Internet *Our Fathers* Steven L. Shepherd, 2002-07-26 No one questions that men are profoundly influenced by their fathers but the shape and substance of that influence varies with each family In this the first anthology of nonfiction prose to explore this issue in depth editor Steven Shepherd has collected a diverse and invariably compelling group of narratives about sons and their fathers Fourteen excellent essays by some of our best writers says Anne Morris of the *Austin American Statesman* Among the contributors James Baldwin who reflects in his classic *Notes of a Native Son* on the father he barely knew partly because we shared in our different fashions the vice of stubborn pride The brothers Geoffrey and Tobias Wolff who write of their father from dramatically different perspectives A second generation undertaker Thomas Lynch who writes lovingly of burying his father And the acclaimed scholar of African American culture Henry Louis Gates Jr who grew up with a father who was not a race man yet their arguments were vital to the son's education Swift's Satires on Modernism: Battlegrounds of Reading and Writing G. Atkins, 2012-12-17 More than three centuries later Jonathan Swift's writing remains striking and relevant In this engaging study Atkins brings forty plus years of critical experience to bear on some of the greatest satires ever written revealing new contexts for understanding post Reformation reading practices and the development of the modern personal essay **Turning to Earth** F. Marina Schauffler, 2003 Turning to Earth offers a window into the heart of environmental change moving beyond the culture's traditional reliance on policy reforms and technological measures It charts the course of ecological conversion a dynamic inner process by which people come to ally themselves with the natural world and speak out on its behalf Stories by ecological converts illuminate a critical realm long neglected by environmental scholars and activists how the terrain of spirit psyche and conscience shape our commitment to Earth Marina Schauffler's engaging exploration of inner ecology deftly weaves together numerous autobiographical accounts with insights from the fields of ecocriticism ecopsychology environmental philosophy and environmental education An opening portrait of the writer and activist Terry Tempest Williams traces her deepening devotion to Earth Each subsequent chapter explores a key element of ecological conversion drawing primarily on the personal testimony of Williams and five other pioneering writers Rachel Carson Alice Walker Edward Abbey Scott Russell Sanders and N Scott Momaday Turning to Earth extends the parameters of contemporary environmental discussion by illustrating how substantive change hinges not just on political and institutional reforms but also on profound inner transformation The compelling life narratives of ecological converts provide inspiration and direction for the growing number of activists educators scholars and citizens committed to changing the world from the inside out **Tracing the Essay** G. Douglas Atkins, 2005-12-01 The essay as a notably hard form of writing to pin down has inspired some unflattering descriptions It is a greased pig for example or a pair of baggy pants into which nearly anything and everything can fit In Tracing the Essay G Douglas Atkins embraces the very qualities that have moved others to accord the essay second class citizenship in the world of letters Drawing from the work of Montaigne and Bacon and recent practitioners such as E B White and Cynthia Ozick Atkins shows what the essay means and

how it comes to mean The essay related to assaying attempting mines experience for meaning which it then carefully weighs It is a via media creature says Atkins born of and embracing tension It exists in places between experience and meaning literature and philosophy self and other process and product form and formlessness Moreover as a literary form the essay is inseparable from a way of life requiring wisdom modesty and honesty The essay was historically notes Atkins the first form to take the experience of the individual and make it the stuff of literature Atkins also considers the essay s basis in Renaissance and Reformation thinking and its participation in voyages of exploration and discovery of that age Its concern is home cosmography to use a term from seventeenth century writer William Habington Responding to influential critiques of the essay s supposed self indulgence lack of irony and absence of form Atkins argues that the essay exhibits a certain sneakiness as it proceeds in through and by means of the small and the mundane toward the spiritual and the revelatory

*Shaped by Stories* Marshall Gregory,1997-09-01 In his latest book Marshall Gregory begins with the premise that our lives are saturated with stories ranging from magazines books films television and blogs to the words spoken by politicians pastors and teachers He then explores the ethical implication of this nearly universal human obsession with narratives Through careful readings of Katherine Anne Porter s *The Graveyard Book* Thurber s *The Catbird Seat* as well as *David Copperfield* and *Wuthering Heights* Gregory asks and answers the question How do the stories we absorb in our daily lives influence the kinds of persons we turn out to be *Shaped by Stories* is accessible to anyone interested in ethics popular culture and education It will encourage students and teachers to become more thoughtful and perceptive readers of stories

