Lord For The Body Religion Medicine And Protestant Faith Healing In Canada 1880 193:

Lord for the Body James Opp,2005-12-19 In the early 1920s English Canadians were captivated by the urban campaigns of faith healing evangelists Crowds squeezed into local arenas to witness the afflicted slain in the spirit casting away braces and crutches Professional faith healers although denounced by critics as promoting mass hypnotism gained notoriety and followers in their call for people to choose the Lord for the Body Testing Prayer Candy Gunther Brown,2012-04-30

Drawing on medical records surveys of prayer recipients prospective clinical trials and multiyear follow up observations and interviews Brown shows that the widespread perception of prayer s healing power has demonstrable social effects which can in some cases produce improvements in health that can be scientifically verified **Miracles Today** Craig S.

Keener,2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener s most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener s basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople **Infidels and the Damn Churches** Lynne Marks,2017-06-09 British

Columbia is at the forefront of a secularizing movement in the English speaking world Nearly half its residents claim no religious affiliation and the province has the highest rate of unbelief or religious indifference in Canada *Infidels and the Damn Churches* explores the historical roots of this phenomenon from the 1880s to the First World War Lynne Marks reveals that class and racial tensions fuelled irreligion in a world populated by embattled ministers militant atheists turn of the century New Agers rough living miners Asian immigrants and church going settler women White working class men often arrived in the province alone and identified the church with their exploitative employers At the same time BC s anti Asian and anti Indigenous racism meant that their whiteness alone could define them as respectable without the need for church affiliation Consequently although Christianity retained major social power elsewhere many people in BC found the freedom to forgo church attendance or espouse atheist views This nuanced study of mobility gender masculinity and family in settler BC offers new insights into BC s distinctive culture and into the beginnings of what has become an increasingly dominant secular worldview across Canada *The People's Zion* Joel Cabrita,2018-06-11 Joel Cabrita tells the story of Zionism which began in a utopian community near Chicago in 1900 Its faith healing spiritualism uplifting pan racialism and missionary zeal resonated with marginalized urban working class whites and blacks in both the United States and Southern Africa Today Zionism is Southern Africa s largest religious movement             <
