A Dreamer and a Visionary S. T. Joshi, 2001-04-01 H P Lovecraft has come to be recognised as the leading author of supernatural fiction in the twentieth century But how did a man who died in poverty with no book of his stories published in his lifetime become such an icon in horror literature S T Joshi the leading authority on Lovecraft traces in detail the course of Lovecraft s life and shows how Lovecraft was engaged in the political economic social and intellectual currents of his time

An H. P. Lovecraft Encyclopedia S. T. Joshi, David E. Schultz, 2001-09-30 H P Lovecraft 1890 1937 is commonly regarded as the leading author of supernatural fiction in the 20th century He is distinctive among writers in having a tremendous popular following as well as a considerable and increasing academic reputation as a writer of substance and significance This encyclopedia is an exhaustive guide to many aspects of Lovecraft s life and work codifying the detailed research on Lovecraft conducted by many scholars over the past three decades It includes hundreds of alphabetically arranged entries on Lovecraft and presents extensive bibliographical information The volume draws upon rare documents including thousands of unpublished letters in presenting plot synopses of Lovecraft s major works descriptions of characters in his tales capsule biographies of his major colleagues and family members and entries on little known features in his stories such as his imaginary book of occult lore the *Necronomicon* The volume refers to current scholarship on the issues in question and also supplies the literary topographical and biographical sources for key elements in Lovecraft s work As Lovecraft s renown continues to ascend in the 21st century this encyclopedia will be essential to an understanding of his life and writings **America, History and Life** , 1984 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide

An Epicure in the Terrible Howard Phillips Lovecraft, 1991 To commemorate the centennial of the birth of H P Lovecraft the editors have assembled essays by leading Lovecraft scholars that embody a wide variety of critical approaches Biographical essays treat Lovecraft s relation to his parents and his heritage thematic essays discuss issues such as the function of the narrator in his fiction and the comparative and genre studies examine Lovecraft s relation to modernism **Midnight Rambles** David J. Goodwin, 2023-11-07 A micro biography of horror fiction s most influential author and his love hate relationship with New York City By the end of his life and near financial ruin pulp horror writer Howard Phillips Lovecraft resigned himself to the likelihood that his writing would be forgotten Today Lovecraft stands alongside J R R Tolkien as the most influential genre writer of the twentieth century His reputation as an unreformed racist and bigot however leaves readers to grapple with his legacy *Midnight Rambles* explores Lovecraft s time in New York City a crucial yet often overlooked chapter in his life that shaped his literary career and the inextricable racism in his work Initially New York stood as a place of liberation for Lovecraft During the brief period between 1924 and 1926 when he lived there Lovecraft joined a creative community and experimented with bohemian living in the publishing and cultural capital of the United States He also married fellow writer

Sonia H Greene a Ukrainian Jewish migr in the fashion industry However cascading personal setbacks and his own professional ineptitude soured him on New York As Lovecraft became more frustrated his xenophobia and racism became more pronounced New York s large immigrant population and minority communities disgusted him and this mindset soon became evident in his writing Many of his stories from this era are infused with racial and ethnic stereotypes and nativist themes most notably his overtly racist short story The Horror at Red Hook set in Red Hook Brooklyn His personal letters reveal an even darker bigotry Author David J Goodwin presents a chronological micro biography of Lovecraft s New York years emphasizing Lovecraft s exploration of the city environment the greater metropolitan region and other locales and how they molded him as a writer and as an individual Drawing from primary sources letters memoirs and published personal reflections and secondary sources biographies and scholarship Midnight Rambles develops a portrait of a talented and troubled author and offers insights into his unsettling beliefs on race ethnicity and immigration *Gold Town to Ghost Town* Julia Conway Welch,1982 Distributed by the University of Nebraska Press for the University of Idaho Press For over a hundred years the hopes struggles achievements and failures of mining in the West were played out against a backdrop of unrivaled beauty This book chronicles the story of Silver City from the first discoveries of silver at nearby Jordan Creek in 1863 to the work of those who still labor to preserve its heritage **Vaqueros, Cowboys, and Buckaroos** Lawrence Clayton,Jim Hoy,Jerald Underwood,2010-06-28 Herding cattle from horseback has been a tradition in northern Mexico and the American West since the Spanish colonial era The first mounted herders were the Mexican vaqueros expert horsemen who developed the skills to work cattle in the brush country and deserts of the Southwestern borderlands From them Texas cowboys learned the trade evolving their own unique culture that spread across the Southwest and Great Plains The buckaroos of the Great Basin west of the Rockies trace their origin to the vaqueros with influence along the way from the cowboys though they too have ways and customs distinctly their own In this book three long time students of the American West describe the history working practices and folk culture of vaqueros cowboys and buckaroos They draw on historical records contemporary interviews and numerous photographs to show what makes each group of mounted herders distinctive in terms of working methods gear dress customs and speech They also highlight the many common traits of all three groups This comparative look at vaqueros cowboys and buckaroos brings the mythical image of the American cowboy into focus and detail and honors the regional and national variations It will be an essential resource for anyone who would know or portray the cowboy readers writers songwriters and actors among them Quarterly of the Oregon Historical Society Oregon Historical Society,1971 A Vida de H.P.
