Religious Television Controversies And Conclusions:

Religious Television Robert Abelman, Stewart M. Hoover, 1990 This volume addresses the various and highly topical controversies surrounding religious television by examining its history structure content viewership and social impact It represents a compilation of original essays written by the world's leading scholars regulators authorities and watchdogs of religious television Each controversy is addressed from a wide range of perspectives The result is a most interesting exchange of ideas and ideologies the presentation of empirical data theology and learned opinion and an assortment of insightful conclusions

Religion vs. Television Jay Newman, 1996-08-20 The subject of competition between religion and television has if only indirectly received considerable attention particularly from religionists disturbed by the threat posed by television programming to traditional religious beliefs values and attitudes This detailed study considers the competing cultural forces of television and religion from a wider and more theoretical perspective Newman examines the major forms of competition and the various motives and strategies of the people and groups involved His philosophical approach allows us to see that the most important aspect of competition between television and religion is their rivalry as cultural forces In this rivalry religion continues to have a profound influence on the shaping of television just as it has always had on all newly developing forms of culture

The Oxford Handbook of Religion and American Politics Corwin E. Smidt, Lyman A. Kellstedt, James L. Guth, 2017 Over the past three decades the study of religion and politics has gone from being ignored by the scholarly community to being a major focus of research Yet because this important research is not easily accessible to nonspecialists much of the analysis of religion's role in the political arena that we read in the media is greatly oversimplified This Handbook seeks to bridge that gap by examining the considerable research that has been conducted to this point and assessing what has been learned what remains unsettled due to conflicting research findings and what important questions remain largely unaddressed by current research endeavors The Handbook is unique to the field of religion and American politics and should be of wide interest to scholars students journalists and others interested in the American political scene

Media Depictions of Brides, Wives, and Mothers Alena Amato Ruggerio, 2012-09-27 Media Depictions of Brides Wives and Mothers edited by Alena Amato Ruggerio explores how television film the internet and other media variously perpetuate gender stereotypes The contributors to this volume bring a variety of feminist rhetorical and media criticism approaches from across the communication discipline to their analyses of how television film news coverage and the Internet shape our expectations of the performance of women's identities This collection includes studies of Bridezillas Jon Kate Plus 8 Sex and the City Sarah Palin Nancy Pelosi The Devil Wears Prada Practical Magic momtini blogs and Mad Men fan websites Readers will learn to apply the insights from each chapter to their own sets of myths stereotypes and assumptions about gendered roles and to recognize the possibilities for both liberation and domination when women's practices of marrying mating and mothering are represented and misrepresented in the media This collection is an essential contribution

