Religion And Religions From A Gnostic Viewpoint:

The Encyclopedia of Cults, Sects, and New Religions James R. Lewis, 2001-03 Surpassing the scope and the thoroughness of the first edition this new edition of The Encyclopedia of Cults Sects and New Religions is the most wide ranging and accessible resource on the historically significant and more obscure sinister and bizarre religious groups Including many entries by scholarly specialists this volume explains more than 1 000 diverse groups and movements from such well known sects as the Branch Davidians Aum Shinrikyo and Heaven s Gate to obscure groups like Ordo Templi Satanas Witches International and the Nudist Christian Church of the Blessed Virgin Jesus In addition to an exhaustive index and handy cross references the second edition includes over a hundred new topical entries on subjects relevant to understanding sectarian movements from snake handling and satanic ritual abuse to brainwashing and exorcism This book a must for all libraries and schools will endure as the first and only point of reference for researchers scholars students and anyone interested in fringe religious groups

Transitions and Transformations in the History of Religions Joseph Mitsuo Kitagawa, Frank E. Reynolds, Theodore M. Ludwig, 1980-01-01

The Complete Idiot's Guide to Past Life Regression Michael Hathaway, 2003-09-02 A guide to the mysteries of your past In this fascinating book a board certified past life regression therapist goes beyond reincarnation and karma to reveal everything people want to know about the ins and outs of this phenomena This book covers Whether past life regression is for real What to expect from hypnosis Whether children are closer to their past lives than adults How knowledge of past lives can help resolve issues and improve the present

Forgiveness Confronts Race, Relationships, and the Social Court D. Lewis, 2022-07-05 Forgiveness Confronts Race Relationships and the Social Volume V of Vernon Press s The Philosophy of Forgiveness series is an exercise in listening Listening to others and not just waiting for them to stop speaking requires a willingness to recognize the worth of the other and to believe that what they say is worthy of consideration Much like reading a book one must strive to quiet the constant voice in one s head in order to hear and process the information communicated Listening is not always easy and it takes considerable practice but it is one of the most effective means for developing understanding and growing as an intellectual and moral person Literature dealing with forgiveness lacks many important voices including those from First Peoples African American LatinX and LGTBQ and many others and the authors of Forgiveness Confronts Race Relationships and the Social begin the task of closing these gaps discussing topics from folk and other social and political issues to racism systems of oppression and religion The authors were asked to explore forgiveness from their own understandings of underrepresented aspects of forgiveness and readers will hopefully be enlightened and inspired to make their own diverse voices of forgiveness heard creating a true dialogue of diversity and wisdom

Awakening the Soul Bill Missett, 2008-05-21 Awakening The Soul The Trilogy includes ATS Book One Proof of Our Spiritual Nature which itemizes more than 80 characteristics of our spiritual nature many very familiar and explains 10 of them in depth ATS Book 2 Our Suppressed Spiritual Nature which

explains why we are so out of touch with our spiritual nature primarily through suppression of those traits by religions primarily Christianity and ATS Book 3 Restoring Your Spiritual Nature contains detailed channeled instructions to restore immediate awareness of your spiritual nature which has proven highly successful in doing just that Corpus Hermeticum XIII and Early Christian Literature William C. Grese,2023-08-21 A Skeptic's Investigation into Jesus J. P. Hannah,2020-04-27 Does human life have any significance The statements below have become widely accepted in the Western world Life is the accidental product of random events The laws of physics are totally deterministic Science does not accept a connection between physical matter and human consciousness Atheism is a conclusion from evidence while faith is speculation Science and faith are incompatible Suffering contradicts the existence of a loving omnipotent God Jesus was a compilation of pagan mythologies or a human teacher who was deified But do these statements represent eternal truths Are they logical conclusions based on established facts or merely opinions What is the evidence To investigate these and other questions of existence and faith a skeptical academic objectively explored relevant aspects of philosophy mythology history archaeology cosmology quantum physics biochemistry and various faiths that finally led to investigation of the Judeo Christian Scriptures including the Dead Sea Scrolls and the gnostic gospels The findings of this research not only challenge many modern assumptions but also have significant implications for our understanding of reality Written with minimum technicality for general readership this book presents a wide range of interesting and carefully confirmed facts relevant to the above questions Whether you are an atheist or an agnostic a Christian or a follower of another faith or have simply not been interested this investigation provides valuable and surprising insights into the nature of the universe and our place in it

