**Religion and Society--The Dividing Lines** Mary E. Deabreu,2003-07      **Religious Education in a Plural, Secularised Society. A Paradigm Shift** Leni Franken,Patrick Loobuyck,2011 Many European societies are characterised by increasing forms of secularisation and religious diversity This results in a paradigm shift with regard to religious education For a long time the main aim of religious education was clearly to educate children in their own religious tradition Today the aims of religious education are much broader contributing to pupils general education Allgemeinbildung and preparing them for participation as a citizen in the future multicultural society As a result the following question arises in many countries how can teaching into religion be transformed into or complemented by learning about and learning from the study of religions This book brings several distinguished authors in the field of religious education together to reflect on this paradigm shift The book is divided into two parts The first part is rather descriptive and gives an informative and up to date overview of the different discussions about religious education in several European countries The second part is a normative reflection on the question of how religious education should be organised in plural secularised societies This book is very important for the discussion about religious education Its comparative approach combined with the interdisciplinary dialogue between the different schools in the field of religious education make this book highly recommendable for everyone who is interested in the state of the art and the future of religious education in Europe Didier Pollefeyt full professor in theology and religious education at the Catholic University of Leuven      *Religion and Society in T'ang and Sung China* Patricia Buckley Ebrey,Peter N. Gregory,1993-08-01 The T ang 618 907 and Sung 960 1279 dynasties were times of great change in China The economy flourished the population doubled printing led to a great increase in the availability of books Buddhism became a fully sinicized religion penetrating deeply into ordinary life This volume represents a collaborative effort of nine scholars of Chinese religion history and thought to begin addressing the question of how changes in the religions of the Chinese people were implicated in the momentous social and cultural changes of this period      *Society Unveiled: Exploring the Human Tapestry* Pasquale De Marco,2025-03-22 Journey into the heart of human society with *Society Unveiled Exploring the Human Tapestry* a captivating exploration of the intricate world of sociology This comprehensive book offers a fresh perspective on the social forces that shape our lives providing readers with a deeper understanding of themselves their communities and the world around them Written in an engaging and accessible style *Society Unveiled* delves into the core concepts of sociology unraveling the complex interplay between individuals groups and institutions From the intimate dynamics of family life to the macro forces of globalization this book provides a comprehensive overview of the social world Readers will gain a deeper understanding of social stratification cultural diversity political power and social change and how these factors shape our daily lives and collective destinies With its thought provoking insights and comprehensive coverage of key sociological concepts *Society Unveiled* is an invaluable resource for students scholars and anyone seeking a deeper understanding of the

human experience This book is more than just a textbook it s an invitation to explore the hidden patterns and connections that shape our world Through a series of engaging case studies real world examples and expert analysis readers will gain a fresh perspective on the social forces that influence their lives Society Unveiled is a timely and essential read for anyone who wants to understand the complex social issues facing our world today By exploring the intersection of social theory and real world events this book equips readers with the tools they need to navigate the challenges and opportunities of the 21st century Join us on this sociological journey and discover the power of understanding society Delve into the depths of social life and gain a fresh perspective on the human condition with Society Unveiled This book is a must read for anyone interested in sociology social sciences or simply understanding the world around them Prepare to be enlightened challenged and inspired as you embark on this exploration of the human tapestry If you like this book write a review [Education, Religion and Society](#) Dennis Bates,Gloria Durka,Friedrich Schweitzer,2006-06-28 Education Religion and Society celebrates the career of Professor John Hull a leading figure in the transformation of religious education in English and Welsh schools and co founder of the International Seminar on Religious Education and Values He has also made major contributions to the theology of disability and the theological critique of the money culture Leading international scholars join together to offer a critical appreciation of his contribution to religious education and practical theology and explore the continuing debate about the role of religious education in promoting international understanding intercultural education and human rights The contributors also deal with indoctrination racism and relationship in Christian religious issues and examine aspects of the theology of social exclusion and disability This unique book includes a complete list of John Hull s writings up to the beginning of 2005 providing both an excellent introduction to contemporary issues of religious education in the West and the most complete critical account yet of his work **Politics and Society in Western Europe** Jan-Erik Lane,Svante O. Ersson,1999-02-23 Politics and Society in Western Europe is a comprehensive introduction for students of West European politics and of comparative politics This new edition has been extensively revised and updated to meet with the new needs of undergraduate students as they come to terms with a changing social and political landscape in Europe This textbook provides a full analysis of the political systems of 18 Western European countries their political parties elections and party systems as well as the structures of government at local regional national and European Union levels Throughout the book key theoretical ideas are accessibly introduced and examined against the very latest empirical data on civil society and the state *New Voices in Greek Orthodox Thought* Trine Stauning Willert,2016-05-13 New Voices in Greek Orthodox Thought brings to the light and discusses a strand in contemporary Greek public debate that is often overlooked namely progressive religious actors of a western orientation International and Greek media tend to focus on the extreme views and to categorise positions in the public debate along well known dichotomies such as traditionalists vs modernisers Demonstrating that in late modernity parallel to rising nationalisms there is a shift towards religious communities becoming the central axis for cultural

organization and progressive thinking the book presents Greece as a case study based on empirical field data from contemporary theology and religious education and makes a unique contribution to ongoing debates about the public role of religion in contemporary Europe

