Malibu Express, R rated color 1 hr 41 min **Drag Racing** Liz Burn, 2010 This is my innocent and humorous recollection of the disasters and successes I have encountered in the male dominated sport of Drag Racing when it was in its infancy back in the 1970s in the UK I became only the second woman in the UK to race a Top Fuel dragster How I survived a 200mph crash and came back to win the European Championship two years in a row Yes I beat the men at their own game

Ecoterrorism Paul E. Truitt DVM, 2015-01-09 Those who recognize and stand up to psychopaths can expect unending retaliation R Hare The author exposed nonfeasance and malfeasance in two government agencies in Tennessee As a result he has spent the last fifteen years in a continuous lopsided battle against domestic terrorists and corrupt government officials It has been as if he has been placed on a secret government blacklist Many of those who could and should enforce the laws turned out to be terrorists themselves What the author has experienced and witnessed has literally sickened his heart The law entitled Ecoterrorism was enacted to protect two very basic human rights the right to work in one's chosen line of work and the right to property the right to own use enjoy and benefit from one's personal property A person is guilty of ecoterrorism if the person commits a specified offense against property by intimidating or coercing a person lawfully participating in an activity involving animals or preventing or obstructing a person lawfully participating in an activity involving animals This law is not hard to comprehend Yet it goes unenforced ignored by law enforcement as a civil matter Whistleblowers in Nashville were maliciously prosecuted and terminated from their government jobs the anti racing ecoterrorists in PA insanely carried out their published terroristic threats for over five years and law enforcement and the justice system simply ignored their despicable crimes and did nothing Terrorists domestic or foreign are evil people with evil motives often masquerading as activists with a noble political or religious cause In reality their primary criminal objectives are personal gain sex power and or money Laws are the conscience of humanity the reason that terrorism is so successful is because terrorists play by no rules have no moral values and have no conscience or sense of guilt or remorse Terrorists of any kind are nothing but psychopaths Ecoterrorism is a very lucrative form of terrorism used by perverted animal rights activists to exploit those who make their living participating in animal related activities After dealing with ecoterrorists for the last several years the author clearly sees that ecoterrorism has nothing to do with the love of animals Ecoterrorists are often psychopaths masked as animal rights activists and animal lovers Ecoterrorism is politically charged therefore it is often ignored by law enforcement no matter how criminal and despicable it gets Psychopathic behavior is often so camouflaged and so veiled that even the victims may have a hard time recognizing it until after most of the damage has been done A similar phenomenon known as naive prey syndrome occurs in nature whereas the prey does not recognize the predator until the predator has literally got them by the throat In reality the anti racing persona of anti thoroughbred racing activists is just a smoke screen the real motive is personal gain in the form of fraudulently solicited donations and high quality thoroughbred horses that

become free for the taking once the owner has been falsely prosecuted and their valuable thoroughbreds have been stolen under the perverted pretense of official right Anti racing ecoterrorists have developed sophisticated ways to harm and kill thoroughbred horses ways that will go undetected and uninvestigated but reflect badly on the targeted owners and trainers You couldn't run or breed a dead horse is one of the anti racing ecoterrorists sinister sayings As the author has been so painfully made aware of [MALIBU EXPRESS](#) ,1985 [At a Theater or Drive-in Near You](#) Randall Clark,2013-12-17 Millions of Americans have been thrilled scared titillated and shocked by exploitation movies low budget films with many scenes of sex violence and other potentially lurid elements The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films This is the first comprehensive study of the American exploitation film to be published It discusses five distinct genres the teen movie the sexploitation film the martial arts movie the blaxploitation film and the lawbreaker picture Contained within these genres are many popular American film types including beach movies biker pictures and women's prison movies The study provides a history and sociopolitical analysis of each genre focusing on significant films in those genres It also discusses the economics of exploitation films and their place in the motion picture industry the development of drive in theaters the significance of the teenage audience and the effect of the videocassette Finally the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience [Review Haiku, Volume 2](#) Michael Hawkes,2011-07-09 [Leonard Maltin's 2014 Movie Guide](#) Leonard Maltin,2013-09-03 Summer blockbusters and independent sleepers masterworks of Alfred Hitchcock Billy Wilder and Martin Scorsese the timeless comedy of the Marx Brothers and Buster Keaton animated classics from Walt Disney and Pixar the finest foreign films ever made This 2014 edition covers the modern era from 1965 to the present while including all the great older films you can't afford to miss and those you can from box office smashes to cult classics to forgotten gems to forgettable bombs listed alphabetically and complete with all the essential information you could ask for NEW Nearly 16 000 capsule movie reviews with more than 300 new entries NEW More than 25 000 DVD and video listings NEW Up to date list of mail order and online sources for buying and renting DVDs and videos NEW Completely updated index of leading performers MORE Official motion picture code ratings from G to NC 17 MORE Old and new theatrical and video releases rated to BOMB MORE Exact running times an invaluable guide for recording and for discovering which movies have been edited MORE Reviews of little known sleepers foreign films rarities and classics AND Leonard's all new personal recommendations for movie lovers Date of release running time director stars MPAA ratings color or black and white Concise summary capsule review and four star to BOMB rating system Precise information on films shot in widescreen format Symbols for DVDs videos and laserdiscs Completely updated index of leading actors Up to date list of mail order and online sources for buying and renting DVDs and videos **U.S. Department of Transportation Federal Motor Carrier Safety Administration Register** ,2009 [The Midnight Show](#)
