

HOW THE SUPREME COURT NOMINATION PROCESS WORKS

THE *PRESIDENT* **NOMINATES** A CANDIDATE

THE *SENATE JUDICIARY COMMITTEE* **REVIEWS** THE NOMINEE

THE *FULL SENATE* **VOTES**

THEY SEND *THEIR RECOMMENDATION* TO THE FULL SENATE

THEY NOW REQUIRE **JUST 51 VOTES** TO CONFIRM A NOMINEE

Seeking Justice Fixing The Supreme Court Nomination Process

Vincent James Strickler

Seeking Justice Fixing The Supreme Court Nomination Process:

The Supreme Court Compendium Lee Epstein, Jeffrey A. Segal, Harold J. Spaeth, Thomas G. Walker, 2015-07-29 The Supreme Court Compendium provides historical and statistical information on the Supreme Court its institutional development caseload decision trends the background nomination and voting behavior of its justices its relationship with public governmental and other judicial bodies and its impact With over 180 tables and figures this new edition is intended to capture the full retrospective picture through the 2013 2014 term of the Roberts Court and the momentous decisions handed down within the last four years including *United States v Windsor* *National Federation of Independent Business v Sebelius* and *Shelby County v Holder* The Judicial Process Christopher P. Banks, David M. O'Brien, 2015-02-19 The Judicial Process Law Courts and Judicial Politics is an all new concise yet comprehensive core text that introduces students to the nature and significance of the judicial process in the United States and across the globe It is social scientific in its approach situating the role of the courts and their impact on public policy within a strong foundation in legal theory or political jurisprudence as well as legal scholarship Authors Christopher P Banks and David M O'Brien do not shy away from the politics of the judicial process and offer unique insight into cutting edge and highly relevant issues In its distinctive boxes Contemporary Controversies over Courts and In Comparative Perspective the text examines topics such as the dispute pyramid the law and morality of same sex marriages the hardball politics of judicial selection plea bargaining trends the right to counsel and pay as you go justice judicial decisions limiting the availability of class actions constitutional courts in Europe the judicial role in creating major social change and the role lawyers juries and alternative dispute resolution techniques play in the U S and throughout the world Photos cartoons charts and graphs are used throughout the text to facilitate student learning and highlight key aspects of the judicial process **Supreme Court Nominations: Presidential Nomination, the Judiciary Committee, Senate Consideration, Cloture, and the Use of the Filibuster** Denis Steven Rutkus, Elizabeth Rybicki, Justices, Presidents, and Senators Henry J. Abraham, 2008 Explains how United States presidents select justices for the Supreme Court evaluates the performance of each justice and examines the influence of politics on their selection ^ASupreme Democracy Richard Davis, 2017-06-06 Supreme Democracy explores how the rise of mass media and the democratization of politics more broadly has affected the Court the presidency and the Senate The Oxford Handbook of U.S. Judicial Behavior Lee Epstein, Stefanie A. Lindquist, 2017-06-08 The Oxford Handbook of U S Judicial Behavior offers readers a comprehensive introduction and analysis of research regarding decision making by judges serving on federal and state courts in the U S Featuring contributions from leading scholars in the field the Handbook describes and explains how the courts political and social context formal institutional structures and informal norms affect judicial decision making The Handbook also explores the impact of judges personal attributes and preferences as well as prevailing legal doctrine influence and shape case outcomes in state and federal courts The volume also proposes avenues for future research in the

various topics addressed throughout the book Consultant Editor for The Oxford Handbooks of American Politics George C Edwards III The Oxford Handbook of the U.S. Constitution Mark V. Tushnet, Mark A. Graber, Sanford Levinson, 2015 The Oxford Handbook of the U S Constitution offers a comprehensive overview and introduction to the U S Constitution from the perspectives of history political science law rights and constitutional themes while focusing on its development structures rights and role in the U S political system and culture This Handbook enables readers within and beyond the U S to develop a critical comprehension of the literature on the Constitution along with accessible and up to date analysis Whether a return to the pristine constitutional institutions of the founding or a translation of these constitutional norms in the present is possible remains the central challenge of U S constitutionalism today The Supreme Court A to Z Kenneth Jost, 2012-03-14 The Supreme Court A to Z offers accessible information about the Supreme Court including its history traditions organization dynamics and personalities The entries in The Supreme Court A to Z are arranged alphabetically and are extensively cross referenced to related information This volume also has a detailed index reference materials on Supreme Court nominations a seat chart of the justices the U S Constitution online sources of decisions and a bibliography to help simplify research The fifth edition of The Supreme Court A to Z has been thoroughly updated to incorporate coverage of significant new cases and recent changes on the bench and includes more than 350 alphabetized entries Presented in an engaging reader friendly design this edition includes Biographies of recently appointed Associate Justices Elena Kagan and Sonia Sotomayor plus revised biographies for recently retired Associate Justices David Souter and John Paul Stevens Updated entries on key issues and concepts including abortion campaigns and elections civil rights class action due process freedom of the press reapportionment and redistricting school desegregation and war powers A new entry on media and the Court which highlights the Court s online presence New feature boxes on 2011 decisions Updated seat charts of the justices online sources for finding decisions and a selected bibliography An appendix with historic milestones of the Court The Supreme Court A to Z is part of CQ Press s five volume American Government A to Z series The series is useful to anyone who has an interest in national government and politics Confirmation Wars Benjamin Wittes, 2009-07-15 Just in time for the first Supreme Court confirmation of the Obama administration one of America s most insightful legal commentators updates the critically acclaimed Confirmation Wars Preserving Independent Courts in Angry Times to place the nomination of Judge Sonia Sotomayor in the context of the changing nature of judicial nominations by recent presidents Our system has gone from one in which people like Sotomayor or recent highly qualified nominees like John Roberts and Samuel Alito are shoe ins for confirmation to a system in which they are shoe ins for confirmation confrontations While rejecting parodies offered by both the Right and Left of the decline of the process by which the United States Senate confirms or rejects the president s nominees to the federal judiciary Wittes explains why and how this change took place He argues that the trade has been a bad one offering only the crudest check on executive appointments to the judiciary and putting nominees in the most

