

"Comprehensive. . . .
An excellent portrayal of this giant among twentieth century
conflicts . . . will delight the military history enthusiast."
—Military History Magazine

THE RUSSO- GERMAN WAR 1941-45

ALBERT SEATON

Russogerman War 194145

Michael Manning

Russogerman War 194145:

The Russo-German War, 1941-45 Albert Seaton,1990 *The Eastern Front, 1941-45, German Troops and the Barbarisation of Warfare* O. Bartov,2001-07-30 Based largely upon unpublished sources Omer Bartov s study looks closely at the background of the German army on the Eastern Front during the Second World War He describes the physical hardship the discipline and morale at the front and analyses the social educational and political background of the junior officers who formed the backbone of the German army Only with these factors in mind together with the knowledge of the extent of National Socialist indoctrination can we begin to explain the criminal activities of the German army in Russia and the extent of involvement of the army in the execution of Hitler s brutal policies **The Eastern Front, 1941-45, German Troops and the Barbarisation of Warfare** Omer Bartov,1986-04-28 Based largely upon unpublished sources Omer Bartov s study looks closely at the background of the German army on the Eastern Front during the Second World War He describes the physical hardship the discipline and morale at the front and analyses the social educational and political background of the junior officers who formed the backbone of the German army Only with these factors in mind together with the knowledge of the extent of National Socialist indoctrination can we begin to explain the criminal activities of the German army in Russia and the extent of involvement of the army in the execution of Hitler s brutal policies Der OstFront Russia and Germany at War 1941-45 Michael Manning,2015-02-11 Russia and Germany two totalitarian regimes fought a vicious relentless war for a full four years with tragic results for civilians POWs and all combatants *The Organization and Order of Battle of Militaries in World War II*. Charles D. Pettibone,2012 There are numerous Order of Battle books on the market So what makes this one so special Why should one decide on this particular book Most Order of Battle books usually deal only at the division and corps level of a country s army Most higher commands are not covered This book deals with all the branches of a country s military giving a breakdown of all the major echelons of command from theater down to brigade under each component army group armies corps division and brigade and the equivalent command for the other military branches are included Second it attempts to give an overall command structure of the country s military showing the central headquarters command structure as well as the major components army groups armies corps etc Third most Order of Battle books list the commander and their dates of tenure This one includes those but also lists their next duty assignments or where they went after leaving the post One can literally trace a general officer s career through the upper echelons of command making this series completely different from all the others on the market **The Organization and Order of Battle of Militaries in World War II** D. Pettibone Charles D. Pettibone,Charles D. Pettibone,2009-11 **Index-catalogue of the Library of the Surgeon-General's Office, United States Army** National Library of Medicine (U.S.),1955 **Index-catalogue of the Library of the Surgeon General's Office, United States Army (Armed Forces Medical Library)**. Armed Forces Medical Library (U.S.),National Library of Medicine (U.S.),Library of the Surgeon-General's Office (U.S.),1955 Collection of

incunabula and early medical prints in the library of the Surgeon general s office U S Army Ser 3 v 10 p 1415 1436

Hitler's Luftwaffe Infantry Antonio J Muñoz, 2025-11-25 By spring 1942 Hitler s forces on the Eastern Front were suffering heavy losses To replace these casualties the Army requested the transfer of 20 000 men from the Kriegsmarine and 200 000 airmen from the Luftwaffe to be retrained as infantry Reichsmarschall Hermann G ring head of the Luftwaffe vehemently opposed the plan fearing it would diminish his political power after several Luftwaffe failures He proposed instead that the Luftwaffe raise and equip these 200 000 men arguing their Nazi spirit would benefit the war effort Hitler prioritizing political loyalty over military logic approved the creation of Luftwaffen Felddivisionen Luftwaffe Field Divisions Despite being ill suited for front line combat these divisions were deployed in all theatres except North Africa They were generally ineffective with many regarded as fit only for garrison duties On the Eastern Front they struggled due to the brutal intensity of the fighting However two divisions the 12th and 21st performed relatively well This in depth study examines the Luftwaffe Field Divisions uncovering the tragic consequences of G ring s decision Many Luftwaffe personnel perished in these ill prepared divisions whose lives might have been spared had they received proper Army training The research draws on extensive archival materials highlighting the human cost of this strategic blunder [Tropical Warfare in the Asia-Pacific Region, 1941-45](#) Kaushik Roy, 2017-10-25 This is the first book to provide a comprehensive overview of the land war during the Second World War in South East Asia and the South and South West Pacific The extensive existing literature focuses on particular armies Japanese British American Australian or Indian and or on particular theatres the Philippines Papua New Guinea Malaya or Burma This book on the contrary argues that warfare in all the theatres was very similar especially the difficulties of the undeveloped terrain and that there was considerable interchange of ideas between the allied armies which enabled the spread of best practice among them The book considers tactics training technology and logistics assesses the changing state of the combat effectiveness of the different armies and traces the course of the war from the Japanese Blitzkrieg of 1941 through the later stalemate and the hard fought Allied fightback Although the book concentrates on ground forces due attention is also given to air forces and amphibious operations One important argument put forward by the author is that the defeat of the Japanese was not inevitable and that it was brought about by chance and considerable tactical ingenuity on the part of US and British imperial forces

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, Natureis Adventure: **Russogerman War 194145** .
