Religious Belief Philosophical Thought:

Religious Belief and Philosophical Thought William P. Alston, 1963 *Religious Belief and Philosophical Thought*
William P. Alston, 1963 *Religious Belief and Philosophical Thought* Alvin Ward Gouldner, 1963 **The Logical Bases of Religious Belief as Treated in Recent Philosophical Thought** Alvin Harold Kauffman, 1945 *Wittgenstein's (Misunderstood) Religious Thought* Earl Stanley B. Fronda, 2010 This book argues that Wittgenstein's religious thought is misunderstood by its critics and that their misunderstandings are a result of being oblivious of apophatic theology the theology that encapsulates Wittgenstein's religious point of view **An Essay on African Philosophical Thought** Kwame Gyekye, 1995 In this sustained and nuanced attempt to define a genuinely African philosophy Kwame Gyekye rejects the idea that an African philosophy consists simply of the work of Africans writing on philosophy It must Gyekye argues arise from African thought itself relate to the culture out of which it grows and provide the possibility of a continuation of a philosophy linked to culture Offering a philosophical clarification and theology and ethics of the Akan of Ghana Gyekye argues that critical analyses of specific traditional African modes of thought are necessary to develop a distinctively African philosophy as well as cultural values in the modern world **Faith and the Philosophers** NA NA, 2015-12-25 [Christian Apologetics: How a Bot Reassured my Faith in God](#) Kit H. Lui, 2024-01-26 I used my POE AI bot KitLuiApologeticsBot to write this book based on materials I uploaded to my bot It was written by my bot with some editing and research from me and some prompts and questions to train the bot Hope you enjoy the journey and learn something new from my book This book is intended for Christians and non Christians who want to explore intellectual and philosophical questions about religion life and purpose In this age of doubt and uncertainty I want to provide some hope to people for a better world We hope that you will use my bot to further explore the topic of religious and philosophical speculation The success and progress of this world depends on collaboration and enlightenment Hope this book helps other to achieve this It is with great enthusiasm that I introduce to this book to you It is a captivating exploration of philosophy intellectual history and the timeless question of belief in God We are confident that this book will not only provide thought provoking insights but also stimulate your intellectual curiosity in ways that few other works can In our modern age where demands for evidence and rational argument weigh heavily on our minds the existence of God continues to be a topic of intense debate This book delves deep into this fundamental question presenting a diverse range of perspectives from renowned philosophers scholars and thinkers It offers a comprehensive analysis of the demands for scientific proof the concept of blind faith and the potential benefits and drawbacks of belief in God Through the valuable insights provided in by the bot you will encounter the voices of individuals who have grappled with the profound implications of belief in God From the challenges of self doubt to the search for evidence the book takes you on a journey of exploration encouraging you to question reflect and engage with these timeless ideas Moreover this book goes beyond mere intellectual discourse It delves into the deeply personal and existential aspects of belief acknowledging the

desires for hope peace and salvation that belief in God can provide It also explores the cultural embeddedness of this belief highlighting the profound impact it has had on societies throughout history But this book is not just for those who already hold strong beliefs It is for anyone who seeks to understand the complexities of the human experience to explore the depths of philosophical inquiry and to engage in thoughtful discourse that transcends dogma and ideology By delving into the pages of this book you will embark on a journey of intellectual discovery challenging your own assumptions and broadening your understanding of the profound questions that have shaped humanity's search for truth and meaning So whether you are a seasoned philosopher a curious skeptic a Christian or non Christian or simply a seeker of knowledge I invite you to embrace this opportunity to expand your horizons and engage with the rich tapestry of ideas contained within this compelling book Join me on this intellectual adventure where the boundaries of belief and reason are explored and where the quest for truth takes center stage Together let us embark on a journey that will challenge inspire and enrich our understanding of the human condition Read my book and open the door to a world of intellectual exploration that will leave a lasting impact on your mind and spirit

