

RELIGION IN AMERICA

SINCE 1945: **A HISTORY**

PATRICK ALLITT

Religion In America Since 1945

Peter W. Williams

Religion In America Since 1945:

Religion in America Since 1945 Patrick Allitt, 2005 [A History of Religion in America](#) Bryan Le Beau, 2017-09-18 A History of Religion in America From the End of the Civil War to the Twenty First Century provides comprehensive coverage of the history of religion in America from the end of the American Civil War to religion in post 9 11 America The volume explores major religious groups in the United States and examines the following topics The aftermath of the American Civil War Immigration s impact on American religion The rise of the social gospel The fundamentalist response Religion in Cold War America The 60 s counterculture and the backlash Religion in Post 9 11 America Chronologically arranged and integrating various religious developments into a coherent historical narrative this book also contains useful chapter summaries and review questions Designed for undergraduate religious studies and history students A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history **The Columbia Documentary History of Religion in America Since 1945** Paul Harvey, Philip Goff, 2007-04-23 This unique documentary history brings together manifestos Supreme Court decisions congressional testimonies speeches articles book excerpts pastoral letters interviews song lyrics memoirs and poems reflecting the vitality diversity and changing nature of religious belief and practice in America since 1945 Covering both the center and the margins of American religious life these documents reflect the role of religion and theology in the civil rights feminist and gay rights movements as well as in the conservative responses to these Issues regarding religion and contemporary American culture are explored in documents about the rise of the evangelical movement and the religious right the impact of new post 1965 immigrant communities on the religious landscape the popularity of alternative New Age and non Western beliefs and the relationship between religion and popular culture The editors conclude with selections exploring major themes of American religious life at the millennium as well as excerpts that speculate on the future of religion in the United States **Rhetorics of Religion in American Fiction** Liliana M. Naydan, 2016-05-23 Rhetorics of Religion in American Fiction considers the way in which contemporary American authors address the subject of belief in the post 9 11 Age of Terror Naydan suggests that after 9 11 fiction by Mohsin Hamid Laila Halaby Philip Roth Don DeLillo John Updike and Barbara Kingsolver dramatizes and works to resolve impasses that exist between believers of different kinds at the extremes These impasses emerge out of the religious paradox that shapes America as simultaneously theocratic and secular and they exist for instance between liberals and fundamentalists between liberals and certain evangelicals between fundamentalists and artists and between fundamentalists of different varieties Ultimately Naydan argues that these authors function as literary theologians of sorts and forge a relevant space beyond or between extremes They fashion faith or lack thereof as hybridized and hence as a negotiation among secularism atheism faith fundamentalism and fanaticism In so doing they invite their readers into contemplations of religious difference and new ways of memorializing 9 11 *America's Religions* Peter W. Williams, 2008 A panoramic

introduction to religion in America newly revised and updated

The Blackwell Companion to Religion in America

Philip Goff, 2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States. A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks. Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons. Explores topics ranging from religion and the media, immigration and piety, though to politics and social reform. Considers how American religion has influenced and been interpreted in literature and popular culture. Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment.

American Religious History Gary Scott Smith, 2020-12-07 A mix of thematic essays, reference entries, and primary source documents covering the role of religion in American history and life from the colonial era to the present. Often controversial, religion has been an important force in shaping American culture. Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic. Religious teachings, values, and practices deeply affected political structures and policies, economic ideology and practice, educational institutions and instruction, social norms and customs, marriage and family life. By analyzing religion's interaction with American culture and prominent religious leaders and ideologies, this reference helps readers to better understand many fascinating, often controversial, religious leaders, ideas, events, and topics. The work is organized in three volumes devoted to particular periods. Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes. These essays are followed by approximately 120 alphabetically arranged reference entries providing objective, fundamental information about topics related to religion in America. Each volume presents nearly 50 primary source documents, each introduced by a contextualizing headnote. A selected general bibliography closes volume three.

