## **Religious Language:**

**Nature of Religious Language** Stanley E. Porter, 1996-02-01 The papers in this volume were presented at a conference held at the Roehampton Institute London in February 1995 and are concerned with either theological or literary issues related to the nature of religious language The papers offer different interpretations of a range of issues and suggest further issues that are still unresolved about the nature of religious language from its early usage in the biblical texts to its recent use in contemporary writing and religious discourse as well as many points in between *Religious Language* Peter

Donovan, 1976 **An Introduction to Religious Language** Valerie Hobbs, 2021-01-14 Why religious language What is religion what is religious language Functions of religious language Investigating religious language contexts text types and strategies Investigating religious language vocabulary archaism and parallelism Investigating religious language metaphor and intertextuality Religious language and prayer Religious language at the time of human death Religious language here there everywhere Religious language an open horizon *D. Z. Phillips on Religious Language, Religious Truth, and God* Hyoseok Kim, 2022-02-25 D Z Phillips 1934 2006 was one of the most influential ingenious and perhaps controversial thinkers in the Anglo American philosophy of religion In particular he is widely regarded as a leading proponent of a Wittgensteinian approach to the philosophy of religion While almost every book on religious language or Anglophone philosophy of religion deals with Phillips thought or at least mentions his name all too frequently his position has been grossly misunderstood and has often attracted unwarranted criticism from various sides Seeking to offer a constructive presentation and critical discussion of Phillips view of philosophy religious language religious truth and God Hyoseok Kim endeavors to resolve some misunderstandings refute undue criticisms of Phillips position and make some suggestions concerning directions in which his view might and ought to be further developed **Cognitive Linguistics and Religious Language** Peter

Richardson, Charles M. Mueller, Stephen Pihlaja, 2021-03-28 This book comprehensively introduces Cognitive Linguistics and applies its tools to religious language Drawing on authentic samples from a range of faiths text types and modes of interactive discourse the authors accessibly define concepts like embodied cognition agency metaphor analysis and Dynamic Systems Theory illustrate how they can be used in analyzing religious language and offer thorough pedagogical material to aid learning and application Advanced students and scholars of linguistics discourse analysis cognitive science and religious and biblical studies will benefit from this practical guide to understanding and conducting research on religious discourse

**Religious Language** M. Scott, 2013-08-22 An original and accessible discussion of the nature of religious language that draws on the latest research in the philosophy of language The historical background to research on religious language is also explored and connections are made with both Continental Philosophy and Theology **Language Studies in India** Rajesh Kumar, Om Prakash, 2023-04-24 This book addresses a wide range of aspects of the study of language in a variety of domains such as cognition change acquisition structure philosophy politics and education It offers a renewed discussion on

normative understanding of these concepts and opens up avenues for a fresh look at these concepts Each contribution in this book captures a wide range of perspectives and underlines the vigorous role of language which happens to be central to the arguments contained therein The uniqueness of this book lies in the fact that it presents simplified perspective on various complex aspects of language It addresses a wide range of audiences who do not necessarily need to have a technical background in linguistics It focuses on complex relations between language and cognition politics education to name a few with reference to cognition change and acquisition This book is for researchers with an interest in the field of language studies applied linguistics and socio linguistics

*The Conceptualisation of the Christian Life in John Henry Newman's Parochial and Plain Sermons* Marcin Kuczok, 2014-03-17 This book analyses the conceptual mechanisms behind the notion of The Christian Life in the collection of sermons preached by John Henry Newman 1801 1890 and published in eight volumes as Parochial and Plain Sermons 1834 1843 The study utilises tools of cognitive semantics such as the theory of conceptual metaphor and metonymy and the theory of conceptual integration Cognitivism offers an integral perspective on language and is gaining in popularity among scholars in the whole world The book identifies a number of metaphorical models of The Christian Life in Newman s sermons based on structural metaphors such as A Journey A Race A Trial and Family Life as well as some models based on ontological metaphors such as animalisations The Sheepfold metaphor vegetalisations the Christ is a Plant metaphor and reifications The Gift metaphor Each of the models constitutes a coherent set of metaphors metonymies and metaphonymies present throughout the whole of Newman s Parochial and Plain Sermons It is also shown that the conceptualisation of The Christian Life is based on conceptual blending between conventional metaphors functioning in everyday English and the transcendental conceptual domain of Christianity The book will be of interest to linguists particularly those interested in cognitive linguistics as well as to theologians especially those focused on the theory of preaching and to everyone interested in the legacy of John Henry Newman
