KIERKEGAARD**

*with a foreword by
john updike*

Seducers Diary

Søren Kierkegaard

Seducers Diary:

The Seducer's Diary Søren Kierkegaard, 2007-08-02 Johannes is an aesthete dedicated to creating the possibility of seduction through the careful manipulation of young women. He stealthily pursues the innocent Cordelia until she becomes increasingly drawn to him. But when she is ready to give herself completely, she realizes she may have got everything wrong. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to love's endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love. *The Seducer's Diary* Søren Kierkegaard, 2013-04-21 In the vast literature of love, *The Seducer's Diary* is an intricate curiosity, a feverishly intellectual attempt to reconstruct an erotic failure as a pedagogic success, a wound masked as a boast, observes John Updike in his foreword to Søren Kierkegaard's narrative. This work is a chapter from Kierkegaard's first major volume, *Either/Or*, springs from his relationship with his fiancée, Regine Olsen. Kierkegaard fell in love with the young woman ten years his junior, proposed to her, but then broke off their engagement a year later. This event affected Kierkegaard profoundly. Olsen became a muse for him, and a flood of volumes resulted. His attempt to set right in writing what he feels was a mistake in his relationship with Olsen taught him the secret of indirect communication. *The Seducer's Diary* then becomes Kierkegaard's attempt to portray himself as a scoundrel and thus make their break easier for her. Matters of marriage, the ethical versus the aesthetic, dread, and increasingly the severities of Christianity are pondered by Kierkegaard in this intense work. *Seducer's Diary* Spataro, Roberto Nicodemo (author), 1901

Taking Kierkegaard Back to Church Aaron P. Edwards, 2022-05-13 Søren Kierkegaard's vociferous attacks upon Christendom have hardly endeared him to the ecclesial establishment, yet the church continues to dismiss his paradoxical voice at its peril. This book moves beyond the ill-conceived postmodern interpretations of Kierkegaard's thought by illuminating his ecclesiological value through a distinctly kerygmatic lens. Kierkegaard's authorship demonstrated this mission in creative and arresting ways. His sharp critiques of academic theologians and duplicitous pastors remain starkly relevant today. Furthermore, his fascinating reflections on inconsequential sermons, biblical defamiliarity, indirect communication, pastoral correctivity, street preaching, revivalism, and even church furniture further illustrate the ways he sought to reimplant the gospel in a Christendom-poisoned church. Hearing Kierkegaard's ecclesiological voice afresh, we also see its surprising applicability to the post-Christendom situation, which may like to think it has moved on without him. This book will intrigue anyone interested in the fundamental questions of what it means to hear or not to hear the gospel today if we dare to allow our ears to do so. **Living Poetically** Sylvia Walsh, 2012-04-30 *Living Poetically* is the first book to focus primarily on Kierkegaard's existential aesthetics, as opposed to traditional aesthetic features of his writings, such as the use of pseudonyms, literary techniques, and figures, and literary criticism. *Living Poetically* traces the development of the concept of

the poetic in Kierkegaard's writings as that concept is worked out in an ethical religious perspective in contrast to the aesthetics of early German romanticism and Hegelian idealism Sylvia Walsh seeks to elucidate what it means in Kierkegaard's view to be an authentic poet in the form of a poetic writer and to clarify his own role as a Christian poet and writer as he understood it Walsh shows that in spite of strong criticisms made of the poetic in some of his writings Kierkegaard maintained a fundamentally positive understanding of the poetic as an essential ingredient in ethical and religious forms of life Walsh thus reclaims Kierkegaard as a poetic thinker and writer from those who would interpret him as an ironic practitioner of an aestheticism devoid of and detached from the ethical religious as well as from those who view him as rejecting the poetic and aesthetic on ethical or religious grounds Viewing contemporary postmodern feminism and deconstruction as advocating a romantic mode of living poetically Walsh concludes with a feminist reading of Kierkegaard that affirms both individuality and relatedness commonalities and differences between the self and others men and women for the fashioning of an authentic mode of living poetically in the present age

