

A dreamlike forest scene. In the foreground, a large, vibrant pink flower with multiple petals and a yellow center is in sharp focus. The background is a misty, ethereal forest with tall trees and hanging moss. A bright, glowing orb of light, resembling a full moon or a magical light source, is visible through the branches in the upper right. Several hummingbirds are depicted in flight, their wings blurred, adding a sense of movement and magic to the scene. The overall atmosphere is surreal and ethereal.
