Security And Politics In The Nordic Area:

Security and Politics in the Nordic Area John Fitzmaurice, 1987 En britisk analyse af Nordens rolle og parlamentariske valg i forhold til konflikten mellem Sovjet og USA Is r sp rgsm l om neutralitet og medlemskab i internationale organisationer

Northern Security and Global Politics Ann-Sofie Dahl, Pauli Järvenpää, 2013-08-15 This book takes a comprehensive approach to security in the Nordic Baltic region studying how this region is affected by developments in the international system The advent of the new millennium coincided with the return of the High North to the world stage A number of factors have contributed to the increased international interest for the northern part of Europe climate change resulting in ice melting in Greenland and the Arctic and new resources and shipping routes opening up across the polar basin foremost among them The world is no longer unipolar and not yet multipolar but perhaps post unipolar indicating a period of flux and of declining US unipolar hegemony Drawing together contributions from key thinkers in the field Northern Security and Global Politics explores how this situation has affected the Nordic Baltic area by addressing two broad sets of questions First it examines what impact declining unipolarity with a geopolitical shift to Asia a reduced role for Europe in United States policy and a more assertive Russia will have on regional Nordic Baltic security Second it takes a closer look at how the regional actors respond to these changes in their strategic environment This book will be of much interest to students of Nordic and Baltic politics international security foreign policy and IR U.S. regional force application , *Scandinavian politics today* David Arter, 2013-01-18 This fully revised and updated second edition of Scandinavian politics today describes analyses and compares the contemporary politics and international relations of the five nation states of Denmark Finland Iceland Norway and Sweden and the three Home Rule territories of Greenland Faeroes and land that together make up the Nordic region Thirteen chapters cover Scandinavia past and present parties in developmental perspective the Scandinavian party system model the Nordic model of government the Nordic welfare model legislative executive relations in the region the changing security environment and the transition from Cold War security threats to the security challenges of today and a concluding chapter looks at regional co operation Nordic involvement in the European project and the Nordic states as moral superpowers The book will be of interest not only to students of Scandinavia but to those wishing to view Scandinavian politics and policy making in a wider comparative perspective Politics in Western Europe: Second Edition , **Stability and Security in the Baltic Sea Region** Olav Fagelund Knudsen, 2013-11-05 The book examines the security puzzles posed by the remaining legacies of dominance and conflict in the Baltic Sea region as governments seek to integrate the three Baltic sates in a more stable system of cooperative security The Politics of Security Sector Reform Magnus Ekengren, 2016-02-24 Security Sector Reform SSR is increasingly becoming a cornerstone in international security and development cooperation Indeed the concept has often been seen as a panacea for many of the biggest threats to the world such as failed states terrorism and poverty In particular this book focuses on the complexities of implementation of SSR

across the globe and the actual and potential role for the European Union EU to play in SSR As suggested in the title of the book this involves not only opportunities but challenges to be overcome as well There are three core themes to this book Policy Policies and Practice By presenting the themes in this particular order a greater appreciation of the influences on the process of SSR from conception to implementation is relayed to the reader This volume appeals to audiences interested in the EU as a global actor and the interrelationships between foreign security defence and development policies *Society, Environment and Human Security in the Arctic Barents Region* Kamrul Hossain, Dorothée Cambou, 2018-05-20 The Arctic Barents Region is facing numerous pressures from a variety of sources including the effect of environmental changes and extractive industrial developments The threats arising out of these pressures result in human security challenges This book analyses the formation and promotion of societal security within the context of the Arctic Barents Region It applies the human security framework which has increasingly gained currency at the UN level since 1994 UNDP as a tool to provide answers to many questions that face the Barents population today The study explores human security dimensions such as environmental security economic security health food water energy communities political security and digital security in order to assess the current challenges that the Barents population experiences today or may encounter in the future In doing so the book develops a comprehensive analysis of vulnerabilities challenges and needs in the Barents Region and provides recommendations for new strategies to tackle insecurity and improve the wellbeing of both indigenous and local communities This book will be a valuable tool for academics policy makers and students interested in environmental and human security sustainable development environmental studies and the Arctic and Barents Region in particular The Intergovernmental Conference on Political Union Finn Laursen, Sophie Vanhoonacker, 2023-12-11 The radical changes taking place in the international scene during the late 1980s have presented the European Communities with important new challenges The twelve Member States agreed that the only way to respond effectively to this new situation was to speed up the European integration process and in December 1990 two Intergovernmental Conferences were inaugurated focusing respectively on the development of an Economic and Monetary Union and a Political Union It was the difficult task of the Luxembourg and Dutch Presidencies to channel the often very diverging positions of the different actors in the process into one coherent set of amendments to the Treaties forming the European Communities This publication examines the positions which the different Member States the Commission and the European Parliament have been defending in the Intergovernmental Conference on Political Union and more particularly with regard to one of the most sensitive topics under discussion namely the development of a Common Foreign and Security Policy CFSP The introduction places the debate on the development of a Political Union and a CFSP in an historical perspective and gives an overview of the progression of the negotiations The concluding chapter presents a general framework for better understanding of the course and results of the negotiations and a critical evaluation of the outcome The annexes reproduce the main proposals on the development of a CFSP submitted to

