Journal of Religious Psychology, Including Its Anthropological and Sociological Aspects ,1913 Includes section Book reviews      **The Construction of Homosexuality** David F. Greenberg,2008-10-29 At various times homosexuality has been considered the noblest of loves a horrible sin a psychological condition or grounds for torture and execution David F Greenberg s careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant The book takes us over vast terrains of example and detail in the history of homosexuality Nicholas B Dirks New York Times Book Review      Heretics and Hellraisers Margaret C. Jones,2014-01-27 The Masses was the most dynamic and influential left wing magazine of the early twentieth century a touchstone for understanding radical thought and social movements in the United States during that era As a magazine that supported feminist issues it played a

crucial role in shaping public discourse about women's concerns. Women editors, fiction writers, poets, and activists like Mary Heaton Vorse, Louise Bryant, Adriana Spadoni, Elsie Clews Parsons, Inez Haynes Gillmore, and Helen Hull contributed as significantly to the magazine as better-known male figures. In this major revisionist work, Margaret C. Jones calls for reexamination of the relevance of Masses' feminism to that of the 1990s. She explores women contributors' perspectives on crucial issues: patriarchy, birth control, the labor movement, woman suffrage, pacifism, and ethnicity. The book includes numerous examples of the writings and visual art of Masses' women and a series of biographical/bibliographical sketches designed to aid other researchers.

*Wealth and Rebellion* Rosemary Lévy Zumwalt, 1992. Boss Lady had a unique position in Boss Man's old retired pimp's whorehouse. She was the madam in charge of keeping the girls on their toes or backs as it were. And to top things off, Boss Man had given her permission to throw weekly parties in which she was allowed to freak with any of the women she chose. She, being a recently released lesbian from prison, took full advantage of Boss's gratuity. Everything was running fine until the elderly Boss Man suffered a fatal heart attack, some saying because of the pressure he was under to sell the Mob's dope, which they forced on him, and he didn't know how to handle while fearing the wrath of the organization if he messed up. Immediately after the death of Boss Man, Lady, while grieving his loss, wasn't sure she could fill his shoes. But with the aid of Old Ben, one of Boss's life-long friends and barber shop owner, she pulled herself together and managed to keep the whorehouse open, even getting more girls to join her stable. Once Boss Lady found her feet, she became unsatisfied with only running one place. She was ambitious. She, while using money Boss Man left her, purchased another house and hired another retired pimp to run it. The question is: would her ambition be the catalyst which would bring her criminal life crashing down on her head?

Women Writing Culture Ruth Behar, Deborah A. Gordon, 1995. Extrait de la couverture: Here for the first time is a book that brings women's writings out of exile to rethink anthropology's purpose at the end of the century. As a historical resource, the collection undertakes fresh readings of the work of well-known women anthropologists and also reclaims the writings of women of color for anthropology. As a critical account, it bravely interrogates the politics of authorship. As a creative endeavor, it embraces new Feminist voices of ethnography that challenge prevailing definitions of theory and experimental writing.
