Seeds Of Change:

Seeds of Change Seeds of Change (Firm),1990 **The Seeds of Change** Galen Keith Thomas,2017-11-01 The Seeds of Change is a collection of inspired poems that help bring to life several of the key lessons taught within God's word the Holy Bible These poems combined with short lessons based on key verses of scripture illustrate some of the primary elements these lessons of verse are trying to convey So often people are interested to learn more about how the Bible relates to their personal lives and experiences but they really do not know where to begin or how to go about it The Seeds of Change can help show them just how to achieve that relationship The poems package these teaching in what some might consider a more palatable and relatable form while the passages from scripture illustrate just how the Bible relates to our everyday lives By first sharing the message in language familiar to most readers then exposing the reader to that same concept within the scriptures the reader begins to understand just how God intended the Bible to be used in our everyday lives In that sense the poems and scripture combine together to create the lessons of verse that plant God's seeds of change into the mind of the reader And as any follower of our Lord and savior Jesus the Christ knows when these seeds are planted within good ground they will not return void For He is the way the truth and the life and no one will reach the father except by him Seeds of Change Tim L. Adsit,2012-06 During a time of cultural revolution and civil war Reverends Glyn and Jean Adsit were missionaries in rural Hofei China The political unrest led to many harrowing experiences as the two were shot at arrested incarcerated and had to flee for their lives when caught in the middle of two advancing armies In his book Seeds of Change Dr Tim L Adsit tells the story of his parents time in China their struggles and their triumphs Adsit gives the reader the opportunity to relive the missionary lives of Reverends Glyn and Jean He provides a rare and unforgettable glimpse into day to day missionary life service and adventures One of the greatest contributions of this book is that it traces the general history of the Disciples of Christ missionary movement in China from 1886 to 1951 Also included are never before published primary sources to add to the history of the era and work on the mission field in China Here we have a story which began in a simpler more generous time It's a story about a couple who struggled like the rest of us with the common debilitating issues of life and yet made life long decisions flowing not from self interest but from compassion for others It's a love story not only of the deep selfless love that Glyn and Jean had for each other but the preeminent love they both had for Jesus Christ We don't get to read stories like this much anymore Chris Adsit Director of Disciplemakers International and Director of Resource Initiatives Military Ministry *Seeds of Change* John Wilker,2023-06-22 Change comes in all shapes and sizes and sometimes it finds you in the bar of a family friendly restaurant named after a day of the week Jax Naomi and the droids find themselves in an empire spanning game of cat and mouse against one of the biggest corporations in the empire While Jax struggles with some old traumas the team must keep an unwanted client alive and free him from a delivery he can't make Jax thought organized crime was tough He's never been on the wrong side of a mega corp until now LGBTQ Scifi Space Opera
