## Sach Mac Mon:

Sach Mac Mon Joseph Smith, 2015-05-11 The Book of Mormon Vietnamese edition      *Asian Socialism & Legal Change*  
John Gillespie, Pip Nicholson, 2005-08-01 The immense process of economic and social transformation currently underway in China and Vietnam is well known and extensively documented. However, less attention has been devoted to the process of Chinese and Vietnamese legal change, which is nonetheless critical for the future politics, society, and economy of these two countries. In a unique comparative approach that brings together indigenous and international experts, *Asian Socialism and Legal Change* analyzes recent developments in the legal sphere in China and Vietnam. This book presents the diversity and dynamism of this process in China and Vietnam, the impact of socialism, constitutionalism, and Confucianism on legal development, responses to change among enterprises and educational and legal institutions, conflicts between change led centrally and locally, and international influences on domestic legal institutions. Core socialist ideas continue to shape society but have been adapted to local contexts and needs in some areas more radically than in others. This book is the first systematic analysis of legal change in transitional economies.      **Code of Federal Regulations**, 1981 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries.      *Lonely Planet Vietnam, Cambodia, Laos & Northern Thailand* Greg Bloom, 2022-04-22 Lonely Planet's Vietnam, Cambodia, Laos, all with your trusted travel companion.
