[BookReviewClub.com](#) [Hidden Bible Health Secrets](#) Reginald Cherry, 2017. Uncover the God-given health secrets that are available to you through nature. Whether you have questions about vitamins or you are battling heart disease, diabetes, vision problems or menopause, Dr. Reginald Cherry removes the guesswork and answers frequently asked questions that point you toward better health. Publisher's description **Secrets of the Hidden Vessels** Fletcher Kovich, 2018-10-27. The Nei Jing consists of ancient Chinese scripts and is the foundation of Chinese acupuncture. But several factors make the Nei Jing and also today's Chinese medicine difficult to comprehend. Parts of the Nei Jing are fact-based; parts are metaphorical and not intended to be interpreted literally; and other parts contain contradictory theories which cannot all be true. Added to this is the problem that Chinese medicine concepts can seem incomprehensible to Western readers anyway. This book tackles these problems by relating Chinese medicine knowledge to today's physiology and identifying the overlap. The book also extensively analyses the Nei Jing theories on metabolism, organ function, physiology, and the five phase theory, and points out which aspects of these theories are fact-based, which are metaphorical, and which are untrue. This enables students to readily understand Nei Jing metabolism and physiology and to decide for themselves which aspects apply in reality. Today's Chinese medicine disease syndromes are also explained. But in general, the book follows the simple approach used in the Nei Jing. With each organ, a single main condition is cited, such as poor kidney function, then the signs and symptoms listed. This enables Western students to understand the condition and also demonstrates how to communicate Chinese medicine to patients. The book also analyses recent scientific ideas on how acupuncture may work and describes its own intelligent tissue hypothesis. This groundbreaking hypothesis is supported by objective experimental data and provides a lucid and plausible explanation of what the meridians are, what acupuncture is, and it also clearly describes the mechanism that enables acupuncture to correct organ malfunctions. The book brings an unusual transparency to Chinese medicine, making the whole subject easier to understand. Fletcher Kovich runs his own Chinese acupuncture practice in the UK. Praise for *Secrets of the Hidden Vessels*. The book is fascinating. And from the teaching perspective, it is a great tool to help students understand the organ functions. The book also uses an interesting approach to explain the mental and emotional factors in causing disease, which again will greatly assist in the teaching of this aspect of Chinese medicine. Brandon Fuller, Program Chair, East West College of Natural Medicine, Sarasota, Florida. We have come across many books on Chinese Medicine, and particularly like this book's approach of blending the Western and Chinese understanding of the organs to make it clear that both systems describe the same organs. There is a global paradigm shift in medicine, and the importance of Chinese Medicine in understanding the body and health plays a key role in the West's acceptance of alternative approaches to healthcare. It only took eight seconds for Nate Montgomery's bull riding career to go from brilliant to burned out. Back in Three Rivers with no money and no prospects, he needs to regroup and build an identity for himself that doesn't involve being thrown around by 1500lbs of fury. He finds reprieve in a familiar package of curves on the other side of the bar at the local watering hole. She's tall, full-bodied and sweet, and Nate will gladly come back for a second taste. Single mother and perpetual girl from the wrong side of the tracks, Layla Sullivan is barely holding together the life she's building for herself and her son. She's got shift work, squeaky cupboards, a big fat secret, and no time for Nate Montgomery to come waltzing into her life making her wish for things she can't have. But this cowboy is as bull-headed as he is sexy, and it doesn't take a rocket scientist to figure out that having an extra warm handy body in her house isn't a bad thing, especially when it belongs to her baby's father. When Layla's family drama comes back to bite her, exposing her secret and threatening the happy little bubble they've created, Nate feels bound to repeat the sins of his father. But he's never been one to give up, and this little family might be just the new life he's looking for. This book is a part of the Hearts of Three Rivers: The Baylors series. Each book stands alone as a complete read but features appearances from other family members who may have their own story to tell in a different book. Amity's stories can best be described as sweet western heat and contain open door bedroom scenes but no frank language. Hearts of Three Rivers: The Baylors: Runaway Heart, Dane Ren Maddock, Homecoming Heart, Noah Emma Pierce, Secondhand Heart, Finn Lily Jacobs. The Montgomerys: Secret Heart, Nate Layla Sullivan, Lawful Heart, Banks Norah Clarke, Guarded Heart. COMING SOON: Hearts of Heroes, Military and serviceman related novellas that occur in the Three Rivers world. A Cowboy SEAL's Bride, Lane Sutton, Miranda Davenport. A Cowboy SEAL's Redemption, Travis Nelson, AJ Fletcher. COMING EARLY 2020

Secret Heart Airini Beautrais, 2006. *Secret Heart* is a collection of superbly crafted autobiographical prose poems, all true stories. The tone is mostly mordant, downbeat, disenchanted, at least at first, until the reader becomes aware of the sharp humour that keeps turning these poems back from introspection and out into the social world. One thing this book offers is a young woman's wry self-portrait. Another is a warm and vivid memorial of the vibrant milieu of Wellington's Te Aro flat under the shadow of the inner city bypass. *The Secret Heart* Erin Satie, 2014-11-05. She's a fortune hunter. He's nobody's prey. Adam Earl of Bexley lives to work. His only relief is the sordid savagery of bare knuckle boxing. Not women, and definitely not a disreputable, scheming woman who dances in secret with such passion. Caro Small is desperate to escape her selfish family. Her only chance is a good marriage, and she intends to marry Adam, whether he likes it or not. But the more she schemes to entrap him, the more she risks trapping her own heart. Adam won't be caught by a fortune hunter's ambitious schemes. But the vulnerable, passionate woman underneath the plots might just bring him to his knees.
