**Classical Myths and Legends in the Middle Ages and Renaissance** H. David Brumble, 1998-02 While numerous classical dictionaries identify the figures and tales of Greek and Roman mythology this reference book explains the allegorical significance attached to the myths by Medieval and Renaissance authors Included are several hundred alphabetically arranged entries for the gods goddesses heroes heroines and places of classical myth and legend Each entry includes a brief account of the myth with reference to the Greek and Latin sources The entry then discusses how Medieval and Renaissance commentators interpreted the myth and how poets dramatists and artists employed the allegory in their art Each entry includes a bibliography and the volume concludes with appendices and an extensive bibliography of primary and secondary sources *Religious Art in France, XIII Century* Emile Mâle, 1913 **"The Spectacle of Clouds, 1439?1650"** Alessandra Buccheri, 2017-08-04 The studies in which history of art and theatre are considered together are few and none to date investigate the evolution of the representation of clouds from the early Renaissance to the Baroque period This book reconsiders the origin of Italian Renaissance and Baroque cloud compositions while including the theatrical tradition as one of their most important sources By examining visual sources such as paintings frescos and stage designs together with letters guild ledgers descriptions of performances and relevant treatises a new methodology to approach the development of this early modern visuality is offered The result is an historical reconstruction where multiple factors are seen as facets of a single process which led to the development of Italy's visual culture The book also offers new insights into Leonardo da Vinci's theatrical works Raphael's Disputa Vasari's Lives and Pietro da Cortona's fresco paintings The Spectacle of Clouds 1439 1650 examines the different ways Heaven has been conceived imagined and represented from the fifteenth to the seventeenth century crossing over into the fields of history religion and philosophy **ARTnews**, 1954 **Religious Art in France of the Thirteenth Century** Emile Mâle, 2012-11-16 Classic by noted art historian focuses on French cathedrals of the 13th century as apotheosis of medieval style Iconography bestiaries illustrated calendars gospels secular history many other aspects 190 black and white illustrations *Women, Religion, and Social Change* Yvonne Yazbeck Haddad, Ellison Banks Findly, 1985-09-01 De bijdragen in dit boek onderzoeken welke rol vrouwen van diverse religieuze achtergronden hebben gespeeld in revoluties en sociale veranderingen Er wordt nagegaan hoe religies de deelname van vrouwen aan het sociale veranderingsproces stimuleren of belemmeren Alle grote wereldgodsdiensten en hun verschillende lokale invullingen komen aan bod *The Age of Reason Begins* Will Durant, Ariel Durant, 1961 If there is a linchpin to understanding modern European history it lies in the period of religious strife on the other Shakespeare Cervantes Montaigne Rembrandt It also encompasses the heyday of Bacon Galileo Giordano Bruno Descartes the fathers of modern science philosophy But it is equally an age of extreme violence a moment in which all Europe was embroiled in the horrible Thirty Years War in some respects the real First World War Whatever the case this is a chapter in cultural history one can't set aside Mr Mrs Durant

are admirably lucid This is a book that can be commended very warmly The New York Times The History of Western Painting Virginia Forte,2015-07-15 Just as the great artists of history illustrated the eras in which they lived this comprehensive guide paints for today s reader a picture of the history of painting from its earliest manifestations through the present day Covering such formative moments as early Christian iconography the High Renaissance in Italy and later developments in style under such movements as the Baroque Romanticism and Modernism this authoritative guide brings to life the techniques and styles of painters throughout the ages Elements of Social Organisation Raymond Firth,2013-10-11 An illuminating introduction to the methods and problems of social anthropology this book draws on a wide range of illustrations including Raymond Firth s own experiences in New Zealand Malaya and the Solomon Islands The concept of social organisation is discussed with special reference to the role of individual choice and decision in social affairs and the nature of social change Social organisation in relation to economic aesthetic moral and religious values is also examined First published in 1951 This re issue is of the third 1961 edition **A Short History of Christianity** Martin E. Marty,1987-01-01 For the non specialist Martin Marty traces the church s quest through twenty centuries for unity sanctity universality and authentic witness He delves into the disparity between the ideals of the church and historical reality in order to provide a brilliant instructive and eminently fair statement of the history of Christianity from its founding to the present day In this second edition revised and expanded Marty has added an entirely new section entitled Postscript and Prescript in which he discusses the recent past and prospects Fresh insights and revisions based on the most recent contemporary developments keep this volume abreast of the times making it an up to date survey of the history of Christianity The Catholic Reformation Michael Mullett,2002-03-11 The Catholic Reformation provides a comprehensive history of the Counter Reformation in early modern Europe Starting from the middle ages Michael Mullett clearly traces the continuous transformation of the Catholic religion in its structures bodies and doctrine He discusses the gain in momentum of Catholic renewal from the time of the Council of Trent and considers the profound effect of the Protestant Reformation in accelerating its renovation This book explores how and why the Catholic Reformation occurred stressing that moves towards restoration were underway well before the Protestant Reformation Michael Mullett also shows the huge impact it had not only on the papacy Church leaders and religious ritual and practice but also on the lives of ordinary people their culture arts attitudes and relationships Ranging across the continent The Catholic Reformation is an indispensable new survey which provides a wide ranging overview of the religious political and cultural history of the time **Style and Content in Christian Art** Jane Dillenberger,2005-01-25 A profound and sympathetic introduction to the scope of Christian art it is written in language simple enough for the lay person and its length is almost ideally suited to its purpose This work is sound from the standpoint of art history and criticism as well as Christian thought and understanding Liturgical Arts In 228 pages of lucid exposition Mrs Dillenberger presents an authoritative yet untechnical history of style in western art Her time span is Christian her

