My Years with the Lord Chief Justice. [With Plates, Including Portraits.].** Arthur Henry SMITH (Clerk to Lord Goddard.),Rayner GODDARD (Lord Goddard.),1959 **The Rise and Fall of the Rehabilitative Ideal, 1895-1970** Victor Bailey,2019-04-09 Spanning almost a century of penal policy and practice in England and Wales this book is a study of the long arc of the rehabilitative ideal beginning in 1895 the year of the Gladstone Committee on Prisons and ending in 1970 when the policy of treating and training criminals was very much on the defensive Drawing on a plethora of source material such as the official papers of mandarins ministers and magistrates measures of public opinion prisoner memoirs publications of penal reform groups and prison officers the reports of Royal Commissions and Departmental Committees political opinion in both Houses of Parliament and the research of the first cadre of criminologists this book comprehensively examines a number of aspects of the British penal system including judicial sentencing law making and the administration of legal penalties In doing so Victor Bailey expertly weaves a complex and nuanced picture of punishment in twentieth century England and Wales one that incorporates the enduring influence of the death penalty and will force historians to revise their interpretation of twentieth century social and penal policy This detailed and ground breaking account of the rise and fall of the rehabilitative ideal will be essential reading for scholars and students of the history of crime and justice and historical criminology as well as those interested in social and legal history **Black Market Britain** Mark Roodhouse,2013-03-21 Britain s underground economy flourished during the 1940s and early 1950s thanks to rationing and price control producers traders and

professional criminals helped consumers to get a little extra on the side from under the counter or off the back of a lorry Yet widespread evasion of regulations designed to ensure fair shares for all did not undermine the austerity policies that characterised these years and its vital role in securing compliance with economic regulation In Black Market Britain Mark Roodhouse argues that Britons showed self restraint in their illegal dealings The means motives and opportunities for evasion were not lacking The shortages were real regulations were not watertight and enforcement was haphazard Fairness not patriotism and respect for the law is the key to understanding this self restraint By invoking popular notions of a fair price a fair profit and a fair share government rhetoric limited black marketeering as would be evaders had to justify their offences both to themselves and others Black Market Britain underlines the importance of fairness to those seeking a richer understanding of economic life in modern Britain Parliamentary Debates Sri Lanka. General Catalogue of Printed Books British Museum. Department of Printed Books,1969 **The Cartel** Evan Whitton,1998 This critique of the Australian legal system argues that the present system often obstructs justice that common law does not seek the truth and that trials are not designed to achieve a just outcome Discusses topics such as the jury system civil litigation the right of silence the adversary system and the doctrine of precedent Includes references and an index The author is a journalist with The Australian He was five times winner of the Walkley Award for National Journalism and author of Can of Worms Amazing Scenes and Trial by Voodoo Subject Index of Modern Books Acquired British Museum. Department of Printed Books,1956 **The Strange Death of Moral Britain** Christie Davies,2017-09-08 In the last half of the twentieth century a once respectable and religious Britain became a seriously violent and dishonest society one in which person and property were at risk family breakdown ubiquitous and drug and alcohol abuse rising The Strange Death of Moral Britain demonstrates in detail the roots of Britain's decline It also shows how a society strongly Protestant in both morality and identity became one of the most secular societies in the world The culture wars about abortion capital punishment and homosexuality that have convulsed the United States have little meaning in Britain where there is neither a moral majority nor an indigenous emphasis on rights In the period when Britain had a strong national and religious identity defense of this identity led to legal persecution of male homosexuals As Britain's identity crumbled homosexuality ceased to be an important issue for most people Similarly all the pressing questions on abortion capital punishment and homosexuality were settled permanently on a purely utilitarian basis in Britain where all sources of moral argument are weak The ending of the death penalty marked the decline of the influence of the official hierarchies of church and state the Church of England the armed forces and their representative the Conservative Party The Strange Death of Moral Britain is a study of moral change secularization loss of identity and the growth of deviant behavior in Britain in the twentieth century Based on detailed scholarship it is a tightly argued and clearly written volume that will be of interest to scholars of religious studies and British social history *Missing Presumed Murdered* Dick Kirby,2022-02-03 A former Scotland Yard detective examines

real cases of murder in which accused criminals were convicted without a body found Murders in any form and the more gruesome the better hold a morbid fascination to the British public but never more so than when the bodies of the victims are never found Aside from the lack of closure for relatives and friends this factor creates problems for police and prosecutors and has macabre appeal for the public Muriel McKay wife of a senior News of the World Executive was kidnapped in 1969 Although her body believed to have been fed to pigs was never found the perpetrators were convicted The same fate was suffered by the business partner of a Polish farmer James Camb murdered a glamorous actress feeding her to sharks but this did not stop women flocking to see him in court John Haigh confessed to disposing of his nine victims in acid Again his trial was a sell out Dick Kirby former Scotland Yard detective turned best selling crime writer has unearthed a fascinating collection of disappearances such as the dismemberment of a gay man s wife who had threatened to expose him in the 1950s Later when a woman s head was discovered near his home he confessed only to find that it dated from Roman times These and numerous other cases make Missing Presumed Murdered a riveting if grisly read **Parliamentary Debates** Western Australia. Parliament,1952-12-12 **Calendar of House of Lords Manuscripts [1450-1678]** Great Britain. Parliament. House of Lords,1879 To Encourage the Others David Yallop,2014-10-23 The Murder Case that Shook a Generation On 2nd November 1952 two teenagers were trapped by police on a warehouse roof In the course of what the national press were to describe as a Chicago style gun battle P C Sidney Miles was shot between the eyes and died 16 year old Christopher Craig and 19 year old Derek Bentley were subsequently arrested and sent to trial They came to personify the disaffected youth of post war Britain but Derek Bentley became much more His story and ultimate fate are unique in the annals of criminal history Originally published in 1971 and the subject of a controversial television play To Encourage the Others dramatically re opens a case which still demands that justice be done There are many reasons why David Yallop is considered the world s greatest investigative author To Encourage the Others is one of them as powerful an argument against capital punishment as has ever been published **Subject Index of Modern Books Acquired 1881/1900-.** British Museum.