untenable and unfair situations Published in cooperation with the Hoover Institution **Courts and Judicial Policymaking**
 Christopher P. Banks, David M. O'Brien, 2008 For courses in courts and the judicial process and law and society The scope of
 its coverage and its high academic quality makes it attractive for graduate courses as well Christopher P Banks and David M
 O'Brien wrote Courts and Judicial Policymaking to fill a need for a comprehensive textbook on law and judicial policymaking
 The text provides a fresh perspective on the contemporary politics of law courts the legal profession and judicial
 policymaking often with an underlying comparative judicial process perspective It covers four distinct areas 1 What is law 2
 How are courts organized and how do they work procedurally 3 What influences court access and ultimately judicial decision
 making and 4 How do courts make policy and how is judicial authority constrained It has relevant and contemporary analyses
 of literature from the political science and legal fields and analyses from scholars who argue from the quantitative attitudinal
 and strategic models and the qualitative new institutionalism perspectives It contains up to date charts and graphs on the
 organization of courts and trends in litigation caseloads and opinion writing and it is appropriate for undergraduate and
 graduate classes Feedback includes The book is extremely well written and organized one of the smoothest textbooks I have
 read in terms of readability The tables provided are a major selling point for the book nicely summarize complex and often
 confusing materials Roger Handberg University of Central Florida The best feature of this manuscript is its thorough
 coverage of the subject matter as well as the in depth analysis of specific topics and questions addressed in the boxed
 material and sidebars Adding a comparative dimension by looking at the judicial systems and procedures of other countries is
 also quite novel Susan Mezey Loyola University Chicago Justices and Journalists Richard Davis, David Taras, 2017-02-02 A
 key intermediary between courts and the public are the journalists who monitor the actions of justices and report their
 decisions pronouncements and proclivities Justices and Journalists The Global Perspective is the first volume of its kind a
 comparative analysis of the relationship between supreme courts and the press who cover them Understanding this
 relationship is critical in a digital media age when government transparency is increasingly demanded by the public and
 judicial actions are the subject of press and public scrutiny Richard Davis and David Taras take a comparative look at how
 justices in countries around the world relate to the media the interactive points between the courts and the press the roles of
 television and the digital media and the future of the relationship **Setting the Record Straight** United States. Congress.
 Senate. Committee on the Judiciary, 2003 Nomination of Robert H. Bork to be Associate Justice of the Supreme Court of
the United States United States. Congress. Senate. Committee on the Judiciary, 1989 The Next Justice Christopher L.
 Eisgruber, 2009-05-18 The Supreme Court appointments process is broken and the timing couldn't be worse for liberals or
 conservatives The Court is just one more solid conservative justice away from an ideological sea change a hard right turn on
 an array of issues that affect every American from abortion to environmental protection But neither those who look at this
 prospect with pleasure nor those who view it with horror will be able to make informed judgments about the next nominee to

the Court unless the appointments process is fixed now In *The Next Justice* Christopher Eisgruber boldly proposes a way to do just that He describes a new and better manner of deliberating about who should serve on the Court an approach that puts the burden on nominees to show that their judicial philosophies and politics are acceptable to senators and citizens alike And he makes a new case for the virtue of judicial moderates Long on partisan rancor and short on serious discussion today s appointments process reveals little about what kind of judge a nominee might make Eisgruber argues that the solution is to investigate how nominees would answer a basic question about the Court s role When and why is it beneficial for judges to trump the decisions of elected officials Through an examination of the politics and history of the Court Eisgruber demonstrates that pursuing this question would reveal far more about nominees than do other tactics such as investigating their views of specific precedents or the framers intentions Written with great clarity and energy *The Next Justice* provides a welcome exit from the uninformative political theater of the current appointments process

Nomination of Robert H. Bork to be Associate Justice of the United States Supreme Court United States. Congress. Senate. Committee on the Judiciary,1987 **Speed of Presidential and Senate Actions on Supreme Court Nominations, 1900 - 2010** R. Sam Garrett,2010-10 Contents 1 Recent Activity Activity During 2010 2009 and 2005 2006 Recent Nominations Roberts Miers Alito 2 Measuring the Pace of Supreme Court SC Appoint 3 How SC Vacancies Occur Death of a Sitting Justice SJ Retirement or Resignation of a SJ Nomination of a SJ to Another Position Controversial Withdrawn and Rejected Nominations 4 Date of Actual or Prospective Vacancy Announcement of Nominee Date Use of Medians to Summarize Intervals The Duration of the Nomination and Confirmation Process Changes Since 1981 Factors Influencing the Speed of the Process How the Vacancy Occurs The Senate s Schedule Committee Involvement and Institutional Customs Controversial Nominations
