

RELIGIOUS EXPERIENCE

IN EARLIEST CHRISTIANITY

Luke Timothy Johnson

Religious Experience In Earliest Christianity

John Eifion Morgan-Wynne

Religious Experience In Earliest Christianity:

Religious Experience in Earliest Christianity Luke Timothy Johnson, 1998 In three fascinating probes of early Christianity examining baptism speaking in tongues and meals in common Johnson illustrates how a more wholistic approach opens up the world of healings and religious power of ecstasy and spire in short the religious experience of real persons Early Christian texts he finds reflect lives caught up in and defined by a power not in their control but engendered instead by the crucified and raised Messiah Jesus

Religious Experience in Earliest Christianity Luke Timothy Johnson, In three fascinating probes of early Christianity examining baptism speaking in tongues and meals in common Johnson illustrates how a more wholistic approach opens up the world of healings and religious power of ecstasy and spire in short the religious experience of real persons Early Christian texts he finds reflect lives caught up in and defined by a power not in their control but engendered instead by the crucified and raised Messiah Jesus

Religious Experience of the Pneuma Clint Tibbs, 2012-04-26 This book explores the Christian religious experience of the pneuma given in 1 Corinthians 12 and 14 The experience Paul mentions in these texts as well as the mention of spirits in three different places suggest that Paul was actually writing about communicating with the spirit world

Religious Experience and the Creation of Scripture Mark Wreford, 2021-01-28 This volume examines the reasons that prompted the New Testament writers to create the texts which would become the formation of the Christian religion exploring the possibility that certain religious experiences were understood as revelatory and consequently inspired the writing of texts which were seen as special from their inception Mark Wreford uses Luke Acts and Galatians as test cases within the New Testament reflecting both on the stated importance of religious experiences whether the author's own or others to the development of these texts and the status the texts claim for themselves Wreford suggests that Luke Acts offers a helpful example of the relationship between religious experience and the creation of Scripture as an extensive narrative which reflects on early Christian claims to Spirit inspired witness and which begins with an explicit authorial statement of purpose Similarly in Galatians Paul's autobiographical account of God's revelation of Christ to him is the foundation of a letter that is intended to play an authoritative role in shaping its addressee's own faith and practice Wreford argues that religious experiences are presented as the driving force behind the creation of the texts examining how such religious experience links with notions of scripture and canonicity He then asserts that both Luke and Paul understood themselves to be creating new scriptural writings on the basis of their relationship to new religious experiences citing the experience and speech at Pentecost the inclusion of gentiles in the experience and Paul's own conversion experience as key elements behind the self understanding of these New Testament authors

Holy Spirit and Religious Experience in Christian Literature ca. AD 90-200 John Eifion Morgan-Wynne, 2006-06-01 Holy Spirit and Religious Experience seeks to find out how far the centrality of the Holy Spirit in Christian experience during the earliest period of the church was maintained or diminished in the third to the fifth generations ca AD 90 200 Three themes are

explored First the sense of encounter with the divine presence the numinous a sense of being caught up into the divine being or being overwhelmed by the One who is beyond us Secondly a sense of being illuminated in respect to the truth given deeper understanding of God s purpose whether for the individual or the congregation or guided in decision making Thirdly a sense of ethical empowerment an awareness of being helped by divine power assisted in a course of action or development of character in grappling with temptation or in the ultimate test of loyalty martyrdom This book is arranged geographically from Syria and Asia Minor in the East to Rome and Gaul in the West including North Africa and Egypt Christian authors within these areas are examined chronologically from the later New Testament writers through the second century to Clement of Alexandria and Tertullian of Carthage for the evidence they supply The variegated picture which emerges it is contended reflects second century Christianity

A Language for the Soul Stuart C. Devenish, 2024-10-24 This volume offers Christian spiritual instructors a language for the soul uncovered from the storehouses of Christianity s ancient living spiritual tradition That language describes the deep soul movements that unfold in the interior life of believers in response to the Divine invitation It presents an accessible language of the soul for use in today s professional educational ministerial and everyday life situations The end product is an experiential dictionary comprised of sixty word concepts which name and explore the inward human reactions to the whispering of God s Spirit Those reactions result from inward desires that lead to the embrace of faith the quest for consecration and the journey of discipleship Nurturing these intra personal choices and commitments is the central task of Christian ministry but many faith instructors remain unaware of these critical inner life processes More than other resources available today this experiential dictionary informs enriches and intensifies the spiritual journeys of genuine disciples and seekers The volume is tailored for seminaries churches schools and community settings It has application to the training of ministry leaders the instruction of believers and in supporting the growing number of secular mystics who are open to merging their journeys of self discovery with the quest for Christ discovery

