the Axis satellites had refused to declare war on the Soviet Union Willing in 1943 to lend support to an American plan devised to bring about Bulgaria's surrender and its participation in the war against Germany the Soviet by the fall of 1944 was to invade Bulgaria and form an alliance with the Bulgarian Communists who offered dependable support in the Red Army's continuing war effort When military objectives were replaced by the Soviet's political drive for consolidation of its newly won empire the Bulgarian Communists remained indispensable allies and continued the determined campaign that culminated in 1947 in declaration of the People's Republic of Bulgaria Boll refutes the frequent charge of American nonpolicy toward Eastern Europe in this period concluding that the loss of Bulgaria was the result not of the lack of determined policy but of a realistic assessment of American capabilities and strategic priorities Cold War in the Balkans drawing on important new Eastern European sources and newly declassified British and American archives relates international diplomatic history to local political developments in a way that gives new depth to the study of Cold War origins

Churchill's Cold War Klaus Larres, 2002-01-01 En dybtgående veldokumenteret analyse af britisk udenrigspolitik i gennem de første 10 efterkrigsår herunder bl.a. den engelsk-amerikansk-franske manøvre for at afvære Sovjetunionens bestrebelse for at genforene Tyskland

British Labour and the Cold War Peter Weiler, 1988 A critical examination of the labour government and trades union Congress in the immediate postwar period this book argues that the Cold War was not just a traditional conflict between states but also an attempt to contain the growth of radical working class movements at home and abroad These radical movements stimulated by the Second World War and its aftermath seemed to policymakers within the Labour Party and the TUC to threaten British interests The author contends that the Labour government never seriously considered following a socialist foreign policy but instead sought to shape political developments throughout the world in ways most conducive to maintaining Britain's traditional economic and imperial interests The government was able to follow established policies abroad and increasingly at home at least in part because British trade union leaders supported its attempts to prevent radicals and communists from coming to power in trade union movements inside Britain and throughout the world In so doing the trade union movement significantly extended its links with the state in particular by cooperating with it in the sphere of foreign and colonial labour policy

Molotov: A Biography D.

Watson,2005-08-16 This is the first comprehensive biography of Molotov and reflects the range of sources that have become available to historians since the fall of the USSR It is a commentary on Soviet history Molotov played his part in revolution Civil War Lenin s Russia Stalin s struggle with the oppositions collectivization industrialization the Terror the Great Patriotic War the beginnings of the Cold War and in the Khrushchev era **The Cold War** Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material **The Routledge Handbook of the Cold War** Artemy M. Kalinovsky,Craig Daigle,2014-06-05 This new Handbook offers a wide ranging overview of current scholarship on the Cold War with essays from many leading scholars The field of Cold War history has consistently been one of the most vibrant in the field of international studies Recent scholarship has added to our understanding of familiar Cold War events such as the Korean War the Cuban Missile Crisis and superpower d tente and shed new light on the importance of ideology race modernization and transnational movements The Routledge Handbook of the Cold War draws on the wealth of new Cold War scholarship bringing together essays on a diverse range of topics such as geopolitics military power and technology and strategy The chapters also address the importance of non state actors such as scientists human rights activists and the Catholic Church and examine the importance of development foreign aid and overseas assistance The volume is organised into nine parts Part I The Early Cold War Part II Cracks in the Bloc Part III Decolonization Imperialism and its Consequences Part IV The Cold War in the Third World Part V The Era of Detente Part VI Human Rights and Non State Actors Part VII Nuclear Weapons Technology and Intelligence Part VIII Psychological Warfare Propaganda and Cold War Culture Part IX The End of the Cold War This new Handbook will be of great interest to all students of Cold War history international history foreign policy security studies and IR in general **Appeasement in International Politics** Stephen R. Rock,2014-10-17 Since the 1930s appeasement has been labeled as a futile and possibly dangerous policy In this landmark study Stephen Rock

