Security And Arms Control In Post Confrontation Europe:

Security and Arms Control in Post-confrontation Europe Jenonne Walker, 1994 The new dangers and challenges to international security in Europe after the Cold War are examined in this book The changing nature of Europe's security problems has necessitated new thinking among both civilians and the military about arms control the problems it should address the purposes it should serve and even what should be called arms control today Arms control should be seen as encompassing all aspects of the military dimension of the endeavours to mitigate or mediate tensions within states and to keep them from turning violent It entails joint management of the cold war legacy of nuclear and conventional weapons Security and Arms Control in Post Confrontation Europe examines in particular the role which could and should be played by the Conference on Security and Co operation in Europe CSCE for the prevention of intra state armed conflicts *Historical Dictionary of Arms Control and Disarmament* Jeffrey A. Larsen, James M. Smith, 2005-03-25 Historical Dictionary of Arms Control and Disarmament also provides information that is comprehensible to all readers Jeffrey A Larsen and James M Smith present a context for the broader range of international relations at a given point in time extending the utility of the dictionary beyond just a narrow examination of arms control BOOK JACKET *Air University Library Index to Military Periodicals*, 1995

Ibss: Political Science: 1994 British Library of Political and Economic Science at the London School of Economics, 1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Arms Control, Disarmament, and the New World Order Rosemary Durward, 1995 **Weapons of Mass Destruction** Eric A. Croddey, James J. Wirtz, Jeffrey A. Larsen, 2004-12-22 The first accessible reference to cover the history context current issues and key concepts surrounding biological chemical and nuclear weapons A collection of information on everything from aerosols to zones of peace these two volumes cover historical background technology and strategic implications of biological chemical and nuclear weapons thus providing facts terms and context needed to participate in contemporary policy debate This encyclopedia is the only comprehensive reference dedicated to the three types of weapons of mass destruction With over 500 entries arranged alphabetically volume one covers biological and chemical weapons while volume two focuses on nuclear weapons Experts from eight countries cover issues related to these weapons policies strategies technologies delivery vehicles arms control concepts treaties and key historical figures and locations Entries are written to make difficult concepts easy to understand by cutting through military and scientific jargon Students lay readers scientists and government policy makers are provided with the broad range of information needed to place today's policy discussions in proper strategic or historical context Monthly Bibliography United Nations Library (Geneva, Switzerland), 1994 **Peace and Security in the Postmodern World** Dennis J.D. of International Affairs ,1994 *Russia and Europe: Conflict or Cooperation?* M. Webber,2000-07-12 This volume focuses on how Russian policy toward Europe and sometimes by extension the West more broadly has developed since the end of the Cold War and the disintegration of the Soviet Union It argues that important aspects of cooperation have endured in the relationship despite all the vicissitudes of Russian domestic politics and at a time of flux in the international relations of the European continent This cooperation has at times been fragile and has not prevented some obvious and deep seated disagreements It has however survived Indeed Russia and Europe have increasingly routinized their relationship in a range of formal multilateral institutions **Security and Defence Related Treaties of India** Brig (Retd)V P Malhotra,2010-12-23 The book covers all the Defence related treaties India has had through time *Global Insecurity* Mary Kaldor,2000-09-20 Introduces the reader to works in the Wallace Collection through the voice of its Director **Poland's Security Policy 1989-2000** Roman Kuźniar,2001 **State** ,1995 *Central and Eastern Europe* Regina Cowen Karp,1993

V The return of history **Encyclopedia of Violence, Peace, and Conflict** ,2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world

The Future of Transcaspian Security Stephen Blank,2002 This monograph explores the unprecedented opportunities that are now before the United States and recommends actions that the Government and armed forces especially but not only the U S Army should undertake to consolidate and extend the newly emerging military partnership and cooperative security

regime that are now developing Because the opportunities being presented to the United States and NATO were never possible before to this degree the proper way to exploit them will become a subject of debate **Reader's Guide to Military History** Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations North Atlantic Treaty Organization Phil Williams,2024-11-01 This volume consists of major books written in the English language on NATO as well as an extensive listing of journal articles that deal with various aspects of the Alliance All the major debates that have taken place over the last forty years are discussed **International Organizations Amid Global Crises** Diana Panke,Gordon M. Friedrichs,2024-10-23 International Organizations IOs have been at the forefront of responding to crises in the 21st century and yet there is little comparative research on how and how effectively they have done this This book fills this gap by exploring what roles IOs take in response to global crises and to what effect Bringing together a range of international contributors the book examines a vast array of international and regional organizations including the International Organization for Migration World Health Organization African Union and European Union Aiming to answer key questions about IO behaviour the book investigates these IOs responses to pressing issues including the global COVID 19 pandemic the liberal order and security and the climate crisis