The Oxford Handbook of Early Christian Ritual Risto Uro, Juliette Day, Rikard Roitto, Richard E. DeMaris, 2019 The Handbook provides an indispensable account of the ritual world of early Christianity from the beginning of the movement up to the end of the sixth century

Jesus and the Thoughts of Many Hearts Collin Bullard, 2015-02-26 In the Gospel of Luke the aged Simeon foresees the future opposition which Jesus will face 2 34 35 and concludes his ominous oracle with a vivid description of the final outcome of Jesus ministry so that the thoughts of many hearts may be revealed 2 35 Bullard presents an investigation of the narrative and Christological significance of this revelation of thoughts in the ministry of Jesus especially as this revelation is demonstrated and fulfilled in Jesus ability to know the thoughts in the hearts of those whom he encounters throughout the Gospel Bullard first explores a number of potential literary parallels to Jesus knowledge of thoughts in Greco Roman and Jewish sources He then undertakes a narrative and redaction critical study which spans the Gospel in order to provide a full description of the revelation of thoughts in Jesus ministry What Jesus knows and how he knows it are fundamental features of

his identity governing how he relates to others in the narrative Yet the issue of whether or how Jesus knowledge of thoughts fits into Luke s overall Christological portrait has been given only superficial attention Bullard offers an account of the Christological significance of Jesus knowledge that makes sense of both its internal narrative development and external literary parallels

Psychedelics and Christian Faith Ronald Cole-Turner,2025-01-22 Psychedelic drugs may be illegal but research shows that they are highly promising treatments for a range of mental health challenges Post traumatic stress disorder PTSD depression substance abuse disorders and many other conditions may soon be treated by adding one or two psychedelic sessions to conventional psychotherapy The new approach is called psychedelic assisted therapy and some believe it will be so transformative that they call this moment the psychedelic renaissance What makes it important for Christians is that these drugs bring about profoundly meaningful spiritual experiences In the very same labs where psychedelics are studied for their mental health benefits researchers are documenting that they bring about intensely meaningful mystical or spiritual experiences In fact the latest research points to a connection between the spiritual experience and the mental health benefit as if the healing comes from the spiritual experience Christians are typically cautious about psychedelics but our moment calls for theological and pastoral boldness It is time to prepare a welcome for those whose spiritual awareness has been awakened by these drugs whether used in therapy or in other settings All spiritual seekers especially today s psychedelic spiritual seekers deserve a home in the community of faith

Reading Acts Today Loveday Alexander,2011-09-15 **In the World but Not of the World** A. Sue Russell,2019-11-20 There has been much discussion of two dimensions of the kingdom of God in scholarship the temporal already not yet and the embodied spirit flesh Russell proposes that there is a third parallel dimension a social dimension Using Victor Turner s concepts of structure antistructure and liminality Russell explores how these concepts are consistently expressed in Jesus teaching in Paul s writing and through the writers of the second and third centuries She demonstrates how from the very beginning of the Jesus movement Christ followers were unique not because their members were to live liminal lives apart from structure but because they lived out new antistructural relationships within existing structures and thus transformed them They lived liminally within their structure

SCM Studyguide to Religious and Spiritual Experience Jeff Astley,2020-02-28 This Studyguide provides a succinct and lucid introduction to the subject for those studying and teaching religion at both undergraduate and GCE AS A level By exploring the key areas of both the empirical and theoretical study of religious and spiritual experience the Studyguide will serve as an accessible and nonpartisan guide to enable its readers to explore the range of challenging data debates approaches and issues that relate to the study of this widespread and significant phenomenon

