Integrating Psychodrama and Systemic Constellation Work Ronald Anderson, Karen Carnabucci, 2011-10-15 Systemic Constellation Work is a rapidly growing experiential healing process that is being embraced by a variety of helping professionals worldwide This book explores the history principles and methodology of this approach and offers a detailed comparison with psychodrama explaining how each method can enhance the other *The Spiral of Memory and Belonging* Frank MacEowen, 2010-10-06 For all those who have felt the tug of memory or a connection to some time and place that came before this book explores the depths of one s connections to ancestors to the land to the mysteries of life Continuing with themes from his first book *The Mist Filled Path* the author brings readers along as he journeys to Ireland for a shamanic conference and shares his experiences and how they tie into the meanings of Celtic traditions Readers recognize connections to other spiritual traditions and how the Celtic shamanic teachings overlap with those of other indigenous peoples They also discover ways to reconnect with their own heritage to cull the good teachings and incorporate them into their personal spiritual practices Offering evocative writing a fresh look at ancient ideas practical exercises and guided meditations *The Spiral of Memory and Belonging* makes a perfect entry point for readers seeking shamanic wisdom and guidance

Weather Shamanism Nan Moss, 2008-01-24 Creating an alliance and working partnership with the spirits of weather to restore well being and harmony to Earth and ourselves Reveals that intentionally or not we affect the weather not only through our actions but also through our thoughts and emotions Explains shamanic techniques for working with the spiritual nature of weather Special section on weather dancing details both its ceremonial and therapeutic aspects With the growing consensus that global warming is a fact comes the realization that the increasingly violent weather we are experiencing is its chief manifestation Each storm each flood each blizzard seems to break 100 year old records for both intensity and damage

Reducing emissions of greenhouse gases may be too little too late Through a unique blend of anthropological research shamanic journeys and personal stories and anecdotes Moss and Corbin show how humans and weather have always affected each other and how it is possible to influence the weather They present teachings directly from the spirits of weather that show how our thoughts and emotions affect weather energetics They also reveal the ceremonial and therapeutic aspects of weather dancing a practice used to communicate with the weather spirits Weather Shamanism is about transformation of ourselves and thus our world It is about how we can develop an expanded worldview that honors spiritual realities in order to create a working partnership with the spirits of weather and thereby help to restore well being and harmony to Earth

Sacred Space, Sacred Sound Susan Elizabeth Hale, 2013-11-01 Visionary singer Susan Hale believes that early peoples deliberately built their structures to enhance natural vibrations She takes us around the globe from Stonehenge and New Grange to Gothic cathedrals and Tibetan stupas in New Mexico to explore the acoustics of sacred places But she says you don't have to go to the Taj Mahal The sacred is all around us and we are all sound chambers resonating with the One Song

The Return of Collective Intelligence Dery Dyer, 2020-01-07 Reveals how we can each reconnect to collective intelligence and return our world to wholeness balance and sanity Explains how collective intelligence manifests in flocks of birds instantaneous knowing in indigenous peoples and the power of sacred places Offers ways for us to reconnect to the infinite source of wisdom that fuels collective intelligence and underscores the importance of ceremony pilgrimage and initiation Draws on recent findings in New Paradigm science traditional teachings from indigenous groups from North South and Central America and Siberia as well as sacred geometry deep ecology and expanded states of consciousness For our ancestors collective intelligence was a normal part of life We see it today as the mysterious force that enables flocks of birds swarms of bees and schools of fish to function together in perfect synchrony communicating and cooperating at some undetectable level At its most subtle it's an instantaneous knowing shared by members of a group of the wisest course of action that will benefit all As Dery Dyer reveals collective intelligence still resides within each of us and it is the key to restoring balance and harmony to our world She shows how it occurs spontaneously when individuals who share a need and a purpose instinctively self organize into a group and function with no leader or central authority Such groups exhibit abilities much greater than what any of their members possess individually or what can be replicated with artificial intelligence Dyer explains due to an unquestioning dependence on technology modern humanity has forgotten how to connect with collective intelligence and fallen into collective stupidity otherwise known as mob mind or groupthink which is now endangering the interconnected web of life on Earth Drawing on recent findings in New Paradigm science traditional teachings from indigenous groups as well as sacred geometry deep ecology and expanded states of consciousness the author shows how the ability to think and act collectively for the highest good is hardwired in all living beings She explains how to release ourselves from enslavement by technology and use it more wisely toward the betterment of all life Underscoring the

vital importance of ceremony pilgrimage and initiation she offers ways for us to reconnect to the infinite source of wisdom that fuels collective intelligence and which manifests everywhere in the natural world Revealing that once we relearn how to hear the Earth we can heal the Earth Dyer shows how each of us has a vital role to play in restoring our world to wholeness

Beyond Conservation Peter Taylor, 2013 After decades of operating off the backfoot and protecting and conserving nature perceived as under threat conservationists are becoming proactive and creative in the face of habitat loss agricultural intensification and climate change *Beyond Conservation* offers a revolutionary agenda for both managing existing wildlands in Britain and for expanding and connecting such lands Central to this strategy is the imperative to rewild or restore and repair damaged habitat and ecosystems promote existing biodiversity and reintroduce vanished plant and animal species while working to reconcile human needs and livelihoods and the needs of nature

From Boys to Men Bret Stephenson, 2006-10-25 A guide to restoring the successful models used by ancient cultures the world over to raise adolescent boys Explains the negative effects of Western youth culture and how it can be transformed Offers instructions for integrating basic rites of passage into modern family life and youth programs For tens of thousands of years all across the

globe societies have been coping with raising adolescents Why is it then that native cultures never had the need for juvenile halls residential treatment centers mood altering drugs or boot camps How did they avoid the high incidence of teen violence America is experiencing and how did they prevent their youth from relying on drugs and alcohol the use of which has become so prevalent in Western society In *From Boys to Men* Bret Stephenson shows readers that older cultures didn't magically avoid adolescence instead they developed successful rituals and rites of passage for sculpting teen boys into healthy young men From Aleutian Eskimos to Polynesian Islanders from tribal Africans to Australian Aborigines each culture found archetypal ways to initiate their boys into the adult community Stephenson explains the basics of rites of passage and offers insight into how to reintroduce these successful practices and traditional understandings into modern family life and programs for youth He discusses the damaging effects of our youth culture and the negative teen products that are fueled by corporate America and reveals how we can counteract these negative forces by using meaningful rites of passage to create a society with happy and healthy adolescent boys

The Unlikely Peace at Cuchumaquic Martín Prechtel, 2012-01-31 Martín Prechtel's experiences growing up on a Pueblo Indian reservation his years of apprenticing to a Guatemalan shaman and his flight from Guatemala's brutal civil war to life in the U.S. inform this lyrical blend of memoir cultural commentary and spiritual call to arms *The Unlikely Peace at Cuchumaquic* is both an epic story and a cry to the heart of humanity based on the author's realization that human survival depends on keeping alive the seeds of our original forgotten spiritual excellence Prechtel relates our current state of ecological crisis to the rapid disappearance of biodiversity indigenous cultures and shared human values He demonstrates how real human culture is exterminated when real not genetically modified seeds are lost Like plants that become extinct once their required conditions are no longer met authentic unmonetized human cultures can no longer survive in the modern world To keep the seeds alive both literally and metaphorically they must be planted harvested and replanted just as human culture must become truly engaging and meaningful to the soul as necessary as food is to the body The viable seeds of spirituality and culture that lie dormant within us need to sprout into broad daylight to create real sets of cultures welcome on Earth
