Secular Sanctity:

Secular Sanctity Edward M. Hays, 1980-01-01 *Secular Sanctity* Edward Hays, 1984-11 This wise and practical handbook for seeking the sacred in the secular world offers you 18 challenging essays on finding holiness in such everyday areas of life as organic reading hospitality sexual spirituality music letter writing work sacred idleness and meditation

Borderlands Saints Desirée A. Martín, 2013-12-19 In *Borderlands Saints* Desirée A. Martín examines the rise and fall of popular saints and saint-like figures in the borderlands of the United States and Mexico Focusing specifically on Teresa Urrea La Santa de Cabora Pancho Villa César Chavez Subcomandante Marcos and Santa Muerte she traces the intersections of these figures their devotees artistic representations and dominant institutions with an eye for the ways in which such unofficial saints mirror traditional spiritual practices and serve specific cultural needs Popular spirituality of this kind engages the use and exchange of relics faith healing pilgrimages and spirit possession exemplifying the contradictions between high and popular culture human and divine and secular and sacred Martín focuses upon a wide range of Mexican and Chicano cultural works drawn from the nineteenth century to the present covering such diverse genres as the novel the communique drama the essay or cinematic film and contemporary digital media She argues that spiritual practice is often represented as narrative while narrative whether literary historical visual or oral may modify or even function as devotional practice

Secularism in French Cultural Discourse Vincenzo Pacillo, 2024-11-10 This book explores the interplay between literature and law showing how writers from Victor Hugo to Annie Ernaux have influenced and reflected changes in secularism The book examines pivotal moments like the Dreyfus Affair intellectuals' roles during the World Wars and French socio-political shifts highlighting literature's engagement with religious freedom church-state separation and equality Focusing on post-1964 developments it discusses the rise of the specific intellectual and integrates philosophical and sociological insights into literary analysis offering a comprehensive view of laïcité beyond legal interpretations This multidisciplinary approach reveals how literature and intellectual thought have shaped and defended secularism in France Aimed at scholars and enthusiasts of law literature history and politics this book is essential for understanding the cultural political and legal dynamics of contemporary French secularism

The Philosophy and Practice of Medicine and Bioethics Barbara Maier, Warren A. Shibles, 2010-11-03 This book challenges the unchallenged methods in medicine such as evidence-based medicine which claim to be but often are not scientific It completes medical care by adding the comprehensive humanistic perspectives and philosophy of medicine No specific or absolute recommendations are given regarding medical treatment moral approaches or legal advice Given rather is discussion about each issue involved and the strongest arguments indicated Each argument is subject to further critical analysis This is the same position as with any philosophical medical or scientific view The argument that decision making in medicine is inadequate unless grounded on a philosophy of medicine is not meant to include all of philosophy and every philosopher On the contrary it includes only sound practical and humanistic

philosophy and philosophers who are creative and critical thinkers and who have concerned themselves with the topics relevant to medicine These would be those philosophers who engage in practical philosophy such as the pragmatists humanists naturalists and ordinary language philosophers A new definition of our own philosophy of life emerges and it is necessary to have one Good lifestyle no longer means just abstaining from cigarettes alcohol and getting exercise It also means living a holistic life which includes all of one s thinking personality and actions This book also includes new ways of thinking In this regard the Metaphorical Method is explained used and exemplified in depth for example in the chapters on care egoism and altruism letting die etc

Ethics and Reality Jenny Teichman,2019-01-15 Published in 2001 Ethics and Reality presents a new collection of Jenny Teichman s most important essays across a wide spectrum of ethical issues Teichman explores a range of human problems including war and peace tyranny and terrorism sex and gender and life and death Focusing particularly on philosophical scepticism and reality Teichman argues that if scepticism is irrefutable then ethical reasoning has no connection with reality and what look like genuine human dilemmas must be purely imaginary The essays in the first part of this book are intended to show that scepticism can be rebutted those in the second and third sections exemplify the application of moral reasoning to inescapable quandaries

Lost Saints Tricia A. Lootens,1996 They also carry long standing struggles over femininity and sanctity into new highly charged secular contexts

A People's Church Agostino Paravicini Bagliani,Neslihan Şenocak,2023-06-15 A People s Church brings together a distinguished international group of historians to provide a sweeping introduction to Christian religious life and institutions in medieval Italy Each essay treats a single theme as broadly as possible highlighting both the unique aspects of medieval Christianity on the Italian peninsula and the beliefs and practices it shared with other Christian societies Because of its long tradition of communal self governance Christianity in medieval Italy perhaps more than anywhere else was truly a people s church At the same time its exceptional urban wealth and literacy rates along with its rich and varied intellectual and artistic culture led to diverse forms of religious devotion and institutions Contributors Maria Pia Alberzoni on heresy Frances Andrews on urban religion Cécile Caby on monasticism Giovanna Casagrande on mendicants George Dameron on Florence Antonella Degl Innocenti on saints Marina Gazzini on lay confraternities Maureen C Miller on bishops Agostino Paravicini Bagliani and Pietro Silanos on the papacy and Italian politics Antonio Rigo on clerical confraternities Neslihan Şenocak on the pievi and care of souls Giovanni Vitolo on Naples

