inquiry Grades 4-12      The Pacific Northwest Raymond D. Gastil, Barnett Singer, 2010-04-23 The Pacific Northwest for the purposes of this book mostly Oregon and Washington has sometimes been seen as lacking significant cultural history Home to idyllic environmental wonders the region has been plagued by the notion that the best and brightest often left in search of greater things that the mainstream world was thousands of miles away or at least as far south as California This book describes the Pacific Northwest's search for a regional identity from the first Indian-European contacts through the late twentieth century identifying those individuals and groups who at least struggled to give meaning to the Northwest experience It places particular emphasis on writers and other celebrated individuals in the arts detailing how their lives and works both reflected the region and also enhanced its sense of self      *Race for the Gold* Thorn Bacon, 2007 *Race for the Gold* is a novel based on the true story of Louis Remme a French Canadian cattle trader living in Oregon In February of 1855 Remme was a relatively rich man having deposited 12 500 in gold from the sale of his latest herd into the San Francisco branch of the Adams Express Company Bank The future seemed bright until a series of bank collapses cascaded and wiped out the Adams Express and with it all the money Remme had in the world But fate dealt Remme one last chance to save his fortune with no telegraph to warn them the only way for news to reach the Oregon branch of Adams Express so that they would not hand out any more money to depositors was by steamboat In a race against time Remme takes off on horseback through dangerous country would he make it to the bank in Oregon in time      Children's Books in Print, 2007, 2006      **The Horn Book Guide to Children's and Young Adult Books**, 2008      *Kate Winfield on the Oregon Trail* Peter Marshall, Anna Fishel, 2008 The dramatic story of a teenage girl's moral courage in confronting danger disease and death while taking part in the greatest human migration in world history In 1843 Kate is among those 300 000 Americans who will journey up to thousands of miles to the Oregon Territory in search of a better life Kate matures emotionally and spiritually and begins to dream of becoming a medical missionary to the Indians But that dream is challenged when a typhus epidemic threatens to wipe out the entire wagon train      Hard Road West Keith Heyer Meldahl, 2020-03-04 The dramatic journeys of the 19th century Gold Rush come to life in this geologist's tour of the American West and the events that shaped the land In 1848 news of the discovery of gold in California triggered an enormous wave of emigration toward the Pacific The dramatic terrain these settlers crossed is so familiar to us now that it is hard to imagine how frightening even godforsaken its sheer rock faces and barren deserts once seemed to them *Hard Road West* brings their perspective vividly to life weaving together the epic overland journey of the covered wagon trains and the compelling story of the landscape they encountered Taking readers along the 2 000 mile California Trail Keith Meldahl uses settler's diaries and letters as well as his own experiences on the trail to reveal how the geology and geography of the West shaped our nation's westward expansion He guides us through a landscape of sawtooth mountains following the meager streams that served as lifelines through an arid land all the way to California itself where colliding tectonic plates created breathtaking scenery and planted the gold that lured travelers
