Smith,2015-09-25 A rapidly growing number of Americans are embracing life outside the bounds of organized religion Although America has long been viewed as a fervently religious Christian nation survey data shows that more and more Americans are identifying as not religious There are more non religious Americans than ever before yet social scientists have not adequately studied or typologized secularities and the lived reality of secular individuals in America has not been astutely analyzed *American Secularism* documents how changes to American society have fueled these shifts in the non religious lands      **Memoirs of the different rebellions in Ireland, from the arrival of the English; with a**

existential threats and enticing opportunities for expansion Since coethnic rebels aspire to control the same community their antagonism is stark and immediate In addition insurgents expect to be able to draw on the resources of defeated rivals from the same ethnic group more easily than they could on those of outsiders Marshaling a range of data Pischedda s mixed methods study features original interviews conducted with former insurgent leaders The first book length examination of inter rebel fighting Conflict Among Rebels sheds new light on a key question of civil war dynamics why the enemy of my enemy is not always my friend

*How Lucifer Hijacked Humanity's Eternal Destiny* Christine Sihag, 2023-09-21 How Lucifer Hijacked Humanity s Eternal Destiny is a whimsical poetic tale that tackles some of humanity s most enduring enigmas such as the unnerving inevitability of death as the beginning of one s own eternal destiny and the disturbing existence of evil in the world But what might eternity be if life is the only testing ground that precedes forever And why has humankind been assigned such a wonderous but grave responsibility as everyone contemplates eternity with concepts of heaven hell and even nothingness These ageless ideas continue to cause everyone to hope for the very best in terms of an afterlife for themselves and for their loved ones Eternity remains as relevant a consideration now as it was in ancient times when the greatest civilizations labored to entomb their kings and queens with enough care as to ensure their safe arrival to the hereafter Thus the onus of eternity has always haunted humanity like the strange curse of death itself And as humanity still reckons with that inexplicably egregious entity called evil does anyone actually know what it is or who it is