Diary of a Seducer Søren

Kierkegaard, 2006-02-20 Diary of a Seducer records Johannes's discovery of a girl with the Shakespearean name Cordelia whom he sets out to control Intricately meticulously cunningly the seduction proceeds No detail is too small to escape Johannes She sits on the sofa by the tea table and I sit on a chair at her side This position has an intimate quality and at the same time a detaching dignity Less erotic than an intellectual depiction of seduction Diary of a Seducer shows the casuist Kierkegaard in what he characterized as the aesthetic mode A new introduction by Michael Dirda puts this influential novella into high relief

Søren Kierkegaard Joakim Garff, 2013-10-31 The day will come when not only my writings but precisely my life the intriguing secret of all the machinery will be studied and studied Søren Kierkegaard's remarkable combination of genius and peculiarity made this a fair if arrogant prediction But Kierkegaard's life has been notoriously hard to study so complex was the web of fact and fiction in his work Joakim Garff's biography of Kierkegaard is thus a landmark achievement A seamless blend of history philosophy and psychological insight all conveyed with novelistic verve this is the most comprehensive and penetrating account yet written of the life and works of the enigmatic Dane who changed the course of intellectual history Garff portrays Kierkegaard not as the all controlling impresario behind some of the most important works of modern philosophy and religious thought books credited with founding existentialism and prefiguring postmodernism but rather as a man whose writings came to control him Kierkegaard saw himself as a vessel for his writings a tool in the hand of God and eventually as a martyr singled out to call for the end of Christendom Garff explores the events and relationships that formed Kierkegaard including his guilt ridden relationship with his father his rivalry with his brother and his famously tortured relationship with his fiancée Regine Olsen He recreates the squalor and splendor of Golden Age Copenhagen and the intellectual milieu in which Kierkegaard found himself increasingly embattled and mercilessly caricatured Acclaimed as a major cultural event on its publication in Denmark in 2000 this book here presented in an exceptionally crisp and elegant

translation will be the definitive account of Kierkegaard's life for years to come *Stalkers and Their Victims* Paul E. Mullen, Michele Pathé, Rosemary Purcell, 2000-04-27 This highly practical informative account is a must for anyone who deals with stalkers and their victims **Immediacy and Reflection in Kierkegaard's Thought** Paul Cruysberghs, Johan Taels, Karl Verstryngne, 2003 We live in a reflective age That is Søren Kierkegaard's overall conclusion when evaluating the time he lives in But his appraisal contains both approval and criticism On the one hand reflection is a necessary category to deal with the dynamics and the qualities of the modern age on the other hand it bears a great danger It is Kierkegaard's firm conviction that reflection should always relate to a kind of immediacy that safeguards it from becoming hollow and detached from our existential reality Throughout the voluminous and complex work of Kierkegaard the notions of immediacy and reflection play a crucial role They appear in such an early work as *From the Papers of One Still Living* as well as in the late *Anti Climacus* writings and indeed their significance or influence can be felt in all philosophical texts published in between That is not to say that the meaning of the notions is unequivocal After all Kierkegaard not only uses the terms in very divergent contexts but his own understanding of them appears to evolve quite strongly in the course of his oeuvre Moreover in spite of their clearly philosophical character the two notions play an unmistakable role in Kierkegaard's understanding of religion They appear frequently in the religious discourses indeed In short Kierkegaard's use of the notions of immediacy and reflection covers a broad array of meanings and interpretations The dialectics of immediacy and reflection of reflection killing immediacy and raising the question of the possibility of a new immediacy is the main theme of *Immediacy and Reflection in Kierkegaard's Thought* The book contains contributions authored by a number of well known Kierkegaard scholars Kierkegaard's theory of the existence spheres of life provides a first viewpoint on the interplay of immediacy and reflection Here the philosophical and pseudonymous writings are the main subject of research If on the other hand one pays a closer look at the significance of a second immediacy for a religious attitude to life The religious discourses come into play when the possibility of a second immediacy is taken into consideration In conclusion the theme of immediacy and reflection is connected to some important trends in the modern and contemporary era On the one hand it is linked to the philosophical influences Kierkegaard underwent e.g. from Hegel on the other hand Kierkegaard is confronted with later thinkers Heidegger in particular **The Seduction of Pessimism in the Novel** Tom Ribitzky, 2024-10-18 *The Seduction of Pessimism in the Novel* Eros Failure and the Quarrel with Philosophy explores the novel as a response to the Platonic myth that narrates the rift at the core of our being Eros is supposedly the consolation for this rift but the history of the novel documents its expression as one of frustrated desires neuroses anxieties and cosmic doom As if repeating the trauma from that original split in Plato a split that also divides philosophy from literature the novel treats eros as a site of loss and grief from the medieval romances to Goethe Brontë Proust Mann Woolf Lawrence and Nabokov The pessimism that emerges from this eros tells us something fundamental about who we are something that only the novel can say At a time when both education and leisure

