Religious Ambiguity And Religious Diversity

Roger Trigg

Religious Ambiguity And Religious Diversity:

Religious Ambiguity and Religious Diversity Robert McKim, 2001-03-08 The religious ambiguity of the world has many aspects one of which is the hiddenness of God Theists have proposed a number of explanations of God's hiddenness Some putative explanations contend that the advantages of God's hiddenness goods of mystery outweigh whatever benefits would result if God's existence and nature were clear to us goods of clarity Goods of mystery that have received a lot of discussion include human moral autonomy and the ability on our part to exercise control over whether we believe in the existence of God The extent of the ambiguity that surrounds God's existence and indeed all important religious matters combined with our lack of an obviously correct and adequate explanation of this lack suggest that even if God exists it is not important that people believe in God Another central theme in the book is the significance of religious diversity for religious belief The character of this diversity is such that it provides people who take a position on religious matters with reason to adopt the Critical Stance which requires people in all the religious traditions to subject their religious beliefs to critical scrutiny and hold those beliefs in a tentative way Some contend that religious faith requires complete confidence in what is believed but tentative belief actually is sufficient to sustain many forms of religious commitment **Religious Ambiguity and Religious Diversity**, 2001

On Religious Diversity Robert McKim, 2012-01-23 In On Religious Diversity Robert McKim distinguishes and examines a number of possible responses to the knowledge of diverse religious traditions that is available to all of us today There is no escaping the fact that the presence of competing traditions now confronts each of the traditions in a new and forceful way And there is widespread if inchoate recognition of genuine religious sensibilities and genuine religious seriousness in others How might and how should an awareness of other traditions affect a member of a particular religious tradition What attitudes should be taken to the beliefs and salvific prospects of members of other traditions McKim examines several proposed answers to these questions offering the deepest analysis to date of such options as exclusivism and inclusivism He argues that what look like well defined and discrete positions dissolve somewhat under scrutiny revealing significantly different possibilities McKim suggests where best to look for the most plausible answers and makes a case for the attractiveness of inclusivistic options He pays particular attention to the religiously ambiguous nature of our circumstances and to the implications of this ambiguity Religious Perspectives on Religious Diversity, 2016-11-07

Religious Perspectives on Religious Diversity addresses fundamental and controversial questions raised by religious diversity What are members of religious traditions to say about outsiders their views and their salvific status And what are they to say about the religions of outsiders about say whether those religions are inspired or salvifically effective or worthwhile or legitimate Discussion of some Muslim Christian and Jewish perspectives is combined with more methodological work The authors of these ground breaking and original yet readable and accessible essays include established scholars and younger scholars whose reputation is growing Contributors are Imran Aijaz David Basinger Paul Rhodes Eddy Jerome Gellman

Mohammad Hassan Khalil Eugene Korn Daniel A Madigan Robert McKim John Sanders and Diego R Sarri Cucarella Judaism Christianity and Islam's attitudes to other religions are thoughtfully examined in this collection both with fine historical sensibility as well as original constructive contributions from leading scholars in the field A series of helpful meta reflections follow on typologies in theology of religions the act of comparison between traditions and a plea for informed tolerance when difference is confronted A rare treat an edited collection that is of uniformly high quality throwing immense light on the subject It will help specialists and undergraduate students approaching the subject of religious pluralism Professor Gavin D Costa University of Bristol September 2016 **Religious Diversity and Religious Progress** Robert McKim, 2019-01-10

What is someone who has a perspective on religious matters to say about those who endorse other perspectives What should they say about other religions For example might some of their beliefs be true What stage are we human beings at in our religious development Are we close to maturity religiously speaking so that most of the important religious ideas and innovations there will ever be have already appeared Or are we starting out in our religious evolution so that religious developments to date are merely the first rude efforts of a species in its religious infancy Religious Tolerance through Humility David Basinger, 2016-12-05

The acclaimed scholars contributing to this volume place under scrutiny a fascinating alternative proposal for a pathway to religious tolerance that serious consideration of religious diversity tends to reveal the weakness of support many have for their religious commitments and the humility produced tends to result in religious tolerance The authors illuminate the debate within philosophy about the way beliefs are supported the controversy between internalism and externalism and disagreement about how humility and tolerance are related Critical and supportive views are represented so that the main lines of agreement and disagreement rise to the surface and are mapped out for the first time The collection honours Philip Quinn who advocated the pathway so rigorously that the special attention given to his views focuses and deepens the critical discussion Original essays by some of the most respected contemporary intellectuals in this field make this collection especially attractive Religious Diversity Roger Trigg, 2014-04-21

