Dyer,2009-10-13 The bestselling author of *Your Erroneous Zones* *Pulling Your Own Strings* and *Wisdom of the Ages* combines psychological insights and guidelines for achieving spiritual fulfillment to present a three step program designed to help readers look inside themselves to find a new sense of self awareness and spiritual joy Developing the sacred self Wayne Dyer explains brings an understanding of our place in the world and a sense of satisfaction in ourselves and others In *Your Sacred Self* Dyer offers a program that helps listeners establish a spiritually oriented rather than an ego oriented approach to life

Step by step Dyer shows us how to progress from emotional awareness to psychological insight to spiritual alternatives in order to change our experience of life from the need to acquire to a sense of abundance from a sense of one's self as sinful and inferior to a sense of one's self as divine from a need to achieve and acquire to an awareness that detachment and letting go bring freedom Your Sacred Self is an inspiring hopeful illuminating guide that can help everyone live a happier richer more meaningful life

The Sacred Purpose of Being Human Jacquelyn Small, 2005-09-15 Noted psychologist Jacquelyn Small helps us break the cycle of addictive behavior destructive relationships and self harm by teaching that we are not human beings learning to be spiritual we are spiritual beings learning to be human Jacquelyn Small's 12 Principles of Wholeness developed in her 30 year clinical practice provide a one year process of psychospiritual inner work Blending ancient wisdom and modern science this process has led client after client to the personal transformation of addictive living that precedes spiritual awakening The readings exercises and guided imageries in this book will help you access blocked emotions and modify the basic patterns buried within you that are holding unwanted behaviors in place You will learn how to Release stuck emotions through inner work designed to heal your past Identify pseudo personalities that masquerade as your true self Create the inner space required for a spiritual awakening to occur naturally

The Sacred 7 Andrew Wayne Thomas Ecker, 2019-03-10 For Andrew Ecker the confusion of the illusion of self identity led to a life of alcohol cocaine opiate addiction imprisonment and ultimately suicidal attempts on his life Generational drug addiction imprisonment and mental illness fortified the foundation of his thoughts and kept the vision of destruction going until he began a spiritual path and process of redefining and finding the medicine in his relationships The Sacred 7 Based on an ancient indigenous teaching of introduction The Sacred 7 will guide you in a ceremonial process of intentionally designing your life how you relate to yourself your family the community and the universe creating a bridge from the inner and outer world to assist in fortifying the metaphysical architecture of your reality This foundational spiritual teaching is about awakening the greatest parts of you and practicing your spirituality in a truly authentic way It is about claiming the truth and the medicine in the story of YOU

Know Your Real Self Rachna Khemchandani, 2022 Purpose of the book The main purpose to write this book is to provide clarity and guidance to all the spiritual seekers throughout the world I got a strong intuitive feeling to write this book so that more and more people can be benefited by it I wanted to share my life's journey experiences in depth with readers and sadhaks seekers who are on a similar path so that they can get insight and more clarity on lot of issues which will deepen their faith and help them to see their own journey in the different light The other reason of writing this book is to help other sadhaks spiritual seekers gain insight and learn from my experiences I never intended to write this book for any name or fame or money but rather my main intention is to help other seekers on their spiritual path so that they can purify their inner selves and experience higher states of consciousness inner peace and inner freedom
