Mojave Pottery Mojave People The Dillingham Collection Of Mojave Ceramics:

Mojave Pottery, Mojave People Jill Leslie McKeever Furst, 2001 Despite the centrality of ceramics to Mojave culture Mojave pottery is virtually unknown today Museums have mostly small unrepresentative and largely undocumented collections and the works have received little attention from scholars and collectors This comprehensive volume brings to light the wondrously inventive clay people mythological creatures and effigy vessels of the Mojave people recording this Southwest Indian ceramic art in more than 50 full color plates 25 color and black and white illustrations and a complete catalog of the Dillingham Collection of Mojave Ceramics one of the largest and most complete Mojave assemblages in the world at the Indian Arts Research Center of the School of American Research Jill Leslie Furst takes an ethnohistorical approach here drawing on written literature about the tribe that ranges from seventeenth century Spanish documents to ethnographic accounts from the 1970s The stories of the Mojaves along with descriptions of family life gender roles subsistence activities clothing and personal adornment shamanism and the afterlife form the context for Furst's exploration of the Mojave ceramic tradition

Where the Lightning Strikes Peter Nabokov, 2007-03-27 From the author of *How the World Moves* A revelatory new look at the hallowed diverse and threatened landscapes of the American Indian For thousands of years Native Americans have told stories about the powers of revered landscapes and sought spiritual direction at mysterious places in their homelands In this important book respected scholar and anthropologist Peter Nabokov writes of a wide range of sacred places in Native America From the high country of California to Tennessee's Tellico Valley from the Black Hills of South Dakota to Rainbow Canyon in Arizona each chapter delves into the relationship between Indian cultures and their environments and describes the myths and legends practices and rituals that sustained them

The Craft and Art of Clay Susan Peterson, Jan Peterson, 2003 Widely considered to be the most comprehensive introduction to ceramics available this book contains numerous step by step illustrations of various ceramic techniques to guide the beginner as well as inspirational ceramic pieces from contemporary potters from around the world For the more experienced ceramist there is a wealth of technical detail on things like glaze formulas and temperature conversions which make the book an ideal reference To quote one review I am a studio potter and would not be without it The fourth edition has been updated to include profiles of key ceramists who have influenced the field new material on marketing ceramics including using the internet more on the use of computers added coverage of paperclays using gold and alternative glazes

The Blue Tattoo Margot Mifflin, 2009-04-01 Based on historical records including the letters and diaries of Oatman's friends and relatives The Blue Tattoo is the first book to examine her life from her childhood in Illinois including the massacre her captivity and her return to white society to her later years as a wealthy banker's wife in Texas