The Anthology in Jewish Literature David Stern,2004-10-07 The anthology is a ubiquitous presence in Jewish literature arguably its oldest literary genre going back to the Bible itself and including nearly all the canonical texts of Judaism the Mishnah the Talmud classical midrash and the prayerbook In the Middle Ages the anthology became the primary medium in Jewish culture for recording stories poems and interpretations of classical texts In modernity the genre is transformed into a decisive instrument for cultural retrieval and re creation especially in works of the Zionist project and in modern Yiddish and Hebrew literature No less importantly the anthology has played an indispensable

role in the creation of significant fields of research in Jewish studies including Hebrew poetry folklore and popular culture This volume is the first book to bring together scholarly and critical essays that investigate the anthological character of these works and what might be called the anthological habit in Jewish literary culture the tendency and proclivity for gathering together discrete sometimes conflicting traditions and stories and preserving them side by side as though there were no difference conflict or ambiguity between them Indeed The Anthology in Jewish Literature is the first book to recognize this habit and genre as one of the formative categories in Jewish literature and to investigate its manifold roles The seventeen essays each of which focuses on a specific literary work many of them the great classics of Jewish tradition consider such questions as What are the many types of anthologies How have anthologists editors even printers of anthologies been creative shapers of Jewish tradition and culture What can we learn from their editorial practices How have politics gender and class figured into the making of anthologies What determinative role has the anthology played in creating the Jewish canon How has the anthology served especially in the modern period to create and recreate Jewish culture This landmark volume will interest educated laypersons as well as scholars in all areas of Jewish literature and culture as well as students of world literature and cultural studies

Tolerance : Experiments with Freedom in the Netherlands Cees Maris, 2018-08-27 This book presents a collection of philosophical essays on freedom and tolerance in the Netherlands It explores liberal freedom and its limits in areas such as freedom of speech public reason sexual morality euthanasia drugs policy and minority rights The book takes Dutch practices as exemplary test cases for the principled discussions on these subjects from the perspective of political liberalism Indeed the Netherlands may be viewed as a social laboratory in human tolerance During the Cultural Revolution of the 1960s Holland took the lead in a global emancipation process towards a society based on equal freedom It was the first country to legalize euthanasia soft drugs and gay marriage In the final sections the book examines the question of whether the political murders on the politician Pim Fortuyn and the film director Theo van Gogh the reactions to Ayaan Hirsi Ali s film Submission as well as the success of the populist politician Geert Wilders are signs of the end of Dutch tolerance Although it recognizes that the political climate has taken a conservative turn the book shows that the Netherlands still shows remarkable tolerance

Roberto Rossellini David Forgacs, Sarah Lutton, Geoffrey Nowell-Smith, 2019-07-25 A master of modern European cinema and a key figure in the Italian neorealist movement Roberto Rossellini had one of the longest and most varied careers of all major directors From Rome Open City and Pais through to the Bergman classics Stromboli and Journey to Italy and his later work for television Rossellini s work and ideas had a profound influence on filmmaking and criticism This specially commissioned overview of Rossellini s works examines key issues and themes covering all phases of his career Leading critics from across the world examine among other issues the Fascist context of Rossellini s early work the view of Europe that emerges in his films the stylistic trajectory of the work through neorealism and beyond and its influence on the French New Wave the issues of representation that emerge in

later films and his extensive work for television The significance of Rossellini s relationships with Ingrid Bergman and Anna Magnani is discussed and the book also includes a dossier section of materials providing an overview of the most important facts and documents concerning the director The Making and Unmaking of a Saint Mathew Kuefler,2014-01-15 Includes English translation of the Vita Geraldi brevior Gnosis and the Theocrats from Mars Francesca Aran Murphy,2020-11-12 This book provides a creative and highly imaginative critical theological genealogy of modern secular reason and the nature of modernity more generally Francesca Murphy offers a critical perspective that shapes the exploration of modernity driven by Catholic traditions and sources Murphy s method is unique she uses artificial intelligence as her framing parable analyzing the nature and limits of the robotic reasoning of several AI characters Pistis Gnosis and Cultus This enables her to develop several interrelated themes with further didactic chapters offering a mytho poetic retelling of human history Her reflections on the absence of creativity and any meaningful relation to time further renders an acute critique of the limits of technological rationality The end result is an unusual and compelling exploration of rationality and fundamental theological anthropology **Medieval Saints and their Sins** Luke Daly,2024-08-30 Explore the vibrant tapestry of the Middle Ages through the lives of medieval saints revealing intimate perspectives on faith fear and societal change while delving into topics resonant with today s world Step into the captivating world of the Middle Ages with Saints and Sinners a groundbreaking exploration of history like no other In this remarkable narrative each chapter takes you on an immersive journey through time unveiling the vibrant tapestry of events that shaped the medieval era told through the stories of Medieval Saints who experienced them Gone are the distant voices of emperors and kings instead we hear from ordinary people who witnessed the world around them sharing their intimate thoughts fears and attitudes towards world changing events Experience the gripping anxiety fear and paranoia that accompanied threats to the kingdom of heaven as these saints fought to defend and restore their faith But as the Church solidifies its position discover how saints were then utilised as instruments of control to shape public order Saints and Sinners goes beyond a mere historical account delving into topics that resonate with today s world Uncover the incredible history of Ethiopia once a magnificent empire that fell into despair at the hands of Christianity shedding light on Black History delve into the history of gender and sexuality through the misogynistic St Cuthbert and worship of trans saint Wilgefortis and witness the fight for equality in indigenous populations in the Americas through St Louis Bertrand Through these stories saints become a lens to examine the attitudes and complexities of their time Prepare to be enthralled as Saints and Sinners weaves together engaging narratives captivating miracles and enthralling stories of saints to produce a masterful retelling of the Middle Ages which not only satisfies the curiosity of general readers but also offers a deep understanding of the Middle Ages and Christianity s evolution Remembering for the Future J. Roth,E. Maxwell,2017-02-13 Focused on The Holocaust in an Age of Genocide Remembering for the Future brings together the work of nearly 200 scholars from more than 30 countries and features