are increasingly ignoring the novel's imperative to sit with ambiguity complexity and contingency and as we are hurtling toward a bleak future of climate catastrophe and political instability the novel is one of the last bastions of humanity even as it is quickly being eroded

The Diary of a Seducer Søren Kierkegaard, 2009 An intriguing investigation into love and manipulation from Kierkegaard's masterpiece Either Or

Kierkegaard's Journals and Notebooks, Volume 2 Søren Kierkegaard, 2015-06-22 Søren Kierkegaard 1813-55 published an extraordinary number of works during his lifetime but he left behind nearly as much unpublished writing most of which consists of what are called his journals and notebooks Volume 2 of this 11 volume edition of Kierkegaard's Journals and Notebooks includes materials from 1836 to 1846 a period that takes Kierkegaard from his student days to the peak of his activity as an author In addition to containing hundreds of Kierkegaard's reflections on philosophy theology literature and his own personal life these journals are the seedbed of many ideas and passages that later surfaced in Either Or Repetition Fear and Trembling Philosophical Fragments The Concept of Anxiety Stages on Life's Way Concluding Unscientific Postscript and a number of Edifying Discourses

Søren Kierkegaard Daniel W. Conway, K. E. Gover, 2002

Kierkegaard's Concept of the Interesting Anthony Eagan, 2024-07-31 Volume one of Søren Kierkegaard's Either Or explores the crisis of the modern secular void with its attendant doubt ennui and alienation from the first person perspective of an aesthete who lacking any epistemic or moral foundations grows increasingly obsessed with what he calls the interesting In a close explication of the history of that aesthetic concept and a thorough exegesis of this volume Kierkegaard's Concept of the Interesting The Aesthetic Gulf in Either Or I explores the aesthete's views on beauty opera and music tragedy and comedy time unhappiness the difference between suffering and pain boredom eroticism deception and seduction along with the ways in which these precipitate the ambition for increasingly interesting experiences In this examination Anthony Eagan thoroughly reveals Kierkegaard's own perspective on how an exclusively aesthetic attitude can lead to an ever more voracious tendency to interpret the world in a private self-defeating and unscrupulous fashion one arising from and ultimately leading to moral solipsism and despair This book develops a comprehensive understanding of Either Or I that is crucial for understanding the rest of Kierkegaard's authorship

