His Reluctant Lover Elizabeth Lennox,2014-10-07 As a southern belle Georgette has certain standards she must maintain But when Dylan walks into the ballroom all of her southern manners and poise are unable to hold up under his heated stare She can t believe a Yankee could break through her walls so completely but she must maintain her distance She has goals of her own and she can t let some man no matter how delicious he might be interfere with those goals Dylan can t believe that the lovely lady is even trying to ignore her passionate side She is sensual and funny intelligent and passionate And when they touch they set each other on fire So why is she running away from such a perfect union **The Complete Sonnets and Poems** William Shakespeare,2002 Shakespeare s Sonnets are among the most complex and beautiful poems ever written Their exploration of love praise homo and hetero sexual desire is enacted in the richest densest writing in English And the first printed work to which Shakespeare s name was attached was the erotic narrative poem Venus and Adonis which developed a sumptuous vocabulary in which to explore love praise of the beloved sexual desire and the power of rhetoric That poem was so popular that most of Shakespeare s contemporaries thought of him as primarily a poet rather than a playwright Yet despite the power of Shakespeare s poems and their foundational place within his oeuvre modern readers have seldom been encouraged to engage with his non dramatic works as a whole This new edition explains how this state of affairs has arisen and why it needs to be changed The volume contains the complete Sonnets and poems with a full commentary An extensive and lively introduction explores Shakespeare s poetic development and shows how the poems relate to each other and to his dramatic works The Sonnets are freshly interpreted not as cryptic fragments of autobiography but as works which ask their readers to think about relationships between lyric poems and the historical circumstances which may have given rise to them The narrative poems Venus and Adonis and Lucrece are placed where they belong at the origin of Shakespeare s thinking about what it means to desire and to be desired The edition responds to the most recent scholarly work on the interpretation and dating of Shakespeare s poems and Sonnets It also explores what the poems may have meant to their earliest readers For this reason it also includes poems attributed to Shakespeare in the seventeenth century as well as those printed under his name in *The Passionate Pilgrim* in 1599 **A Reluctant Lover** Vibert Miller,2021-12-07 Two seniors Jacob and Lydia are engaged to be married but Lydia is annoyed that Jacob seems reluctant to

take the final step Things reach a boiling point when she questions him and he responds by severing their business relationship as well as their engagement Lydia s heart is broken but she is determined to continue without him Meanwhile Laura Lydia s niece and Jacob s daughter in law is so upset over the games the two people she loves dearly are playing she takes matters into her own hands and tricks them into going to Paris in hopes the city of romance will work its magic on them But Lydia is severely injured by a terrorist s bomb in Paris Her near death experience forces Jacob to examine his feelings for her and decide if he wants her in his life if it s not already too late *Secret Billionaire's Frosty Lover* Leslie

North,2015-04-08 A near death experience is the ultimate wake up call for workaholic billionaire Dominic McCarthy He needs to reassess his options and where better to do his soul searching than a remote ski lodge He wasn t expecting to find the fiery haired beauty who owns the place but it s clear she has nothing but hatred for people with money So why can t he stop thinking about her Paris Dylan free spirited ski lodge owner has a vision and it definitely does not include the rich visitors she s had in the past When she shares her plan with her new guest a man with sinful good looks and lethal charm he insists it will never work He claims to know about business but Paris doesn t care about money She ll create the ultimate mountain retreat and never have to deal with another wealthy arrogant person again She may be tempted by the handsome stranger but she s determined to make her dream come true with or without him Now Dominic is determined to melt the ice around her heart and he never backs down from a challenge The unlikely couple s connection continues to grow but the truth is bound to come out about Dominic s billions Can Paris ever overcome her feelings about the rich or will money forever come between them **A Study Guide for Robert Browning's "Love among the Ruins"** Gale, Cengage Learning,2016

The Other Side of Love Denise Robins,2014-10-16 Even after several years of marriage Nira is still very much in love with her husband Des She has two lovely children a husband who adores her and a beautiful home But her happiness is shattered as she discovers that her husband is incapable of fidelity Struggling through a terrible time that is like a living nightmare Nira fights her way through the darkness Will she be able to embrace the bright hope of a happy future that is the other side of love A captivating love story from the 100 million copy bestselling Queen of Romance first published in 1973 and available now for the first time in eBook *The Bookman* ,1912 **Drieu La Rochelle , Drieu La Rochelle and the Fiction of**

Testimony Frederic J. Grover,2023-11-15 This study aims to reassess the literary importance of Drieu La Rochelle focusing on his fiction rather than political or moral judgments Drieu s conception of literature makes it difficult to entirely separate the artist from the man as his work often intertwines the personal and the political In analyzing Drieu s fiction the complexities and contradictions that emerge from his characters reflect the internal struggles he faced especially in relation to his political stance These nuances often overlooked in traditional political critiques lead to a portrayal of Drieu as a reluctant fascist one who grappled with various human commitments whether in his roles as husband lover soldier or man of letters While critics may point to Drieu s actions as a collaborator during the occupation and his ambiguous stance on

antisemitism as evidence of his political commitment this study argues that Drieu's reluctance permeated all aspects of his life including his fascism Drieu's complex character does not easily fit into a simplistic political framework and his ambivalence towards his political ideology speaks to broader contradictions within his personal and artistic identity Coming from an opposing political perspective the study strives to be as objective and understanding as possible placing Drieu's literary works at the forefront of the analysis and offering a nuanced view of his complicated legacy This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1958