the Conference **Rethinking Security in Post-Cold-War Europe** William Park,G.Wyn Rees,2014-06-11 Provides a survey of the principal items on the agenda following the end of the Cold War focusing upon the institutions and regions where the reconsideration of security issues has been particularly profound The book is organised into three main sections the first examines the changed roles of the main security institutions which have survived the Cold War NATO the European Union Western European Union and the Organisation for Security and Cooperation in Europe The second analyses the Central European countries Russia and States of the former Soviet Union in terms of their ideologies political structures and relationships of the Cold War period Lastly the text examines the northern and southern regions of Europe where quite different perspectives and agendas are concerned **Coexistence, Cooperation and Common Security** Joseph Rotblat,Laszlo Valki,1988-07-29 To remove the threat of nuclear annihilation changes in attitudes are required such as the acceptance of the concept of common security to take the place of reliance on nuclear deterrence to keep the peace This book gives an insight into thinking about ways to deal with the crisis **Small States and International Security** Clive Archer,Alyson J.K. Bailes,Anders Wivel,2014-03-14 This book explains what small states are and explores their current security challenges in general terms and through specific examples It reflects the shift from traditional security definitions emphasizing defence and armaments to new security concerns such as economic societal and environmental security where institutional cooperation looms larger These complex issues linked with traditional power relations and new types of actors need to be tackled with due regard to democracy and good governance Key policy challenges for small states are examined and applied in the regional case studies The book deals mainly with the current experience and recent past of such states but also offers insights for their future policies Although many of the states covered are European the study also includes African Caribbean and Asian small states Their particular interest and relevance is outlined as is the connection between their security challenges and their smallness Policy lessons for other states are then sought The book is the first in depth multi continent study of security as an aspect of small state governance today It is novel in placing the security dilemmas of small states in the context of wider ideas on international and institutional change and in dealing with non European states and regions **Nordic Peace in Question** Christopher S. Browning,Marko Lehti,Johan Strang,2024-07-18 This book explores historically and theoretically Nordic peace as a marker of identification ontological in security and regional branding It emphasizes how conceptions of Nordic peace have been translated into policy practices and how it has maintained its relevance over time The book distinguishes between the Nordic region as a region of peace a prime example of a Deutschian security community and as a region for peace cultivating the role of a global humanitarian norm promoter and peacebuilder but also interrogating how these two understandings of Nordic peace have been mutually constitutive and interdependent The book discusses the politics of Nordic peace analyzing what the concept does and enables and why it continues to endure and exert affective appeal Furthermore it considers contemporary challenges not least connected to the implications of the

war in Ukraine but also the potential future opportunities facing ideas of Nordic peace as Nordic peace is refashioned once again towards a new regional and global context This book will be of key interest to scholars and students of Peace Research Nordic or Scandinavian Studies History Nationalism Studies Critical Security Studies and International Relations The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Nordic Cooperation Johan Strang, 2015-07-16 The recent crises in global economy and in European integration have caused a considerable revival of interest in the Nordic Welfare Model However less attention has been given to the ways in which the nations that form Scandinavia or Norden are connected through various forms of inter and transnational cooperation With contributions from a team of experts in the field this volume analyses Nordic cooperation in a European perspective and argues that this special form of transnational cooperation has been crucial in the development of the Nordic Welfare Model In addition it also contends that the Nordic model of transnational cooperation is a relevant case study when pondering the present problems of European integration This text will be of key interest to students researchers and policy makers studying the Nordic Model and transnational cooperation and more generally to those interested in European studies Scandinavian studies welfare studies international relations and regional integration