Should we merely celebrate diversity in the sphere of religion What of the social cohesion of a country There is a constant tug between belief in religious truth and the need for respect for other religions Religious Diversity Philosophical and Political Dimensions examines how far a firm faith can allow for toleration of difference and respect the need for religious freedom It elucidates the philosophical credentials of different approaches to truth in religion ranging from a dogmatic fundamentalism to a pluralism that shades into relativism Must we resort to a secularism that treats all religion as a personal and private matter with nothing to contribute to discussions about the common good How should law approach the issue of religious freedom Introducing the relevance of central discussions in modern philosophy of religion the book goes on to examine the political implications of increasing religious diversity in a democracy **A Comparative Doxastic-Practice Epistemology of Religious Experience** Mark Owen Webb, 2014-08-18

This book takes a theoretical enterprise in Christian philosophy of

religion and applies it to Buddhism thus defending Buddhism and presenting it favorably in comparison Chapters explore how the claims of both Christianity and Theravada Buddhism rest on people's experiences so the question as to which claimants to religious knowledge are right rests on the evidential value of those experiences The book examines mysticism and ways to understand what goes on in religious experiences helping us to understand whether it is good grounds for religious belief The author argues that religious language in both Christian and Buddhist traditions is intelligible as factual discourse and so reports of mystical experience are true or false The book contends that those experiences can be fruitfully thought of as perceptual in kind and that they are therefore good prima facie grounds for religious belief in the absence of defeating conditions The work goes on to explore Christian and Buddhist testimony and how the likelihood of self-deception self-delusion imaginative elaboration and the like constitutes a defeating condition It is shown that this defeater has less scope for operation in the Buddhist case than in the Christian case and therefore Theravada Buddhism is better grounded This work will appeal to students and scholars of philosophy and philosophy of religion and those interested in the study of religious experience

Faith, Philosophy and the Reflective Muslim Z. Ali, 2013-05-07 Most modern literature on the rationality of religious belief is primarily written from Christian and Secular perspectives the introduction of a reflective Muslim perspective provides a fresh and alternative perspective This work aims to pioneer an engagement with contemporary philosophical scholarship from the perspective of a reflective Muslim

Introducing Philosophy of Religion Chad Meister, 2009-02-13 Does God exist What about evil and suffering How does faith relate to science Is there life after death These questions fascinate everyone and lie at the heart of philosophy of religion Chad Meister offers an up to date introduction to the field focussing not only on traditional debates but also on contemporary concepts such as the intelligent creator Key topics such as divine reality and the self and religious experience are discussed in relation to different faiths *Introducing Philosophy of Religion* offers a lucid overview of contemporary philosophy of religion introduces the key figures in the history of philosophy of religion explores the impact of religious diversity and pluralism examines the main arguments for and against the existence of God and the nature of the divine looks at science and issues of faith and reason explores how the different religions approach the concept of life after death The wealth of textbook features including tables of essential information questions for reflection summaries glossary and recommendations for further reading make the book ideal for student use Along with its accompanying Reader this is the perfect introductory package for undergraduate philosophy of religion courses Visit the book's companion website at www.routledge.com/textbooks/9780415403276 Features include an interactive glossary a timeline powerpoint slides on all the chapters chapter outlines lists of objectives for study

Realism and Religion Michael Scott, 2017-09-29 This book draws together a distinguished group of philosophers and theologians to present new thinking on realism and religion The religious realism antirealism debate concerns the questions of God's independence from human beings the nature of religious truth and our access to religious truths Although both philosophers

and theologians have written on these subjects there has been little sustained investigation into these issues akin to that found in comparable areas of research such as ethics or the philosophy of science In addition the absence of any agreed approach to the problem underlines both the need for fresh thought on it and the fruitfulness of this area for further research The editors introduction sets the context of the realism debate traces connections amongst the essays which follow and proposes lines for future development and enquiry The contributors present a variety of contrasting positions on key issues in the religious realism debate and each opens up new and important themes Gordon Kaufman Peter Lipton and Simon Blackburn provide the opening chapters and the context for the collection Alexander Bird John Hare Graham Oppy and Nick Trakakis Merold Westphal and John Webster explore topics that are central to the debate This volume of original essays will both introduce newcomers to the field and suggest new lines of research for those already familiar with it **Religious**