Evangelicalism Richard Kyle, 2011-12-31 Most forms of religion are best understood in the context of their relationship with the surrounding culture. This may be particularly true in the United States. Certainly, immigrant Catholicism became Americanized, mainstream Protestantism accommodated itself to the modern world, and Reform Judaism is at home in American society. In *Evangelicalism*, Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture. Evangelicals have resisted many aspects of the modern world, but Kyle focuses on what he considers their romance with popular culture. Kyle sees this as an Americanized Christianity rather than a Christian America, but the two are so intertwined that it is difficult to discern the difference between them. Instead, in what has become a vicious self-serving cycle, Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant, thus increasing their numbers and success within abundantly.

populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America s culture and unabashedly populist Many Evangelicals view America as God s chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful

Introducing American Religion Charles H. Lippy, 2009

Sword of the Spirit, Shield of Faith Andrew Preston, 2012-02-28 A first major work of history on a crucial but under examined topic Sword of the Spirit Shield of Faith explores the role of religion in American foreign policy From the first colonists to the presidents of the 21st Century Andrew Preston s unparalleled study show us how religion has always shaped America s relationships with other nations and what to expect in the future During the presidency of George W Bush many Americans and others around the world viewed the entrance of religion into foreign policy discourse especially with regard to the wars in Iraq and Afghanistan as a new development But despite the official division between church and state the presence of religion in American foreign policy has been a constant since before the Founding Fathers Yet aside from leaders known to be personally religious such as Bush Jimmy Carter and Woodrow Wilson few realize how central faith has always been to American governance and diplomacy and indeed to the idea of America itself In Sword of the Spirit Shield of Faith Andrew Preston starts at the beginning and with revelatory findings shows us how and why

Tourism, Religion and Spiritual Journeys Dallen Timothy, Daniel Olsen, 2006-09-27 Religion and spirituality are still among the most common motivations for travel many major tourism destinations have developed largely as a result of their connections to sacred people places and events Providing a comprehensive assessment of the primary issues and concepts related to this intersection of tourism and religion this revealing book gives a balanced discussion of both the theoretical and applied subjects that destination planners religious organizations scholars and tourism service providers must deal with on a daily basis Bringing together a distinguished list of contributors this volume takes a global approach and incorporates substantial empirical cases from Hinduism Islam Judaism Roman Catholicism Mormonism New Ageism Sikhism Buddhism and the spiritual philosophies of East Asia On a conceptual level it considers amongst other topics contested heritage the pilgrim tourist dichotomy secularization of pilgrimage experiences religious humanism educational aspects of religious tourism commodification of religious icons and services A vibrant collection of essays this outstanding book

discusses many important practices paradigms and problems that are currently being examined and debated It raises an array of significant and interesting questions and as such is a valuable resource for students scholars and researchers of tourism religion and cultural studies

American Evangelicals and the 1960s Axel R. Schäfer, 2013-08-23 In the late 1970s the New Christian Right emerged as a formidable political force boldly announcing itself as a unified movement representing the views of a moral majority But that movement did not spring fully formed from its predecessors American Evangelicals and the 1960s refutes the thesis that evangelical politics were a purely inflammatory backlash against the cultural and political upheaval of the decade Bringing together fresh research and innovative interpretations this book demonstrates that evangelicals actually participated in broader American developments during the long 1960s that the evangelical constituency was more diverse than often noted and that the notion of right wing evangelical politics as a backlash was a later creation serving the interests of both Republican conservative alliances and their critics Evangelicalism's involvement with rather than its reaction against the main social movements public policy initiatives and cultural transformations of the 1960s proved significant in its 1970s political ascendance Twelve essays that range thematically from the oil industry to prison ministry and from American counterculture to the Second Vatican Council depict modern evangelicalism both as a religious movement with its own internal dynamics and as one fully integrated into general American history

The Sterilization Movement and Global Fertility in the Twentieth Century Ian Robert Dowbiggin, 2008 Many would be surprised to learn that the preferred method of birth control in the United States today is actually surgical sterilization This book takes an historical look at the sterilization movement in post World War II America a revolution in modern contraceptive behavior Focusing on leaders of the sterilization movement from the 1930s through the turn of the century this book explores the historic linkages between environment civil liberties eugenics population control sex education marriage counseling and birth control movements in the 20th century United States Sterilization has been variously advocated as a medical procedure for defusing the population bomb expanding individual rights liberating women from the fear of pregnancy strengthening marriage improving the quality of life of the mentally disabled or reducing the incidence of hereditary disorders From an historical standpoint support for free and unfettered access to sterilization services has aroused opposition in some circles and was considered a liberal cause in post World War II America This story demonstrates how a small group of reformers helped to alter traditional notions of gender and sexuality

