Reference Library of Black America Harry A. Ploski, James De Bois Williams, 1992

Mass Communications Research Resources Christopher Sterling, James K. Bracken, Susan M. Hill, 2016-05-06 This reference book is designed as a road map for researchers who need to find specific information about American mass communication as expeditiously as possible Taking a

topical approach it integrates publications and organizations into subject focused chapters for easy user reference The editors define mass communication to include print journalism and electronic media and the processes by which they communicate messages to their audiences Included are newspaper magazine radio television cable and newer electronic media industries Within that definition this volume offers an indexed inventory of more than 1 400 resources on most aspects of American mass communication history technology economics content audience research policy and regulation The material featured represents the carefully considered judgment of three experts two of them librarians plus four contributors from different industry venues The primary focus is on the domestic American print and electronic media industries Although there is no claim to a complete census of all materials on print journalism and electronic media what is available is now too vast for any single guide the most important and useful items are here The emphasis is on material published since 1980 though useful older resources are included as well Each chapter is designed to stand alone providing the most important and useful resources of a primary nature organizations and documents as well as secondary books and reports In addition online resources and internet citations are included where possible *Bibliographic Index*, 1989

Consciousness Creating, Raising, and Sustaining Communication in the Independent Fundamentalist Rhetoric of the Reverend Jerry Falwell Paul William Oehlke, 1988 Modern American Popular Religion Charles H. Lippy, 1996-01-19 Lippy makes a case

for the importance of exploring popular religion if one is to understand the dynamics of modern religious life The first annotated bibliography on the subject this work features over 550 entries topically arranged Lippy provides a critical assessment of the state of the study of popular religion including an examination of theoretical materials that wrestle with trying to define precisely what popular religion is This book is of interest to scholars students and anyone concerned with understanding today's religion The bulk of the work consists of critical annotations of books articles and dissertations that deal with various aspects of popular religion in the United States from 1870 to the present The topics covered include background studies biographical works titles dealing with fundamentalism and evangelicalism expressions of popular religion in the arts the use of mass media and personal spirituality The work is of great importance as long as Americans engage in the human quest to make sense out of their own experience and look beyond themselves to a supernatural realm that will assist them in ordering their lives

The Gods of Televangelism Janice Peck, 1993 This work provides a critical interpretive study of two religious programmes The 700 Club and The Jimmy Swaggert Telecast and examines their appeal by situating them within the history of American religion and culture

The Negro Almanac Harry A. Ploski, James De Bois Williams, 1989 Cited by Sheehy and designated an outstanding reference work by ALA A combination of historical narrative biographical sketches and statistical tables and graphs present nearly 500 years of history from the 15th century voyages of discovery to current events The coverage extends to politics and the law business labor and the economy education the family religion the arts sports and science Historical and contemporary Africa are also addressed as is the black experience