Diversity in Contemporary Philosophy of Religion Amir Dastmalchian,2010 *The God Beyond Belief* Nick Trakakis,2006-11-03 This study of Professor William Rowe s defense of atheism on the basis of evil assesses the literature that has developed in response to Rowe s work closely examining two strategies mystery the idea that God may have reasons beyond our comprehension for permitting evil and theodicy explanations as to why God allows evil to flourish The book unearths difficulties in both concluding that the God of theism must be beyond belief **The Biographical Encyclopedia**

of Islamic Philosophy Oliver Leaman,2015-07-16 Philosophy flourished in the Islamic world for many centuries and continues to be a significant feature of cultural life today Now available in paperback The Biographical Encyclopedia of Islamic Philosophy covers all the major and many minor philosophers theologians and mystics who contributed to its development With entries on over 300 thinkers and key concepts in Islamic philosophy this updated landmark work also includes a timeline glossary and detailed bibliography It goes beyond philosophy to reference all kinds of theoretical inquiry which were often linked with philosophy such as the Islamic sciences grammar theology law and traditions Every major school of thought from classical Peripatetic philosophy to Sufi mysticism is represented and entries range across time from the early years of the faith to the modern period Featuring an international group of authors from South East Asia the Indian Subcontinent the Middle East and North Africa Europe and North America The Biographical Encyclopedia of Islamic Philosophy provides access to the ideas and people comprising almost 1400 years of Islamic philosophical tradition

Perspectives on the Philosophy of William P. Alston Heather D. Battaly,Michael P. Lynch,2005-04-06 One of the most influential analytic philosophers of the late twentieth century William P Alston is a leading light in epistemology philosophy of religion and the philosophy of language In this volume twelve leading philosophers critically discuss the central topics of his work in these areas including perception epistemic circularity justification the problem of religious diversity and truth Together with Alston s vigorous responses these articles make significant new contributions to the literature and will be of interest to a wide range of philosophers and students In addition the volume contains a comprehensive introduction and

overview of Alston's work and a complete bibliography of his publications *Problems of Religious Luck* Guy Axtell, 2020-07-07 To speak of being religious lucky certainly sounds odd But then so does My faith holds value in God's plan while yours does not This book argues that these two concerns with the concept of religious luck and with asymmetric or sharply differential ascriptions of religious value are inextricably connected It argues that religious luck attributions can profitably be studied from a number of directions not just theological but also social scientific and philosophical There is a strong tendency among adherents of different faith traditions to invoke asymmetric explanations of the religious value or salvific status of the home religion vis vis all others Attributions of good bad religious luck and exclusivist dismissal of the significance of religious disagreement are the central phenomena that the book studies Part I lays out a taxonomy of kinds of religious luck a taxonomy that draws upon but extends work on moral and epistemic luck It asks What is going on when persons' theologies or purported revelations ascribe various kinds of religiously relevant traits to insiders and outsiders of a faith tradition in sharply asymmetric fashion I am saved but you are lost My religion is holy but yours is idolatrous My faith tradition is true and valued by God but yours is false and valueless Part II further develops the theory introduced in Part I pushing forward both the descriptive explanatory and normative sides of what the author terms his inductive risk account Firstly the concept of inductive risk is shown to contribute to the needed field of comparative fundamentalism by suggesting new psychological markers of fundamentalist orientation The second side of what is termed an inductive risk account is concerned with the epistemology of religious belief but more especially with an account of the limits of reasonable religious disagreement Problems of inductively risky modes of belief formation problematize claims to religion specific knowledge But the inductive risk account does not aim to set religion apart or to challenge the reasonableness of religious belief tout court Rather the burden of the argument is to challenge the reasonableness of attitudes of religious exclusivism and to demotivate the polemical apologetics that exclusivists practice and hope to normalize Disagreeing Virtuously Vainio, Olli-Pekka, 2017 Disagreement is inevitable particularly in our current context marked by the close coexistence of conflicting values and perspectives in politics religion and ethics How can we deal with disagreement ethically and constructively in our pluralistic world In *Disagreeing Virtuously* Olli Pekka Vainio presents a valuable interdisciplinary approach to that question drawing on insights from intellectual history the cognitive sciences philosophy of religion and virtue theory After mapping the current discussion on disagreement among various disciplines Vainio offers fresh ways to understand the complicated nature of human disagreement and recommends ways to manage our interpersonal and intercommunal conflicts in ethically sustainable ways **Current Controversies in Philosophy of Religion** Paul Draper, 2019-04-17 While orthodox religion by its very nature is conservative philosophy at its best is inherently radical It challenges authority tradition and the whole idea of dogma For this reason philosophy of religion can be explosively controversial It is bound to disturb those who peddle incontrovertible truth and fascinate those who seek spiritual truth and are willing to follow the argument wherever it leads

