bilingual thematic dictionaries BTDs The three chief aims of the research project are 1 to identify the characteristic features of the bilingual thematic dictionary 2 to gauge its usefulness and 3 to make suggestions as to how it could be improved

Various approaches are adopted in order to reveal the nature of the BTD The typological approach considers the

lexicographic genres bilingual thematic and pedagogical which have been combined to create this hybrid reference work

Particular attention is paid to the BTD s immediate forerunner and closest lexicographic relative the monolingual thematic

learner s dictionary Detailed textual analyses of contemporary thematic dictionaries identify the characteristic features of the

macrostructure microstructure and other components from a structural perspective In order to evaluate the usefulness of the

BTD features identified the textual analyses are supplemented by three pieces of user research involving a questionnaire to

elicit learners opinions a test on the effectiveness of the access structure and an experiment to discover how a learner uses a