**Islam in Dutch Society** W. A. R. Shadid, P. Sj. van Koningsveld, 1992 This book generally discusses three main topics connected to the situation of Muslims in Dutch society First of all attention is given to the subject of faith and rituals such as the existing mystical orders mosque sermons and the institutionalization of ritual slaughter The second subject deals with Islam and the second generation Muslims in the Netherlands In this context the situation of the so called runaway girls and education in general are discussed Special attention is given to the development and functioning of Islamic schools and to the education in one's own language and culture The last topic deals with Muslim organizations their development and role in the emancipation of these religious groups in Dutch society Furthermore obstacles hindering the establishment of a Muslim council on a national level are thoroughly discussed This book can be of interest to various categories of people such as scholars theologians social scientists lawyers policy makers and those who through their profession are in regular contact with members of the Muslim community in the Netherlands

Proceedings of the Yearly Meeting of the Religious Society of Friends, Held in New York, 1899

Turkish Culture in German Society David Horrocks, Eva Kolinsky, 1996-05-01 For many decades Germany has had a sizeable Turkish

minority that lives in an uneasy co existence with the Germans around them and as such has attracted considerable interest abroad where it tends to be seen as a measure of German tolerance However little is known about the actual situation of the Turks This volume provides valuable information presented in a most original manner in that it combines literary and cultural studies with social and political analysis It focuses on the Turkish born writer Emine Sevgi Zdamar who writes in German and whose work especially her highly acclaimed novel *Das ist eine Karawanserei* is examined critically and situated in the context of German migrant literature

*A History of the Middle Ages, 300-1500* John M. Riddle, 2008-03-13 This clear and comprehensive text covers the Middle Ages from the classical era to the late medieval period Distinguished historian John M Riddle provides a cogent analysis of the rulers wars and events both natural and human that defined the medieval era Taking a broad geographical perspective Riddle includes northern and eastern Europe Byzantium and the Islamic states Each he convincingly shows offered values and institutions religious devotion toleration and intolerance laws ways of thinking and changing roles of women that presaged modernity In addition to traditional topics of pen sword and word the author explores other driving forces such as science religion and technology in ways that previous textbooks have not He also examines such often overlooked issues as medieval gender roles and medicine and seminal events such as the crusades from the vantage point of both Muslims and eastern and western Christians In addition to a thorough chronological narrative the text offers humanizing features to engage students Each chapter opens with a theme setting vignette about the lives of ordinary and extraordinary people The book also introduces students to key controversies and themes in historiography by featuring in each chapter a prominent medieval historian and how his or her ideas have shaped contemporary thinking about the Middle Ages Richly illustrated this lively engaging book will immerse readers in the medieval world an era that shaped the foundation for the modern world

**Post-Colonial Immigrants and Identity Formations in the Netherlands** Ulbe Bosma, 2012 In this book Ulbe Bosma explores the experience of immigrants in the Netherlands over sixty years and three generations Looking at migrants from all countries Bosma teases out how their ethnic identities are informed by Dutch culture and how these immigrant identities evolve over time Fascinating comprehensive and historically grounded this essential volume reveals how the colonial past continues to shape multicultural Dutch society It is an important counterpart to work on France Britain and Portugal Andrea Smith Lafayette College

**Brethren Society** Carl F. Bowman, Carl Desportes Bowman, 1995-03 In the first book ever written on the subject Carl Bowman examines how and why members of the Church of the Brethren historically known as Dunkers after their method of baptism were assimilated faster and earlier than their Amish Mennonite or even Hutterite cousins

**The Making of a Postsecular Society** Massimo Rosati, 2016-03-03 Drawing on the thought of Durkheim this volume focuses on societal changes at the symbolic level to develop a new conceptualisation of the emergence

of postsecular societies Neo Durkheimian categories are applied to the case of Turkey which in recent years has shifted from a strong Republican and Kemalist view of secularism to a more Anglo Saxon perspective Turkish society thus constitutes an interesting case that blurs modernist distinctions between the secular and the religious and which could be described as postsecular Presenting three symbolic case studies the enduring image of the founder of the Republic Atatürk the contested site of Ayasofia and the remembering and commemoration of the murdered journalist Hrant Dink *The Making of a Postsecular Society* analyses the cultural relationship that the modern Republic has always had with Europe considering the possible implications of the Turkish model of secularism for a specifically European self understanding of modernity Based on a rigorous construction of theoretical categories and on a close scrutiny of the common challenges confronting Europe and its Turkish neighbour long considered other with regard to the accommodation of religious difference this book sheds light on the possibilities for Europe to find new ways of arranging the relationship between the secular and the religious As such it will appeal to scholars of social theory the sociology of religion secularisation and religious difference and social change