This volume is designed for such seekers It brings together an international team of leading philosophers of religion to explore and debate radical new ideas about religion God and ultimate reality Four related questions are addressed How might religion make progress Is life after death a real possibility Must a perfect God be motivated by our well being What alternatives are there to traditional theism and materialist atheism The book begins with a vision for the field of philosophy of religion and ends with a capstone chapter that touches on all of the topics debated in the other chapters The addition of chapter overviews annotated suggestions for further reading and annotated guides to three additional controversies make it an ideal textbook in addition to being an important source for scholars and seekers of all kinds

Rationality and Religious Commitment Robert Audi, 2011-09-22 Rationality and Religious Commitment shows how religious commitment can be rational and describes the place of faith in the postmodern world It portrays religious commitment as far more than accepting doctrines it is viewed as a kind of life not just as an embrace of tenets Faith is conceived as a unique attitude It is irreducible to belief but closely connected with both belief and conduct and intimately related to life's moral political and aesthetic dimensions Part One presents an account of rationality as a status attainable by mature religious people even those with a strongly scientific habit of mind Part Two describes what it means to have faith how faith is connected with attitudes emotions and conduct and how religious experience may support it Part Three turns to religious commitment and moral obligation and to the relation between religion and politics It shows how ethics and religion can be mutually supportive even though ethics provides standards of conduct independently of theology It also depicts the integrated life possible for the religiously committed a life with rewarding interactions between faith and reason religion and science and the aesthetic and the spiritual The book concludes with two major accounts One explains how moral wrongs and natural disasters are possible under God conceived as having the knowledge power and goodness that make such evils so difficult to understand The other account explores the nature of persons human and divine and yields a conception that can sustain a rational theistic worldview even in the contemporary scientific age

Evidentialism and Its Discontents Trent Dougherty, 2011-08-25 In this ground breaking book leading epistemologists challenge and refine evidentialism the view that epistemic justification for belief is determined solely by considerations pertaining to one's evidence Earl Conee and Richard Feldman the leading advocates of evidentialism respond to each essay in this engaging and illuminating debate

Yeah, reviewing a book **Religious Ambiguity And Religious Diversity** could increase your near contacts listings. This is just one of the solutions for you to be successful. As understood, exploit does not suggest that you have astounding points.

Comprehending as with ease as covenant even more than supplementary will allow each success. adjacent to, the pronouncement as capably as insight of this Religious Ambiguity And Religious Diversity can be taken as capably as picked to act.

Religious Ambiguity And Religious Diversity Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religious Ambiguity And Religious Diversity has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religious Ambiguity And Religious Diversity has opened up a world of possibilities. Downloading Religious Ambiguity And Religious Diversity provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religious Ambiguity And Religious Diversity has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religious Ambiguity And Religious Diversity. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religious Ambiguity And Religious Diversity. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religious Ambiguity And Religious Diversity, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religious Ambiguity And Religious Diversity has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religious Ambiguity And Religious Diversity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religious Ambiguity And Religious Diversity is one of the best book in our library for free trial. We provide copy of Religious Ambiguity And Religious Diversity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religious Ambiguity And Religious Diversity. Where to download Religious Ambiguity And Religious Diversity online for free? Are you looking for Religious Ambiguity And Religious Diversity PDF? This is definitely going to save you time and cash in something you should think about.