examples all illustrated are Christian in subject matter Her analyses weigh subject and meaning iconography together with formal values line shape mass space light and shade It is written for the intelligent educated lay person seeking an understanding of art it should appeal to Christian and non Christian alike Religious Education The title is honest the approach logical and effective The author knows what she is doing both artistically and theologically Often grubby matters like iconography form composition and meaning in works of art are clearly and interestingly handled It is a model of commonsense lucidity Duke Divinity

**Alone of All Her Sex** Marina Warner,1983-03-12 Shows how the figure of Mary has shaped and been shaped by changing social and historical circumstances and why for all their beauty and power the legends of Mary have condemned real women to perpetual inferiority

Imagining Jesus Christ in Middle English Literature, 1275-1475 Theresa Tinkle,2024-09-16 This book interprets Jesus Christ as a complicated disunified literary character in Middle English literature where he appears variously as king traitor victorious conqueror sacrificial lamb heroic knight lover and spouse often as several contradictory figures in a single work These tropes derive from Scripture doctrines about Christ s two natures and theories of redemption This book examines the full range of representations in Southern Passion Northern Passion Pepysian Gospel Harmony Stanzaic Life of Christ Cursor Mundi Nicholas Love s Mirror of the Blessed Life of Jesus Christ Sir John Mandeville s Book the York Play and Julian of Norwich s Revelation of Love Although Christ s two natures are well represented in existing scholarship many traditions have been overlooked including commonplace treatments of Christ as both a traitor and king conqueror and sacrificial lamb hero and lover As writers call upon audiences to feel compassion for Jesus s suffering they almost universally express antipathy toward his Jewish torturers complicating our ideas about affective piety In these works the Virgin Mary is less exemplary for her compassion than for her understanding of doctrine In short this book offers new perspectives on vernacular Christology between about 1275 and 1475 Theresa Tinkle is a Professor within the Department of English Language and Literature at the University of Michigan USA as well as Director of the Gayle Morris Sweetland Center for Writing Previous publications include Medieval Venuses and Cupids Sexuality and Hermeneutics in English Poetry 1996 and Gender and Power in Medieval Exegesis Palgrave 2010 Theresa s academic training and publications include the study of medieval English and Latin literature the medieval reception of the Bible gender and sexuality studies paleography and manuscript studies composition and pedagogy and disability studies

*Stages of Evil* Robert Lima,2005-12-23 The evil that

men do has been chronicled for thousands of years on the European stage and perhaps nowhere else is human fear of our own evil more detailed than in its personifications in theater Early writers used theater to communicate human experiences and to display reverence for the gods governing daily life Playwrights from Euripides onward sought inspiration from this interplay between the worldly and the occult using human belief in the divine to govern characters actions within a dramatic arena The constant adherence to the supernatural despite changing religious ideologies over the centuries testifies to a deep and continuing belief in the ability of a higher power to interfere in human life Stages of Evil is the first book to examine the representation and relationship of evil and the occult from the prehistoric origins of drama through to the present day Drawing on examples of magic astronomy demonology possession exorcism fairies vampires witchcraft hauntings and voodoo author Robert Lima explores how theater shaped American and European perceptions of the occult and how the dramatic works studied here reflect society back upon itself at different points in history From representations of Dionysian rites in ancient Greece to the Mouth of Hell in the Middle Ages to the mystical cabalistic life of the Hasidic Jews to the witchcraft and magic of the Elizabethan and Jacobean stage Lima traces the recurrence of supernatural motifs in pivotal plays and performance works of the Western tradition Considering numerous myths and cultural artifacts such as the wild man he describes the evolution and continual representation of supernatural archetypes on the modern stage He also discusses the sociohistorical implications of Christian and pagan representations of evil and the theatrical creativity that occultism has engendered Delving into his own theatrical literary folkloric and travel experiences to enhance his observations Lima assays the complex world of occultism and examines diverse works of Western theater and drama A unique and comprehensive bibliography of European and American plays concludes the study and facilitates further research into the realm of the social and literary impact of the occult     The Grove Encyclopedia of Medieval Art and Architecture Colum Hourihane,2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe from the 6th century to the early 16th century Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of Western history and international art and architecture

*Imaging the Other* Marie A. Conn,Thérèse McGuire,2009-12-11 *Imaging the Other* Essays on Diversity emerged from Nancy Porter s essay in Conn and McGuire s second collection of essays *Not Etched in Stone* Essays on Ritual Memory Soul and Society Porter explored the creation of the other as the basis for conflict among humans In the present collection each author considered the general theme in the context of her or his own background interests and research At a time when much of the world is in turmoil these essays speak of the other how we create categories the consequences of such categories and ways of re imaging those who for whatever reason are different from us Each essay in this collection stands on its own and grows out of the author s unique discipline and experience however these essays intersect with each other in