The History of Religions Edward Washburn Hopkins,1918 Frithjof Schuon Jean-Baptiste Aymard,Patrick Laude,2012-02-01 The first book in English devoted to the religious philosopher Frithjof Schuon 1907 1998 to appear since his death this biography also provides an analysis of his work and spiritual teachings Relying on Schuon s published works as well as unpublished correspondence and other documents the authors highlight the originality of Schuon s life and teachings in terms of his consistent focus on esoterism defined as the inner penetration of sacred forms and spiritual practices vis vis the religio perennis the eternal wisdom that lies at the core of all sacred paths Schuon s life they argue is a quest for the inner meaning of religious experience as is indicated by his connections to Christianity Hinduism Islam and Native American Shamanism Spiritual seekers from all backgrounds will appreciate this comprehensive study of this towering figure of comparative religion **Shattering the Christ Myth** James Patrick Holding,2008-06 How To Get Rid of Jesus Prove He Didn t Exist A popular question posed by Christians today asks WWJD which stands for What Would Jesus Do For more and more Skeptics of Christianity however the answer to this question is JDNE which stands for Jesus did not exist In this volume edited by prominent Internet apologist James Patrick Holding a team of Christian authors provide a series of essays giving detailed answers to those who argue for the Christ myth Though rejected by mainstream scholars this theory continues to

grow in popularity among popular writers and Internet antagonists The need for Christians to be ready to give an answer to it will only become more urgent Here s a clear and compelling rebuttal to fallacious claims that keep resurfacing in books and on the Internet It s well researched expertly presented and ultimately convincing Lee Strobel author The Case for the Real Jesus *Evangelical Dictionary of Theology* Walter A. Our Sun-god, Or, Christianity Before Christ John Denham Parsons,1895 [Church History in Plain Language](#) Bruce Shelley,2013-12-10 Church History in Plain Language makes church history clear memorable and accessible to every reader Dr Bruce Shelley makes church history come alive in this classic book that has become not only the first choice of many laypeople and church leaders but the standard text in many college classrooms Church History in Plain Language treats history as the story of people their motivations the issues they grapple with the decisions they make and the result is that

history reads like a story almost as dramatic and moving as a novel This fourth edition revised by R L Hatchett brings the story of Christianity into the twenty first century with detailed information on Theology of the early church and Reformation Gnosticism and its ongoing relevance The rapid global extension and transformation of Christianity since 1900 The decline in traditional mainline denominations The influence of technology on the spread of the gospel How Christianity intersects with other religions in countries all over the world Church History in Plain Language makes history easy to follow and retain by dividing the Christian story into the great ages of the church Its clarity organization and historical accuracy are part of what make this book a go to resource for today s readers

Public Funding of Religions in Europe Francis

Messner,2016-04-15 This collection brings together legal scholars canonists and political scientists to focus on the issue of public funding in support of religious activities and institutions in Europe The study begins by revolving around the various mechanisms put in place by the domestic legal systems as well as those resulting from the European law of human rights and the law of the European Union It then goes on to look at state support and particular religious groups The presentation of European and national law is supplemented by theoretical and interdisciplinary contributions with the main focus being to bring into discussion and map the relationship between the funding of religions and the economy and to infer from it an attempt at a systematic examination or theorization of such funding This collection is essential reading for those studying Law and Religion with particular focus on the countries of the UK France Belgium Germany Italy The Netherlands Spain and Turkey The views expressed during the execution of the RELIGARE project in whatever form and or by whatever medium are the sole responsibility of the authors The European Union is not liable for any use that may be made of the information contained therein

Evidentialism at 40

Kevin McCain,Scott Stapleford,Matthias Steup,2025-08-08 This volume presents state of the art research on issues related to evidentialism It demonstrates the continuing relevance of evidentialist epistemology by bringing it into direct confrontation with some of its latest non evidentialist rivals and by proposing new areas for exploration and development Conee and Feldman s landmark paper Evidentialism 1985 served as a launching point for an enormous research program in epistemology Many epistemologists define their points of view at least partly in terms of how they relate to evidentialism The chapters in this volume address important questions related to evidentialism including How should evidentialism be defined When does evidence suffice for belief What does properly or appropriately responding to one s evidence involve Does evidentialism capture all cases of epistemically justified believing Is there any kind of epistemic normativity that falls outside the purview of evidentialist epistemology Are core evidentialist theses compatible with certain forms of externalism Do classical evidentialist theses successfully preclude pragmatism Do moral considerations ever get a say in what it is rational to believe What more should evidentialists say about suspending judgment What is the connection between evidence and logical inference What should evidentialists say about extended memory Does public evidence matter to epistemic justification The range of fresh ideas in this cutting edge volume marking the 40th anniversary

of Evidentialism will appeal to scholars and graduate students working on evidentialism evidence the nature of justification evidential support and related topics in epistemology
