Security Litigations And Related Matters:

Private Litigation Under the Federal Securities Laws United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs. Subcommittee on Securities, 1994 *Global Securities Litigation and Enforcement* Pierre-Henri Conac, Martin Gelter, 2019-01-03 *Global Securities Litigation and Enforcement* provides a clear and exhaustive description of the national regime for the enforcement of securities legislation in cases of misrepresentation on financial markets It covers 29 jurisdictions worldwide some of them are important although their law is not well known It will be an invaluable resource for academics and students of securities litigation as well as for lawyers policy makers and regulators The book also provides a comprehensive contribution debate on whether public or private enforcement is preferable in terms of development of securities markets It will appeal to those interested in the legal origins theory and in comparative securities law and shows that the classification of jurisdictions within legal families does not explain the differences in legal regimes While US securities law often serves as a model for international convergence some of its elements such as securities class actions have not been adopted worldwide