cutting edge scholarship across a range of disciplines amounting to the most extensive and powerful reassessment of the Holocaust ever undertaken In addition to its international scope the project emphasizes that varied disciplinary perspectives are needed to analyze and to check the genocidal forces that have made the Twentieth century so deadly Historians and ethicists psychologists and literary scholars political scientists and theologians sociologists and philosophers all of these and more bring their expertise to bear on the Holocaust and genocide Their contributions show the new discoveries that are being made and the distinctive approaches that are being developed in the study of genocide focusing both on archival and oral evidence and on the religious and cultural representation of the Holocaust

Religious Men and Masculine Identity in the Middle Ages P. H. Cullum, Katherine J.

Lewis, 2013 Essays offering new approaches to the changing forms of medieval religious masculinity The complex relationship between masculinity and religion as experienced in both the secular and ecclesiastical worlds forms the focus for this volume whose range encompasses the rabbis of the Babylonian and Palestinian Talmud and moves via Carolingian and Norman France Siena Antioch and high and late medieval England to the eve of the Reformation Chapters investigate the creation and reconstitution of different expressions of masculine identity from the clerical enthusiasts for marriage to the lay practitioners of chastity from crusading bishops to holy kings They also consider the extent to which lay and clerical understandings of masculinity existed in an unstable dialectical relationship at times sharing similar features at others pointedly different co-opting and rejecting features of the other the articles show this interplay to be more far more complicated than a simple linear narrative of either increasing divergence or of clerical colonization of lay masculinity They also challenge conventional historiographies of the adoption of clerical celibacy of the decline of monasticism and the gendered nature of piety Patricia Cullum is Head of History at the University of Huddersfield Katherine J Lewis is Senior Lecturer in History at the University of Huddersfield Contributors James G Clark P H Cullum Kirsten A Fenton Joanna Huntington Katherine J Lewis Matthew Mesley Catherine Sanok Michael L Satlow Rachel Stone Jennifer D Thibodeaux Marita von Weissenberg

Regulating the End of Life Sue Westwood, 2021-09-09 *Regulating the End of Life* Death Rights is a collection of cutting edge chapters on assisted dying and euthanasia written by leading authors in the field Providing an overview of current regulation on assisted dying and euthanasia both in the UK and internationally this book also addresses the associated debates on ethical moral and rights issues It considers whether just as there is a right to life there should also be a right to death especially in the context of unbearable human suffering The unintended consequences of prohibitions on assisted dying and euthanasia are explored and the argument put forward that knowing one can choose when and how one dies can be life extending rather than life limiting Key critiques from feminist and disability studies are addressed The overarching theme of the collection is that death is an embodied right which we should be entitled to exercise with appropriate safeguards as and when we choose Making a novel contribution to the debate on assisted dying this interdisciplinary book will appeal to those with relevant interests in law socio legal studies applied ethics medical ethics politics philosophy and sociology

Rethinking Peter Singer Gordon R. Preece, 2002-01-01 Who is Peter Singer What does he say about issues like abortion infanticide euthanasia and animal rights What does he say about Christianity What exactly is his philosophy Peter Singer is probably the world's most famous or infamous contemporary philosopher says Gordon Preece Recently appointed as professor of bioethics at Princeton University's Center for Human Values Singer is best known for his book on animal rights *Animal Liberation* and for his philosophical text *Practical Ethics* But underneath his seemingly benign agenda lies perhaps the most radical challenge to Christian ethics proposed in recent times In *Rethinking Peter Singer* four of Singer's contemporaries fellow Australian scholars Gordon Preece Graham Cole Lindsay Wilson and Andrew

Sloane grapple with Singer's views respectfully but incisively. From a straightforwardly Christian perspective, they critique Singer's thought in four major areas: abortion and infanticide, euthanasia, animal rights, and Christianity. Rethinking Peter Singer is not only for those who want to understand Singer's views but also for all who want to challenge the thinking that more and more informs our society's stance on moral issues.