seeks to restore appeasement to its proper place as a legitimate and potentially successful diplomatic strategy. Appeasement was discredited by Neville Chamberlain's disastrous attempt to satisfy Adolf Hitler's territorial ambitions and avoid war in 1938. Rock argues, however, that there is very little evidence to support the belief that dissatisfied states and their leaders cannot be appeased or that appeasement undermines a state's credibility in later attempts at deterrence. Rock looks at five case studies from the past 100 years revealing under what conditions appeasement can achieve its goals. From British appeasement of the United States near the beginning of the twentieth century to American conciliation of North Korea in the early 1990s, Rock concludes that appeasement succeeds or fails depending on the nature of the adversary, the nature of the inducements used on the antagonist, and the existence of other incentives for the adversary to acquiesce. Appeasement in International Politics suggests the type of appeasement strategy most appropriate for various situations. The options range from pure inducements, reciprocity, to a mixture of inducements and threats. In addition to this theoretical framework, Rock's explicit comparison of appeasement and deterrence offers important guidelines for policymakers on when and how to implement a strategy of appeasement. At a time when the strategy of engagement plays an increasingly central and controversial role in U.S. foreign policy, *Appeasement in International Politics* reestablishes the long discredited use of inducements as an effective means of preventing conflict.

America and the Cold War, 1941-1991 Norman A. Graebner, Richard Dean Burns, Joseph M. Siracusa, 2010-05-05. Three distinguished diplomatic historians offer an assessment of the Cold War in the realist tradition that focuses on balancing the objectives of foreign policy with the means of accomplishing them. *America and the Cold War 1941-1991: A Realist Interpretation* is a sweeping historical account that focuses on the policy differences at the center of this conflict. In its pages, three preeminent authors offer an examination of contemporary criticism of the Cold War, documenting the views of observers who appreciated that many policies of the period were not only dangerous but could not resolve the problems they contemplated. The study offers a comprehensive chronicle of U.S.-Soviet relations broadly conceived from World War II to the collapse of the Soviet Union. It places the origins of the Cold War as related to the contentious issues of World War II and stresses the failure of Washington to understand or seriously seek settlement of those issues. It points out how nuclear weaponry gradually assumed political stature and came to dominate high-level Soviet-American diplomatic activity at the same time, discounting the notion that the Cold War was a global ideological confrontation for the future of civilization. A concluding chapter draws lessons from the Cold War decades, showing how they apply to dealing with nation states and terrorist groups today.

Getting the books **Russias Road To The Cold War** now is not type of challenging means. You could not forlorn going later than ebook addition or library or borrowing from your links to door them. This is an no question simple means to specifically get guide by on-line. Russias Road To The Cold War Introduction

Russias Road To The Cold War Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Russias Road To The Cold War Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Russias Road To The Cold War : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Russias Road To The Cold War : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Russias Road To The Cold War Offers a diverse range of free eBooks across various genres. Russias Road To The Cold War Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Russias Road To The Cold War Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Russias Road To The Cold War, especially related to Russias Road To The Cold War, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Russias Road To The Cold War, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Russias Road To The Cold War books or magazines might include. Look for these in online stores or libraries. Remember that while Russias Road To The Cold War, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Russias Road To The Cold War eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Russias Road To The Cold War full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russias Road To The Cold War eBooks, including some

popular titles.

FAQs About Russias Road To The Cold War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russias Road To The Cold War is one of the best book in our library for free trial. We provide copy of Russias Road To The Cold War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russias Road To The Cold War. Where to download Russias Road To The Cold War online for free? Are you looking for Russias Road To The Cold War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russias Road To The Cold War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russias Road To The Cold War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russias Road To The Cold War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russias Road To The Cold War To get started finding Russias Road To The Cold War, you are

right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russias Road To The Cold War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russias Road To The Cold War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russias Road To The Cold War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russias Road To The Cold War is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russias Road To The Cold War is universally compatible with any devices to read.