to media studies and criticism of gender stereotypes in contemporary culture Read the author s recent interview with Literary Ashland You can also visit the author s website here *Textual, Comparative, Sociological, and Cognitive Approaches* Peter Antes,Armin W. Geertz,Randi R. Warne,2008-12-19 Since its founding by Jacques Waardenburg in 1971 Religion and Reason has been a leading forum for contributions on theories theoretical issues and agendas related to the phenomenon and the study of religion Topics include among others category formation comparison ethnophilosophy hermeneutics methodology myth phenomenology philosophy of science scientific atheism structuralism and theories of religion From time to time the series publishes volumes that map the state of the art and the history of the discipline New Approaches to the Study of Religion Peter Antes,Armin W. Geertz,Randi Ruth Warne,2004 **Rethinking Media, Religion, and Culture** Stewart M. Hoover,Knut Lundby,1997-01-31 This book links the growing connections between media culture and religion into a coherent theoretical whole It examines amongst others the effect on cultural practices and the increasing autonomy and individualized practice of religion **Media and Religion** Daniel Stout,2013-06-17 This text examines the history theory cultural context and professional aspects of media and religion While religion has been explored more fully in psychology sociology anthropology and the humanities there is no clear bridge of understanding to the communication discipline Daniel A Stout tackles this issue by providing a roadmap for examining this understudied area so that discussions about media and religion can more easily proceed Offering great breadth this text covers key concepts and historical highlights world religions denominations and cultural religion and religion and specific media genres The text also includes key terms and questions to ponder for every chapter and concludes with an in class learning activity that can be used to encourage students to explore the media religion interface and review the essential ideas presented in the book Media and Religion is an ideal introduction for undergraduate students in need of a foundation for this emerging field **The New Encyclopedia of Southern Culture** Samuel S. Hill,Charles Reagan Wilson,2006-12-13 Evangelical Protestant groups have dominated religious life in the South since the early nineteenth century Even as the conservative Protestantism typically associated with the South has risen in social and political prominence throughout the United States in recent decades however religious culture in the South itself has grown increasingly diverse The region has seen a surge of immigration from other parts of the United States as well as from Latin America Asia and the Middle East bringing increased visibility to Catholicism Islam and Asian religions in the once solidly Protestant Christian South In this volume of The New Encyclopedia of Southern Culture contributors have revised entries from the original Encyclopedia on topics ranging from religious broadcasting to snake handling and added new entries on such topics as Asian religions Latino religion New Age religion Islam Native American religion and social activism With the contributions of more than 60 authorities in the field including Paul Harvey Loyal Jones Wayne Flynt and Samuel F Weber this volume is an accessibly written up to date reference to religious culture in the American South *The Holiness-Pentecostal Tradition* Vinson Synan,1997-08-25 Called a pioneer

contribution by Church History when it was first published in 1971 as *The Holiness Pentecostal Movement in the United States* this volume has now been revised and enlarged by Vinson Synan to account for the incredible changes that have occurred in the church world during the last quarter of the twentieth century Synan brings together the stories of the many movements usually listed as holiness pentecostal or charismatic and shows that there is an identifiable second blessing tradition in Christianity that began with the Catholic and Anglican mystics that was crystallized in the teaching of John Wesley and that was further perpetuated through the holiness and Keswick movements of the nineteenth and twentieth centuries to the appearance of modern Pentecostalism Synan then chronicles the story of the spread of Pentecostalism around the world after the heady days of the Azusa Street awakening with special attention given to the beginnings of the movement in those nations where Pentecostalism has become a major religious force He also examines the rise of various mainline church charismatic movements that have their roots in Pentecostalism Because of the explosive growth of the Pentecostal movement in the last half of the century Pentecostals and Charismatics now constitute the second largest family of Christians in the world after the Roman Catholic Church This could well be the major story of Christianity in the twentieth century writes Synan Pentecostalism has grown beyond a mere passing movement and can now be seen as a major Christian tradition alongside the Roman Catholic Orthodox and Reformation Protestant traditions *The Holiness Pentecostal Tradition* will continue to be an important handbook for shaping our understanding of this phenomenon **Evangelical News**

Anja-Maria Bassimir, 2022-05-24 This work is an innovative treatise on the evangelical magazine market during the 1970s and 1980s and how it sustained religious community and ideology Bassimir argues that community can be produced in discourse especially when shared rhetoric concepts and perspectives signal belonging The 1970s and 1980s were a tumultuous period in United States history In suit with a dramatic political shift to the right evangelicalism also entered the public discourse as a distinct religious movement and was immediately besieged by cultural appropriations and internal fragmentations This was also a time when Americans in general and evangelicals in particular grappled with issues and ideas such as feminism and legal abortion restructuring traditional roles for women and the family The Watergate Crisis and the newly emerging Christian Right also threw politics into turmoil During this time there was a surge of readership for evangelical magazines such as *Christian Today* *Moody Monthly* *Eternity* and *Post Americans* Sojourners While each of these magazines and many other publications contributes to and participates in the overall dissemination of evangelical ideology they all also have their own outlooks and political leanings when it comes to hot button issues *Evangelical Visions* through a thoroughly researched lens makes important correctives to common understandings of evangelical discourse particularly regarding the key political initiatives of the religious right Bassimir demonstrates that within the pages of these periodicals evangelicals hashed out a number of competing views on feminism abortion reproductive technologies and political involvement itself To accomplish this *Evangelical Visions* traces the emergence of evangelical social and political awareness

