decadent queen lead a rebellion against the cruel Arena and free the princess who is its rightful ruler It is a hard task but for Dray Prescott against whom sorcerers and swordsmen have contended it is the only course he could follow Legions of Antares For too long the iron legions of the evil empress of Hamal have devastated the neighboring lands and islands of Kregen Dray Prescott has battled Empress Thyliiss all the way and at long last finds himself nearing the end of his long campaign Gathering about himself old allies and former enemies Dray prepares to challenge the empress at the very doors of her capital city until he discovers that she is about to spring her secret weapon the super science of the mad wizard of Loh Allies of Antares Dray Prescott has made himself into a rallying point of strength on Kregen Now after the worst war between the humanoid lands has finally concluded Prescott again confronts the Star Lords only to learn that the hard won peace is just a transition to a great hemispheric invasion that was even then raiding over the horizon This book contains a glossary of the Spikatur cycle

The Krozair Cycle Alan Burt Akers, 2011-12 Kregen that grim and beautiful marvelous and terrible world four hundred light years away beneath the red and green fires of Antares is a world too rich in passion and action to allow a fighting man like Dray Prescott to rest for long Once more then he is launched into fresh adventures but this time there is a hiatus which might easily break a man of lesser fire and spirit The Tides of Kregen Of all the honours that Dray Prescott Earthman has won during his fabulous adventures on Kregen none are valued by him more than his membership in the Order of the Krozairs of Zy The Krozairs are the highest order of chivalry on that turbulent planet dedicated men warriors of stern convictions and unflinching hearts Thus when the Krozairs in their hour of need called on all their far flung members for aid he should have gone But he could not His return from Earth was blocked by the anger of the mysterious Star Lords And before Dray Prescott can achieve redemption he has two armies opposed to him two warring kingdoms naming him outlaw and only the tides of the seven moons as a weapon Renegade of Kregen Never before in his adventurous career under the double suns of Antares has Dray Prescott been in as desperate a situation as he finds himself on his second entry into the city of Magdag Magdag was the scene of one of Prescott's earliest experiences on Kregen and he recalled it with loathing as a city of power lustful slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despises all that the city stood for But now Prescott is an outcast Any Krozair any follower of the Red Sun of his former friends will slay him on sight For him there is only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stains his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph Krozair of Kregen Dray Prescott has been condemned by his old enemies whose battle color is the green of the sun Grodno For while among these slavers and conquerors of the green searching for a way to turn the tide of war to his own redemption and his friends advantage he had personally encountered the deadly animosity of Grodno's king had betrayed his champion and had shattered all he so carefully worked for But he must soldier on For now in addition to the enormous feat that alone would restore his honor he

has a blood vengeance to achieve that overrides everything This edition contains the short story Wizard of Scorpio and a glossary to the Krozair Cycle **Savage Scorpio** Alan Burt Akers,2007-05-09 Somewhere in the unmapped regions of Kregen beneath the two suns of Antares alpha star of the Constellation Scorpio lies the hidden city of the Savanti The Savanti were the ones responsible for tearing Dray Prescott away from his native Earth for their struggle against the Star Lords And Dray had long sought the locale of his original landing because it would help solve the mystery of his transition Now the time had come when the search must be completed without delay for the father of his beloved Delia was a victim of assassins and only the Savanti could undo the evil that could shatter all that Dray held dear in his second planetary homeland **Savage Scorpio** is the thrilling novel of a mission that would involve powerful forces far beyond all Prescott s personal desires

Renegade of Kregen Alan Burt Akers,2007-04-04 Never before in his adventurous career under the double suns of Antares had Dray Prescott been in as desperate a situation as he found himself on his second entry into the city of Magdag Magdag had been the scene of one of Prescott s earliest experiences on Kregen and he recalled it with loathing as a city of power lustling slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despised all that that city stood for But now Prescott was an outcast Any Krozair any follower of the Red Sun of his former friends would slay him on sight For him there was only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stained his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph **Science Fiction and Fantasy Literature, 1975-1991** R.