Dictionary of Christian Spirituality Zondervan,2016-11-22 In recent decades Christian spirituality spiritual formation and spiritual theology have become important concepts in the global evangelical community Consequently an accessible and reliable academic resource is needed on these topics one that will offer a discerning orientation to the

wealth of ecumenical resources available while still highlighting the distinct heritage and affirming the core grace centered values of classic evangelical spirituality The Dictionary of Christian Spirituality reflects an overarching interpretive framework for evangelical spiritual formation a holistic and grace filled spirituality that encompasses relational connecting transformational becoming and vocational doing dynamics At the same time contributors respectfully acknowledge the differences between Reformed Holiness and Pentecostal paradigms of the spiritual life And by bringing together writers from around the world who share a common orthodoxy this reference work is truly global and international in both its topical scope and contributors Entries give appropriate attention to concepts concerns and formative figures in the evangelical tradition of spirituality that other reference work neglect They offer a discerning orientation to the wealth of ecumenical resources available exploring the similarities and differences between Christianity and alternate spiritualities without lapsing into relativism The Dictionary of Christian Spirituality is a resource that covers a wide range of topics relating to Christian spirituality and is biblically engaged accessible and relevant for all contemporary Christians

Jesus and the Spirit James D. G. Dunn, 1997-06-11 Explores the religious experiences of Jesus Paul and the early church with special emphasis on the Holy Spirit and charismatic experiences

Lubavitcher Messianism Simon Dein, 2011-01-20 In 1994 the Lubavitcher Rebbe Menachem Schneerson died leaving no successor For many years his followers had maintained that he was Moshiach the Jewish Messiah and would usher in the Redemption After his death Lubavitch divided into two opposing groups While some messianists hold that the Rebbe died but is to be resurrected as the messiah others hold that he is still alive but concealed The anti messianists maintain that the Rebbe could have been Moshiach if God had willed it but they disagree vehemently that as such he could come back from the dead Using ethnographic data obtained by the author through twenty years of fieldwork this book presents a social psychological account of Lubavitcher Messianism and moves beyond the typical scholarly preoccupation with belief and dissonance to examine the role of rhetoric religious experience and ritual in maintaining counterintuitive convictions Through examining the parallels between early Christianity and messianism in Lubavitch this book provides a comprehensive perspective for examining messianism generally

Lord Jesus Christ Larry W. Hurtado, 2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century Lord Jesus Christ is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset's *Kyrios Christos* 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance but he also explores telling devotional

practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the nomina sacra The revealing portrait that emerges from Hurtado s comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado s Lord Jesus Christ is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it

The Cambridge Companion to Religious Experience Paul K. Moser, Chad Meister, 2020-07-16 For centuries theologians and philosophers among others have examined the nature of religious experience Students and scholars unfamiliar with the vast literature face a daunting task in grasping the main issues surrounding the topic of religious experience The Cambridge Companion to Religious Experience offers an original introduction to its topic Going beyond an introduction it is a state of the art overview of the topic with critical analyses of and creative insights into its subject Religious experience is discussed from various interdisciplinary perspectives from religious perspectives inside and outside traditional monotheistic religions and from various topical perspectives Written by leading scholars in clear and accessible prose this book is an ideal resource for undergraduate and graduate students teachers and scholars across many disciplines

Snatched Into Paradise (2 Cor 12:1-10) James Buchanan Wallace, 2011 In 2 Corinthians 12 1 10 Paul claims to have been snatched into paradise but then tells how he received a thorn in the flesh Many recent scholars contend that Paul belittles ecstatic experiences such as the ascent to paradise This monograph places 2 Corinthians 12 1 10 in the contexts of ancient ascent traditions as well as other accounts of extraordinary religious experience in Paul s letters and it engages premodern interpretation of the ascent This study argues that for Paul extraordinary experiences such as the ascent enable self transcending love for God and neighbors

The Holy Spirit and Christian Experience Simeon Zahl, 2020 The Holy Spirit and Christian Experience is a work of Christian theology that reflects on the emotional dimensions of Christian religious belief It draws on insights from outside of the field of Christian theology as well as classic theological figures to argue for the importance of paying theological attention to affect and emotion

Journal of Biblical and Pneumatological Research Paul Elbert, 2012-09-28 Journal of Biblical and Pneumatological Research VOLUME FOUR FALL 2012 The Journal of Biblical and Pneumatological Research JBPR is a new international peer reviewed academic serial dedicated to narratively and rhetorically minded exegesis of biblical and related texts Potential topics include theological and pneumatological interpretation the role of spiritual experience with authorial canonical and

contemporary contexts and the contextual activity of Ruach Yahweh Ruach Elohim and various identifications of the Holy Spirit JBPR hopes to stimulate new thematic and narrative critical exploration and discovery in both traditional and under explored areas of research

Religious Experience In Earliest Christianity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religious Experience In Earliest Christianity PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religious Experience In Earliest Christianity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religious Experience In Earliest Christianity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