Faith and War David E. Settje, 2011 Throughout American history Christianity has shaped public opinion guided leaders in their decision making and stood at the center of countless issues To gain complete knowledge of an era historians must investigate the religious context of what transpired why it happened and how Yet too little is known about American Christianity's foreign policy opinions during the Cold and Vietnam Wars To gain a deeper understanding of this period 1964-75 David E Settje explores the diversity of American Christian responses to the Cold and Vietnam Wars to determine how Americans engaged

in debates about foreign policy based on their theological convictions Settje uncovers how specific Christian theologies and histories influenced American religious responses to international affairs which varied considerably Scrutinizing such sources as the evangelical Christianity Today the mainline Protestant Christian Century a sampling of Catholic periodicals the African Methodist Episcopal Church the Southern Baptist Convention and the United Church of Christ Faith and War explores these entities commingling of religion politics and foreign policy illuminating the roles that Christianity attempted to play in both reflecting and shaping American foreign policy opinions during a decade in which global matters affected Americans daily and profoundly American Tabloid Media and the Satanic Panic, 1970-2000 Sarah A. Hughes, 2021-10-27 This book examines the satanic panic of the 1980s as an essential part of the growing relationship between tabloid media and American conservative politics in the 1980s It argues that widespread fears of Satanism in a range of cultural institutions was indispensable to the development and success of both infotainment or tabloid content on television and the rise of the New Right a conservative political movement that was heavily guided by a growing coalition of influential televangelists or evangelical preachers on television It takes as its particular focus the hundreds of accusations that devil worshippers were operating America's white middle class suburban daycare centers Dozens of communities around the country became embroiled in trials against center owners the most publicized of which was the McMartin Preschool trial in Manhattan Beach California It remains the longest and most expensive criminal trial in the nation's history Christian Theological Tradition Catherine Cory, Michael Hollerich, 2015-08-13 This text helps students acquire a basic theological literacy in key persons and events of the Bible and the Christian faith and in Christianity's encounter with culture at large Historically arranged it also addresses five major themes of systematic theology revelation God creation Jesus and church A Tale of Two Cultures Mark Walia, 2012-09-09 Mark Walia's A Tale of Two Cultures Islam and the West lays out the contrasts between the Western and Islamic worlds with remarkable clarity and documentation and concludes there are nearly irreconcilable differences between these worlds keywords Islam Muslim Religion Christianity War Culture Travel Sharia Hate Mohammed

Contingent Citizens Spencer W. McBride, Brent M. Rogers, Keith A. Erekson, 2020-05-15 Contingent Citizens features fourteen essays that track changes in the ways Americans have perceived the Latter day Saints since the 1830s From presidential politics to political violence to the definition of marriage to the meaning of sexual equality the editors and contributors place Mormons in larger American histories of territorial expansion religious mission Constitutional interpretation and state formation These essays also show that the political support of the Latter day Saints has proven at critical junctures valuable to other political groups The willingness of Americans to accept Latter day Saints as full participants in the United States political system has ranged over time and been impelled by political expediency granting Mormons in the United States an ambiguous status contingent on changing political needs and perceptions Contributors Matthew C Godfrey Church History Library Amy S Greenberg Penn State University J B Haws Brigham Young University

Adam Jortner Auburn University Matthew Mason Brigham Young University Patrick Q Mason Claremont Graduate University Benjamin E Park Sam Houston State University Thomas Richards Jr Springside Chestnut Hill Academy Natalie Rose Michigan State University Stephen Eliot Smith University of Otago Rachel St John University of California Davis **God's Own Party** Daniel K. Williams, 2012-07-12 In *God's Own Party* Daniel K Williams presents the first comprehensive history of the Christian Right uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation *Fractured Modernity* Thomas Welskopp, Alan Lessoff, 2016-07-11 The ten essays in this volume deal with the debates and conflicts about modernity in a period of American history when the tensions and strains caused by seemingly unrestrained change and the reactions to it were particularly severe and tangible Partly concentrating on the margins or dark underworlds of modernity such as racism and violence partly focusing on the allegedly unlimited space to negotiate and create social order from scratch the contributions to this volume show that and discuss why modernity was an issue in contemporary United States which seemed to have been even more hotly contested than in Europe at the same time albeit sometimes in terms of Americanism rather than modernism In this book European scholars of the United States apply variations on the transnational discourse on modernity to unexpected dimensions of U S history making this volume a fascinating example of the present day enterprise of internationalizing American studies

Religion In America Since 1945 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion In America Since 1945 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion In America Since 1945 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion In America Since 1945 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religion In America Since 1945. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic

literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion In America Since 1945 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religion In America Since 1945 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
