Seership And The Spiritual Evolution Of Man:

The Development of Seership Swami Bhakta Vishita,1993-02 *The Development of Seership* Swami Bhakta Vishita,2010-01-01 Like all of the Swami Bhakta Vishita titles by William Walker Atkinson The Development of Seership presents an occult subject and idea to the masses attempting to teach the reader to reach higher planes search the inner eye and attempt to become clairvoyant Atkinson as Vishita lays out Lessons that take the reader through the steps of developing a mystic sense reading and interpreting the future communing with the afterlife and using clairvoyant knowledge for good SWAMI BHAKA VISHITA is one of three Hindu aliases and pen names of American writer WILLIAM WALKER ATKINSON 1862 1932 editor of the popular magazine New Thought from 1901 to 1905 and editor of the journal Advanced Thought from 1916 to 1919 He authored dozens of New Thought books under numerous pseudonyms including *Yogi* some of which are likely still unknown today **Seership and the Spiritual Evolution of Man** Swami Bhakta Vishita,2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **The New Avatar and the Destiny of the Soul** Jirah Dewey Buck,1911 Meditation alone will not aid true spiritual development. Helena Petrovna Blavatsky, William Q. Judge, Damodar K. Mavalankar, Godolphin Mitford, Clara M. Codd, Proclus Lycaeus,2023-05-15 Nature strives to contain Spirit and detain it here on earth but Spirit ever strives to be freed from its earthly prison and return to its divine abode The correct apprehension of Philosophy can help devotees to Duty and Truth to distinguish between Spiritual and Psychic wisdom Only True philosophy i e the Wisdom of Love can help remove the weeds of dogma and correct the errors of human fancy She is Penelope Sophia the loyal wife waiting for Odysseus Christos return Meditation proper is Spiritual Seership It leads to conscious realisation of the Truths that underpin and sustain Cosmos and Man Ideas and Forms It bridges the known or phenomenon with the unknown or noumenon and instructs inwardly focused minds to identify with All work with Nature and live for All Meditation is silent and unuttered prayer the ardent turning of the soul towards the divine It uplifts lower minds to higher realms of pure consciousness by catalepsy of the physical body Then by suspending the brain s mechanical action the Adept can see as clearly as Truth Itself Such a deliberate withdrawal of consciousness is a magical skill that leads to the contemplation of celestial powers Meditation is Theurgy or White Magic Iamblichus Manteia Apollonius and Plotinus Union to the Deity Theosophy s Raja Yoga the Ishvara of the ancient Yogin the Samadhi of the modern Psychic powers are far more subtle intoxicants than the gross physical energies Despite of the name clairvoyant vision is nothing but clear Inactivity of the physical body does not indicate a condition of inactivity For the uninitiated sitting for yoga is invariably fatal It encourages mental passivity which in turn aids the development of mediumistic states where one can readily fall prey to the caprice and

malice of mischievous embryos of human beings All yoga practices have disastrous results unless guided by a competent teacher A Master of Wisdom advises concentration upon the Higher Self within the Heart Place your love trust and confidence in your heart and retire there when the battle grows fierce Practise the habit of careful and constant concentration of mind upon every duty and act in life and one day you might be able to kindle the Sacred Fire But unless you are capable of unremitting devotion to truth and virtue and of guarding Self against self you are more likely to lose your way in the shadows than to see any real light or gain insight Those who wallow in the mire of exotericism know not what it is to live in the world and yet be not of the world Beware O Lanoo Read Nature s Finer Forces There are no extant works on effective and safe practice and those purporting to be are full of blinks Which of the Two Paths wilt thou choose O Lanoo