in the 1970s to the height of its power as a political program The chapters in this monograph also delve into such topics as how evangelicals re envisioned gender norms and relations in light of the feminist movement and the use of childhood as a symbol of unspoiled innocence and the pure potential of humanity Presently most accounts of evangelicalism cite evangelical magazines only very selectively and virtually no studies make substantive use of those magazines as objects of investigation Bassimir s *Evangelical Visions* makes a much needed contribution to our understanding of evangelicalism in the late twentieth century by providing a nuanced picture of a religious subculture that is too often reduced to caricature This study is located at the intersection of history religious studies and media studies and will appeal to scholars and students of all of these fields

Popular Religion in America Erling T. Jorstad,1993-04-22 The enormous growth of evangelicalism is one of the major developments in recent American life Like other scholars Jorstad acknowledges that evangelicalism has grown because it is theologically attractive But Jorstad also attributes the growth of the evangelical movement to its relationship with American popular culture According to the author the evangelical movement was able to integrate populist democratic traditions with a cultural inclusiveness a mastery of high technology and a willingness to use mass media to spread its views The book contains three sections The first traces the development of evangelical subculture between 1960 and 1990 The second part discusses the evangelical movement and social and individual values The third part explores popular religion and the media The book considers the involvement of evangelicals in popular religion the appeal of popular religion to many but not to all evangelicals the similarities between popular religion and more traditional religious organizations and the means by which evangelicalism effectively utilizes the many genres and styles of popular culture

There's Never Been a Show Like Veggie Tales Hillary Warren,2005 A sociological examination of the production and audiences of Veggie Tales a popular evangelical video series for children

From Jesus to the Internet Peter Horsfield,2015-03-16 From Jesus to the Internet examines Christianity as a mediated phenomenon paying particular attention to how various forms of media have influenced and developed the Christian tradition over the centuries It is the first systematic survey of this topic and the author provides those studying or interested in the intersection of religion and media with a lively and engaging chronological narrative With insights into some of Christianity s most hotly debated contemporary issues this book provides a much needed historical basis for this interdisciplinary field

Women and Religion in the African Diaspora R. Marie Griffith,Barbara Dianne Savage,2006-09-22 This landmark collection of newly commissioned essays explores how diverse women of African descent have practiced religion as part of the work of their ordinary and sometimes extraordinary lives By examining women from North America the Caribbean Brazil and Africa the contributors identify the patterns that emerge as women religion and diaspora intersect mapping fresh approaches to this emergent field of inquiry The volume focuses on issues of history tradition and the authenticity of African derived spiritual practices in a variety of contexts including those where memories of suffering remain fresh and powerful The contributors discuss matters of power and leadership and of

religious expressions outside of institutional settings The essays study women of Christian denominations African and Afro Caribbean traditions and Islam addressing their roles as spiritual leaders artists and musicians preachers and participants in bible study groups This volume s transnational mixture along with its use of creative analytical approaches challenges existing paradigms and summons new models for studying women religions and diasporic shiftings across time and space