Volume 19, Tome I: Kierkegaard Bibliography Peter Šajda, Jon Stewart, 2017-03-31 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I-V is dedicated to individual bibliographies organized according to specific language This includes extensive bibliographies of works on Kierkegaard in some 41 different languages Part II which covers Tomes VI-VII is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to

create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies Volume 8, Tome III: Kierkegaard's International Reception – The Near East, Asia, Australia and the Americas Jon Stewart, 2017-05-15 Although Kierkegaard's reception was initially more or less limited to Scandinavia it has for a long time now been a highly international affair As his writings were translated into different languages his reputation spread and he became read more and more by people increasingly distant from his native Denmark While in Scandinavia the attack on the Church in the last years of his life became something of a cause célèbre later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders As his reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world The three tomes of this volume attempt to record the history of this reception according to national and linguistic categories Tome III is the most geographically diverse covering the Near East Asia Australia and the Americas The section on the Near East features pioneering articles on the Kierkegaard reception in Israel Turkey Iran and the Arab world The next section dubbed Asia and Australia features articles on the long and rich traditions of Kierkegaard research in Japan and Korea along with the more recent ones in China and Australia A final section is dedicated to Americas with articles on Canada the United States hispanophone South America Mexico and Brazil **Kierkegaard's International Reception** Jon Stewart, Jon Bartley Stewart, 2009 Although Kierkegaard's reception was initially more or less limited to Scandinavia it has for a long time now been a highly international affair As his writings were translated into different languages his reputation spread and he became read more and more by people increasingly distant from his native Denmark While in Scandinavia the attack on the Church in the last years of his life became something of a cause célèbre later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders As his reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world The three tomes of this volume attempt to record the history of this reception according to national and linguistic categories Tome II covers the reception of Kierkegaard in Southern Central and Eastern Europe The first set of articles under the rubric Southern Europe covers Portugal Spain and Italy A number of common features were shared in these countries reception of Kierkegaard including a Catholic cultural context and a debt to the French reception The next rubric covers the rather heterogeneous group of countries designated here as Central Europe Hungary the Czech Republic Slovakia and Poland These countries are loosely bound in a cultural sense by their former affiliation with the Habsburg Empire and in a religious sense by their shared Catholicism Finally the Orthodox countries of Eastern Europe are represented with articles on Russia Bulgaria Serbia and Montenegro Macedonia and Romania *Karen Blixen's Existentialism* Lars Kaaber, 2023-10-11 This book investigates the writings of Karen Blixen Isak Dinesen from an existentialist angle Although it has not been subject to much study Blixen's

writing elegantly and subtly integrates the ideas of Kierkegaard Nietzsche and Sartre in a way that makes the philosophers more accessible to a wider audience However Blixen also offers her own ideas of the fundamental problem in existentialism how to arrive at an authentic identity through free individual choices or as Nietzsche put it how to become who you are On the whole Blixen s authorship can be seen as an existential study of the 20th century and the ways by which Western culture came to be what it is now In agreement with Nietzsche s statement that all philosophy is an involuntary autobiography this book also contains accounts of the lives of the three philosophers chiefly involved in this study **The Oxford Handbook of Kierkegaard** John Lippitt,George Pattison,2013-01-31 The Oxford Handbook of Kierkegaard brings together an outstanding selection of contemporary specialists and uniquely combines work on the background and context of Kierkegaard s writings exposition of his key ideas and a survey of his influence and heritage **Volume 17: Kierkegaard's Pseudonyms** Katalin Nun,Jon Stewart,2016-12-05 One of the elements that many readers admire in Kierkegaard s skill as a writer is his ability to create different voices and perspectives in his works Instead of unilaterally presenting clear cut doctrines and theses he confronts the reader with a range of personalities and figures who all espouse different views One important aspect of this play of perspectives is Kierkegaard s controversial use of pseudonyms The present volume is dedicated to exploring the different pseudonyms and authorial voices in Kierkegaard s writing The articles featured here try to explore each pseudonymous author as a literary figure and to explain what kind of a person is at issue in each of the pseudonymous works The hope is that by taking seriously each of these figures as individuals we will be able to gain new insights into the texts which they are ostensibly responsible for

Immerse yourself in heartwarming tales of love and emotion with Explore Love with is touching creation, Tender Moments: **Seducers Diary** . This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
