Radhakrishnan,2019-04-02 Published in 1939 this work was presented to Mahatma Gandhi on his 70th birthday October 22nd 1939 This work is not only a remarkable tribute from notable men and women of diverse

views but an important estimate of the life and thought of Mahatma Gandhi Mahatma Gandhi Sarvepalli Radhakrishnan, 2015-01-27 This book is a tribute to the Father of the Nation Mahatma Gandhi The entire collection is a veritable depository of the greatness of a man who has influenced the modern world This book will impress upon you the fundamental unity between Gandhiji s theory and practice which is his challenge and message to the contemporary world Some of Gandhiji s most distinct and famous speeches are brought together in an appendix in this volume **The Ministry, Vol. 12, No. 07** Various Authors, 2008-07-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2008 summer training on the Crystallization study of the Gospel of Luke held June 30 July 5 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in the following two sets of statements The highest standard of morality is the living of the Lord Jesus as the Man Savior whose life was a composition of God with the divine attributes and man with the human virtues to be the basic factor for His dynamic salvation The Man Savior s God man living constituted a prototype for the reproduction of the God man in the believers who are reborn of the pneumatic Christ in their spirit and transformed by the pneumatic Christ in their soul In order to be one with the Man Savior in His God man living we need to sit at His feet and listen to His word so that we may be infused with His life for the expression of God and with His desire for our service to God unto the building of God By praying ourselves into God we are empowered in Christ to repudiate ourselves renounce our material possessions and follow the Man Savior so that we may live in the reality of the economy of God to become rich toward God for the kingdom of God We need to be today s ministers and witnesses by living and proclaiming the gospel Christ as the jubilee of grace for the accomplishing of God s eternal economy If we lose our soul life in this age and do not preserve it by lingering in the earthly and material things we may participate in the rapture of the overcomers and stand before the Son of Man on Mount Zion These messages are being published immediately following the training in order that they may benefit the saints who are participating in the many video trainings that are held throughout the earth **Thomas Hooker, 1586-1647** Frank Shuffelton, 2015-03-08 Examining the relationship between Hooker s activities and his writings Frank Shuffelton considers his role in the crises of early New England politics and religion The author analyzes Hooker s works and shows that as preacher and pastor theologian and architect of the Puritan religious community Thomas Hooker voiced concerns that remained important throughout American history The analysis of Hooker s career is especially valuable for the information it provides concerning his close involvement with the major issues of the day the conflict between Roger Williams and the Bay Colony the antinomian controversy the political and religious striving of the Massachusetts Bay Colony and the forming of a truly American community The author distinguishes several phases in Hooker s activities that correspond to his cultural and geographical milieu at different times He discusses Hooker s education first pastoral experience and career Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the