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

God in the Corridors of Power Michael Ryan, Les Switzer, 2009-08-25 God in the Corridors of Power Christian Conservatives the Media and Politics in America is a comprehensive study of Christian conservative power in America s political culture how it was achieved how it is maintained and where it is going It came about in part because of an enduring influence in the school room the seminary and in the pulpit and in part because conservatives are so skilled at using commercial and non commercial media including religious media to disseminate their views to broader audiences Though their power has waxed and waned they continue to be a potent force in public policy today The authors argue that the astonishing electoral successes of Christian conservatives at all levels of national state and local government was made possible by linking political social media and religious interests with an emerging consensus about what constitutes a conservative mindset in American politics Christian conservatives unquestionably have been the most significant component in a coalition of religious conservatives traditionalist conservatives and neoconservatives that has driven the Republican Party now for almost two generations This multifaceted understanding of Christian conservative activists in religion and politics traces the impact Christian conservatives have had on American Christianity as a whole while also examining the limitations imposed on the Christian conservative agenda by American civil religion the Constitution and case law The authors explore women s reproductive rights in the debate over contraception and abortion and gay civil rights in the debate over gay marriage and family rights The debate over intelligent design and evolution is examined in the context of the campaign to transform public school education The run up to the wars in Afghanistan and Iraq is scrutinized against the background of the declared war on terrorism While the conservative religious and secular coalition within the Republican

Party began to fragment even before the end of George W Bush s first term in office it remained a powerful force in the 2004 and 2008 elections The book concludes with some thoughts about the impact of Christian conservatives in politics media and religion in the future

The Globalisation of Charismatic Christianity Simon Coleman,2000-10-02 This 2000 book analyses the revival of charismatic Protestant Christianity as an example of globalization Simon Coleman shows that along with many social movements these religious conservatives are negotiating their own interpretations of global and postmodern processes They are constructing an evangelical arena of action and meaning within the liminal chaotic space of the global The book examines globalization not only as a social process but also as an embodied practice involving forms of language and ritualized movement Charismatic Christianity is presented through its material culture art architecture and consumer products as well as its rhetoric and theology The book provides an account of the incorporation of electronic media such as television videos and the Internet into Christian worship Issues relating to the conduct of fieldwork in contexts of globalization are raised in an account which is also a major ethnography of a Faith ministry

Through a Lens Darkly David M. Haskell,2009 Do journalists report more favourably on people that they like than on those they don t Canada s evangelicals think so For years they ve accused the country s news personnel of being prejudiced against them both personally and in their coverage However up to now the evangelicals charge of media bias has never been empirically examined This book puts that charge to the test An in depth survey of national news personnel accompanied by an extensive multi year examination of news coverage reveals how Canada s journalists feel about evangelicals how they report on evangelicals and how and when their feelings influence their reporting In the end this book concludes when the beliefs and actions of Canadian evangelicals directly clash with the heart felt convictions of Canadian national journalists the journalists are willing to abandon their professional objectivity and slant their stories against their ideological opponents In addition this book uses the media s treatment of evangelicals as a backdrop for the discussion of larger issues How the media construct the news how and why the media cover religion as they do whether journalistic objectivity exists at all and the affect media messages have on audiences is explored Also advice on how religious groups can overcome media bias is offered As the first book to apply the tools of quantitative research to the topic of religion and the news in Canada this book is groundbreaking However written with the lay reader in mind the theoretical underpinnings of the work and methodologies used are presented in accessible easy to understand terms This book will be of interest to all member of the evangelical community clergy and faith leaders and scholars of religion or mass communication This is response rather than reaction Intelligent balanced incisive and instructive At last such a book about such a subject from someone who understands evangelical Christianity as well as media Essential reading for everyone interested in both Michael Coren Author columnist and broadcaster David M Haskell Ph D is associate professor of journalism and contemporary studies at the Brantford campus of Wilfrid Laurier University

Media, Home and Family Stewart M. Hoover,Lynn Schofield Clark,Diane F. Alters,2012-09-10

Based on extensive fieldwork this book examines how parents make decisions regulating media use and how media practices define contemporary family life

Religious Television Controversies And Conclusions Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religious Television Controversies And Conclusions PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religious Television Controversies And Conclusions PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religious Television Controversies And Conclusions free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religious Television Controversies And Conclusions Books

1. Where can I buy Religious Television Controversies And Conclusions books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