Religious Belief and the Will Louis P. Pojman, 2024-10-31 Can we ever achieve belief by a direct act of will If it will help us to be happier should we make ourselves believe propositions which the evidence alone does not warrant These are the sort of questions which Professor Pojman examines in *Religious Belief and the Will* originally published in 1986 He deals with a constellation of problems related to believing and willing to believe his main concern is with religious faith and belief though his analysis is also of interest to epistemology and ethics Pojman asks what is so important about believing propositions in the first place and why religious creeds have made propositional belief a necessary condition for salvation He considers whether one can be rational and still use the will to believe what the evidence alone does not warrant He also discusses whether faith and belief are generically related or distinct attitudes This is the first full length treatise on religious belief that approaches the subject from the viewpoint of volitional activity i e related to the will It presents a rethinking of the way the will interacts with belief a relationship often misconstrued in works of philosophy and theology Pojman believes that the will is central to religious commitment and that by understanding the relationship between the attitude of belief and the activity of willing we are enabled to get fresh insight into the classical problem of religious belief and the will

Readings in Russian Philosophical Thought Louis Shein, 2010-10-30 A collection of readings in Russian philosophical thought

The Philosophy of Religion Linda Zagzebski, 2007-03-12 An accessible and engaging introduction to the philosophy of religion Written with verve and clarity by a leading philosopher and contributor to the field Places key issues and debates in the philosophy of religion in their historical contexts highlighting the conditions that led to the development of the field Addresses the core topics among them the the existence of God the problem of evil death and the afterlife and the problem of religious diversity Rich with argument yet never obtrusive Forms part of the Fundamentals of Philosophy series in which renowned scholars explore the fundamental issues and core problems in the major sub disciplines

of philosophy **The Shape of the Past** John Warwick Montgomery, 2008-02-05 Dr Montgomery contends that no one can sit in a house by the side of the road and watch the world go by Everyone is caught up in the flux of human life and there is no naturalistic resting place within human history from which one can gain a universal absolute perspective on man's life Christianity is the only answer to this basic human predicament for it claims and by the resurrection backs up its claim that there is a God and that He entered human history and revealed its essential nature **Thought: A Philosophical**

History Panayiota Vassilopoulou, Daniel Whistler, 2021-05-03 Of all the topics in the history of philosophy the history of different forms of thinking and contemplation is one of the most important and yet is also relatively overlooked What is it to think philosophically How did different forms of thinking reflection contemplation critique and analysis emerge in different epochs This collection offers a rich and diverse philosophical exploration of the history of contemplation from the classical period to the twenty first century It covers canonical figures including Plato Aristotle Descartes and Kant as well as debates in less well known areas such as classical Indian and Islamic thought and the role of speculation in twentieth century Russian philosophy Comprising twenty two chapters by an international team of contributors the volume is divided into five parts Flourishing and Thinking from Homer to Hume The Thinking of Thinking from Augustine to G del Images and Thinking from Plotinus to Unger Bodies of Thought and Habits of Thinking from Plato to Irigaray The Efficacy of Thinking from Sextus to Bataille Thought A Philosophical History is the first comprehensive investigation of the history of philosophical thought and contemplation As such it is a landmark publication for anyone researching and teaching the history of philosophy and a valuable resource for those studying the subject in related fields such as literature religion sociology and the history of ideas

A Rational Faith Joshua Sijuwade, 2025-03-27 A comprehensive analysis of Richard Swinburne's intellectual journey and philosophical work A Rational Faith explores the legacy of one of the most influential and rigorous philosophical defenders of theism Across Swinburne's written career he has displayed a deep commitment to demonstrating the intellectual credibility of the Christian faith facing modern scientific and philosophical challenges and the materialistic worldview of modern intellectualism Analysing his life and work through in depth accessible explanations of key issues and their context Joshua Sijuwade brings together collected criticism of Swinburne's work and explores possible counter arguments alongside a foreword by Richard Swinburne himself Suitable for any reader interested in Swinburne's philosophy first approach or those intrigued by a philosophical defence of the Christian faith A Rational Faith reveals Swinburne's life and work as a witness to his belief that belief in the central tenets of the Christian faith is rational Illuminating Faith Francesca Aran

