Dear Mommy, I Just Called to Say I Love You Shirley E. Gordon, 2011-03-14 The Publishers Weekly, 2006 The President's Accidental Wife Blue Fruity, After getting drunk at a wedding party Summer Hart had spent a night with a man She then found herself pregnant after that She wanted to keep the child but the man had other plans She tried to run away but was caught If you want to keep the child marry me We'll divorce after two years and meanwhile don't touch me not even holding hands the man said backing her into a corner She found the man utterly shameless Holding hands Dream on After the marriage the man said I know you are scared Let's sleep together tonight I'm not scared I saw you in a dream and heard you say you're scared and want to sleep with me Have you no shame Mark Valentine Shame What is shame School Library Journal, 2008 *Who Wants To be A Baby... Again (vol 1)* Ben Pathen, 2020-11-24 It is arguably the most common theme in ABDL fiction becoming a baby again perhaps forever and perhaps completely so For many Adult Babies the idea of being able to give into our wishes and desires completely and without restriction is a wonderful concept and one that grabs our attention For the vast majority of adult babies the expression of our inner infant is complicated by endless compromises and limits on what we can actually do Our partners

limit us Our finances limit us Social acceptance and the lack thereof limits us Friends employment family and other issues limit us But fiction can overcome all of these In fiction we can bend the rules of probability break the bounds of social norms and erase the limits that otherwise keep us from expressing our inner infancy the way we wish In these three books you will read of adults that become complete babies once more If they are not originally completely willing to become babies again they quickly discover the joys the peace and comfort of diapers baby clothes bottle feeds and baby toys Infancy is entrancing to almost everyone but for those special people adult babies infancy is only a diaper change away and stories of grownups reverting to babyhood is less fiction than an innate desire that we express on the pages of a book Enjoy your stay in the world of refreshing infancy NOTE These are the Diaper Versions of the original nappy books *Books in Motion* Julie
