Religions in Global Society Peter Beyer, 2013-01-11 Peter Beyer a distinguished sociologist of religion presents a way of understanding religion in a contemporary global society by analyzing it as a dimension of the historical process of globalization Introducing theories of globalization and showing how they can be applied to world religions Beyer reveals the nature of the contested category of religion what it means what it includes and what it implies in the world today Written with exceptional clarity and illustrated with lively and diverse examples ranging from Islam and Hinduism to African traditional religions and new age spirituality this is a fascinating overview of how religion has developed in a globalized society It is recommended reading for students taking courses on sociology of religion religion and globalization and religion and modernity

Postcolonial Philosophy of Religion Purushottama Bilimoria, Andrew B. Irvine, 2009-09-30 The present collection of writings on postcolonial philosophy of religion takes its origins from a Philosophy of Religion session during the 1996 Annual Meeting of the American Academy of Religion held in New Orleans Three presentations by Purushottama Bilimoria Andrew B Irvine and Bhibuti Yadav were to be offered at the session with Thomas Dean presiding and Kenneth Surin responding Yadav unfortunately could not be present because of illness This was the rst AAR session ever to examine issues in the study of religion under the rubric of the postcolonial turn in academia Interest at the session was intense For instance Richard King then at work on the manuscript of the landmark *Orientalism and Religion* was present so too was Paul J Grifths whose subsequent work on interreligious engagement has been so noteworthy In response to numerous audience appeals revised versions of the presentations eventually were published as a Dedicated Symposium on Subalternity in volume 39 no 1 2000 of *Sophia* the international journal for philosophy of religion metaphysical theology and ethics Since that time the importance of the nexus of religion and the postcolonial has become increasingly patent not only to philosophers of religion but to students of religion across the range of disciplines and methodologies The increased internationalization of the program of the American Academy of Religion especially in more recent years is a significant outgrowth of this transformation in consciousness among students of religion

Global Fragments Eduardo Mendieta, 2008-06-05 Philosophical explorations of the processes of globalization particularly in the context of Latin America

Globalization and Religion Scaria Pannackal, Vasundhara Mohan, 2017-01-01 Globalization has created great discontinuities Its passion for profit is making people more acquisitive in terms of status power and the yearning for consumer goods There is a sense of disorientation and helplessness that is reflected in the increasing distorted religiosity among people This book offers a fresh look at the phenomenon of globalization and religion

The various chapters in this book offer an overwhelming influence of globalization on cultural dimensions of life religion identities environment and education and on marginalized communities While the economic and political impact of globalization has been studied substantially the unique contribution of this book is the focus on the cultural impact of globalization The book also studies the aggressive economic policies and growth strategies which push people to turn to religion as a scapegoat which leads to the resurgence of religion in the globalized world of today The book asks certain pertinent questions like whether such religiosity has resulted in lesser corruption more ethical way of living and deeper humanization process These reflections in the book will help the readers to respond proactively to the emerging crisis of today This book will be an insightful reading for sociologists anthropologists missionaries and social workers for their efforts towards building a more humane society today

Religion and Violence in South Asia John Hinnells, Richard King, 2007-01-24 Do religions justify and cause violence or are they more appropriately seen as forces for peace and tolerance Featuring contributions from international experts in the field this book explores the debate that has emerged in the context of secular modernity about whether religion is a primary cause of social division conflict and war or whether this is simply a distortion of the true significance of religion and that if properly followed it promotes peace harmony goodwill and social cohesion Focusing on how this debate is played out in the South Asian context the book engages with issues relating to religion and violence in both its classical and contemporary formations The collection is designed to look beyond the stereotypical images and idealized portrayals of the peaceful South Asian religious traditions especially Hindu Buddhist Jain and Sufi which can occlude their own violent histories and to analyze the diverse attitudes towards and manifestations of violence within the major religious traditions of South Asia Divided into three sections the book also discusses globalization and the theoretical issues that inform contemporary discussions of the relationship between religion and violence

Black Theology--Essays on Global Perspectives Dwight N. Hopkins, 2017-06-15 Since its start in 1966 black liberation theology in the United States has continually engaged international developments with Africa and the entire world But after Nelson Mandela was released from prison in February 1990 there has been an almost twenty year break in books on black theology and international affairs Black Theology Essays on Global Perspectives bridges that post 1990 gap and makes a vital contact with Africa again This book conceptualizes black theology to take on the global reconfigurations and opportunities brought about by the rapidly shrinking earth of fast paced worldwide contacts In other words in the specificity of the genealogy of black theology we need to reforge ties with Africa This claim is based on tradition And in the generality of the larger worldwide intertwining of technologies and economics we need a new type of black theological leadership for the twenty first century This claim is based on today s international challenges The essays in this book draw on tradition and point forward in the midst of today s worldwide challenges and favorable possibilities given the closeness of all nations and the varieties of cultures

Giddens and Politics beyond the Third Way P. Kolarz, 2016-04-25 Assessing the political dimensions of

Anthony Giddens work from the 1970s to the present this book highlights new directions for politics distinct from his Third Way Kolarz provides an assessment of Giddens political relevance and utility for present day political endeavours reflecting on the approach to critical social theory found in his early work notably his theory of structuration and critique of historical materialism and his consequent utopian realist analysis of late modernity Giddens and Politics beyond the Third Way extracts from his work a rationale for global redistributive action as well as an integrative approach to policymaking suggesting that coherence of centre left emancipatory politics requires coordination of policy areas previously thought of as separate