Murphy, Balázs M. Mezei, Kenneth Oakes, 2015-01-29 This textbook will give students a clear understanding of the connection between faith and reason Illuminating Faith gives students a clear and accessible introduction to some of the major ways faith and the relationship between faith and reason have been understood within Western Christianity In twenty six short and easy to digest units it covers different accounts of faith beginning with Scripture moving through the history of Christian

thought and ending with contemporary views Along the way it explores some of the decisive theological and philosophy accounts of faith such as faith seeking understanding faith and supernatural virtue faith and skepticism and faith and science Yet it also includes significant issues and movements not typically covered in introductory texts such as documents from church councils faith as knowledge assent and trust in the Protestant scholastics faith and the heart in pietism secularized accounts of faith faith after Auschwitz and faith and liberation The goal of each unit is to introduce students to topical issues surrounding the nature of faith to provide historical background for each topic and to generate further discussion and reflection on the nature of faith The result is a well balanced and unique introduction to various understandings of faith Designed specifically with classroom use in mind Illuminating Faith includes a glossary of words an update to date bibliography and each chapter ends with questions for discussion as well as suggestions for relevant reading material

Philosophy in Russia Frederick Copleston, 2010-01-07 Philosophy in Russia covers its subject broadly and in detail from the eighteenth century to Lenin and beyond into the post Stalin period It offers a continuous history of the development of philosophical thought in Russia and portraits of individual and influential thinkers The author devotes careful analysis to radicals such as Bakunin Herzen Chernyshevsky and Lavrov and to the Marxists such as Plekhanov and Lenin He also discusses the thought of writers such as Kireevsky Leontiev and Solovyev and examines the philosophically relevant ideas of Dostoevsky and Tolstoy He also discusses Russian thinkers in exile such as Berdyaev Frank N O Lossky and Shestov For historical reasons philosophical thought in Russia has tended to become socially or politically committed thought To what extent genuine philosophical thought has proved to be compatible with the monopoly enjoyed by Marxism Leninism in the fields of education and publishing is a crucial question discussed in this authoritative study

Reason And Religious Faith Terence Penelhum, Emeritus, 2019-07-11 The concerns of philosophy and of religion overlap to a considerable extent each seeks among other things to develop an account of mankind's place in the universe But their relationship has never been an easy one Faith gives rise to philosophical puzzlement just as secular beliefs do but it also generates special philosophical questions that secular beliefs do not This engaging text encourages students and other readers to grapple with these special questions of faith to look at how they relate to other issues in philosophy and in the empirical study of religion Equally accurate and insightful in its treatment of historical authors such as Aquinas and Pascal as it is in treatment of such contemporaries as Plantinga and Alston Reason and Religious Faith is the most up to date and balanced introduction to these issues available It marks an advance over earlier surveys in its recognition of religious pluralism and the relevance of non Christian religious views It is an ideal introduction to the issues of religious epistemology for students of both religious studies and philosophy

Philosophical Thoughts of a Layperson Roger E. E. Barki, 2009-10

Faith and Science in Russian Religious Thought Teresa Obolovitch, 2019 Faith and Science in Russian Religious Thought provides a comprehensive analysis of the relationship between science and faith in Russian religious thought Teresa Obolovitch offers a

synthetic approach on the development of the problem throughout the whole history of Russian thought starting from the medieval period and arriving in contemporary times She considers the relationship between science and religion in the eighteenth century the so called academic philosophy of the 19th and 20th century the thought of Peter Chaadaev the Slavophiles and in the most influential literature figures such as Fedor Dostoevsky and Lev Tolstoy The volume also analyses two channels of the formation of philosophy in the context of the relationship between theology and science in Russia The first is connected with the attempt to rationalize the truths of faith and is exemplified by Vladimir Soloviev and Nikolai Lossky the second with the apophatic tradition is presented by Pavel Florensky and Semen Frank The book then describes the relation to scientific knowledge in the thought of Lev Shestov Nikolai Berdyaev Sergius Bulgakov and Alexei Losev as well as the original project of Russian Cosmism on the examples of Nikolai Fedorov Konstantin Tsiolkovsky and Vladimir Vernadsky Obolevitch presents the current state of the discussion on this topic by paying attention to the Neopatristic synthesis Fr Georges Florovsky and his followers and offers the brief comparative analyse of the relationship between science and religion from the Western and Russian perspectives **Calcutta Review** ,1929
