Ruddel, 1987-01-01 This book provides a synthesis of social demographic and economic change in Quebec City during the British regime a period which saw the former French capital transformed into an English city with all the problems associated with rapidly growing urban centres Published in English **Consumers in the Bush** Douglas McCalla, 2015-03-01 General stores are essential to the image of a colonial village Many historians however still base their stories of settlement on the notion of rural self sufficiency begging the question if general stores were so common who were their customers To answer this Consumers in the Bush draws on the account books of country stores rich evidence that has

rarely been used Douglas McCalla considers more than 30 000 transactions on the accounts of 750 families at seven Upper Canadian stores between 1808 and 1861 These customers were typical of rural society farmers artisans labourers and often women At village stores they found a wide variety of products most imported from Britain a few from the United States and a surprising number that were produced locally Three chapters focus on the major product categories of dry goods groceries and hardware a fourth considers local products and a fifth addresses a variety of items from household goods to footwear to school books In telling us about the goods colonists bought this book explores what they were used for and the stories they allow us to tell about rural lives and experience By seeing rural Upper Canadians as consumers Consumers in the Bush reveals them as full participants in the rapidly changing nineteenth century global world of goods