European Security Bjørn Møller, 2016-04-22 Europe has undergone quite profound changes since the end of the Cold War Having been a highly militarised conflict ridden and war ridden region the core of Europe today constitutes a security community where armed conflicts among the constituent states has become inconceivable This comprehensive book offers a theoretically founded and thoroughly documented analysis of European security with a special emphasis on the role played by the United Nations and the various regional and sub regional organisations especially the North Atlantic Treaty Organisation the Organisation for Security and Cooperation in Europe the Council of Europe and the European Union When it comes to explaining peace in Europe opinions differ widely Some argue that it was only because the West refused to give in to Soviet threats that the latter eventually gave up or that the long peace in Europe was due to the combination of a bipolar alliance structure pitting the North Atlantic Treaty Organisation NATO against the Warsaw Pact with the presence of nuclear weapons on both sides Others point instead to the extraordinarily dense network of international institutions and organisations in Europe offering a wide panoply of fora in which to handle disputes peacefully or to the web of interdependence in economic and other affairs tying together all states in Europe in relations which militate strongly against war Still others believe that the external peace between the states in Europe is simply a reflection of a convergence of cultures democracies with marked economies that are open towards the world market These questions are the focal point of this book which concentrates on security albeit not in the sense of being a treatise on military matters but security obtainable by much more indirect and non military means It will be required reading for all students and scholars of European security and the organisations which underpin it

Post-Cold War Identity Politics

Marko Lehti, David J Smith, 2004-11-23 During the past decade northern Europe has started to assume an identity of its own Categories of East and West have become blurred challenging as well the idea of what it means to be Nordic Post Cold War Identity Politics maps this process in Scandinavia Looking at projects designed to help regional development in the Nordic countries it assesses whether a new way of defining Northernness is emerging The book highlights the existence of co existing and to some extent competing region building projects in northern Europe It demonstrates how they are all efforts by existing nations to redefine their role in Europe at a time of change and points to how they might develop in the future

Arctic Security in an Age of Climate Change James Kraska, 2011-07-25 This book examines Arctic defense policy and military security from the perspective of all eight Arctic states In light of climate change and melting ice in the Arctic Ocean Canada Russia Denmark Greenland Norway and the United States as well as Iceland Sweden and Finland are grappling with an emerging Arctic security paradigm This volume brings together the world's most seasoned Arctic political military experts from Europe and North America to analyze how Arctic nations are adapting their security postures to accommodate increased shipping expanding naval presence and energy and mineral development in the polar region The book analyzes the ascent of Russia as the first Arctic superpower the growing importance of polar security for NATO and the Nordic states and the increasing role of Canada and the United States in the region NATO (Not for Individual Sale) G. Schmidt, 2019-06-12

NATO The First 50 Years offers the first comprehensive study of the institution's activities and development over the past five decades Written by a team of international scholars it analyses the factors which have made NATO the most successful politico military alliance in history It also addresses the perennial problems of transatlantic relationships the problems that the Alliance grapples with today A wide ranging and masterful survey NATO The First 50 Years will be a useful reference work for researchers as well as an accessible guide for students *Britain and N. A. T. O.'s Northern Flank* Geoffrey

Till, 1988-06-18 **Security of the Northern Flank and the Baltic Approaches**, 1986

might not be the Security And Politics In The Nordic Area full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Security And Politics In The Nordic Area eBooks, including some popular titles.

FAQs About Security And Politics In The Nordic Area Books

What is a Security And Politics In The Nordic Area PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Security And Politics In The Nordic Area PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Security And Politics In The Nordic Area PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Security And Politics In The Nordic Area PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Security And Politics In The Nordic Area PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