**Reading Essays** G. Douglas Atkins,2010-01-25 Approaches abound to help us beneficially enjoyably read fiction poetry and drama Here for the first time is a book that aims to do the same for the essay G Douglas Atkins performs sustained readings of more than twenty five major essays explaining how we can appreciate and understand what this currently resurgent literary form reveals about the art of living Atkins s readings cover a wide spectrum of writers in the English language and his readings are themselves essays gracefully written engaged and engaging Atkins starts with the earliest British practitioners of the form including Francis Bacon John Dryden Alexander Pope and Samuel Johnson Transcendentalist writers Henry David Thoreau and Ralph Waldo Emerson are included as are works by Americans James Baldwin Zora Neale Hurston and E B White Atkins also provides readings of a number of contemporary essayists among them Annie Dillard Scott Russell Sanders and Cynthia Ozick Many of the readings are of essays that Atkins has used successfully in the classroom with undergraduate and graduate students for many years In his introduction Atkins offers practical advice on the specific demands essays make and the unique opportunities they offer especially for college courses The book ends with a note on the writing of essays furthering the author s contention that reading should not be separated from writing *Reading Essays* continues in the tradition of such definitive texts as *Understanding Poetry* and *Understanding Fiction* Throughout Atkins reveals the joy delight grace freedom and wisdom of the glorious essay

**Essayists on the Essay** Carl H. Klaus,Ned Stuckey-French,2012-03-15 The first

historically and internationally comprehensive collection of its kind *Essayists on the Essay* is a path breaking work that is nothing less than a richly varied sourcebook for anyone interested in the theory practice and art of the essay This unique work includes a selection of fifty distinctive pieces by American Canadian English European and South American essayists from Montaigne to the present many of which have not previously been anthologized or translated as well as a detailed bibliographical and thematic guide to hundreds of additional works about the essay From a buoyant introduction that provides a sweeping historical and analytic overview of essayists thinking about their genre a collective poetics of the essay to the detailed headnotes offering pointed information about both the essayists themselves and the anthologized selections to the richly detailed bibliographic sections *Essayists on the Essay* is essential to anyone who cares about the form This collection provides teachers scholars essayists and readers with the materials they need to take a fresh look at this important but often overlooked form that has for too long been relegated to the role of service genre used primarily to write about other more literary genres or to teach young people how to write Here in a single celebratory volume are four centuries of commentary and theory reminding us of the essay s storied history its international appeal and its relationship not just with poetry and fiction but also with radio film video and new media

**Beyond Argument** Sarah Allen, 2015-04-01 *Beyond Argument* offers an in depth examination of how current ways of thinking about the writer page relation in personal essays can be reconceived according to practices in the care of the self an ethic by which writers such as Seneca Montaigne and Nietzsche lived This approach promises to revitalize the form and address many of the concerns expressed by essay scholars and writers regarding the lack of rigorous exploration we see in our students personal essays and sometimes even in our own In pursuing this approach Sarah Allen presents a version of subjectivity that enables productive debate in the essay among essays and beyond

*Bringing Learning to Life* Louise Boyd Cadwell, 2003 Building on her enormously popular book *Bringing Reggio Emilia Home* Louise Cadwell helps American educators understand what it means to use ideas from the Reggio Approach in their classrooms In new and dynamic ways Cadwell once again takes readers inside the day to day practice of a group of early childhood educators This time she describes the growth and evolution of the work in the St Louis Reggio Collaborative over the past 10 years

*The Land We Share* Eric T. Freyfogle, 2003-08-08 Is private ownership an inviolate right that individuals can wield as they see fit Or is it better understood in more collective terms as an institution that communities reshape over time to promote evolving goals What should it mean to be a private landowner in an age of sprawling growth and declining biological diversity These provocative questions lie at the heart of this perceptive and wide ranging new book by legal scholar and conservationist Eric Freyfogle Bringing together insights from history law philosophy and ecology Freyfogle undertakes a fascinating inquiry into the ownership of nature leading us behind publicized and contentious disputes over open space regulation wetlands protection and wildlife habitat to reveal the foundations of and changing ideas about private ownership in America Drawing upon ideas from Thomas Jefferson Henry George and Aldo

Leopold and interweaving engaging accounts of actual disputes over land use issues Freyfogle develops a powerful vision of what private ownership in America could mean an ownership system fair to owners and taxpayers alike that fosters healthy land and healthy economies
