Reluctant Pioneers Village Development In Israel:

Reluctant Pioneers Alex Weingrod, 1966 Analysis of refugee problems in the migration of Jews from Morocco to Israel covers cultural factors land settlement rural cooperatives human relations and community development credit cooperatives etc Bibliography pp 205 to 208 Rural Industrialization In Israel Raphael Bar-el, Ariela Neshet, Moshe Schwartz, Rachel Finkel, 2019-07-11 Rural development in Israel consists of a unique variety of industrialization experiences that may be instructive for many countries at various stages of development The social ideological political economic and organizational precepts that Israel's rural settlements are based on lend themselves to many different approaches This book deals with industrialization patterns in the kibbutz the moshav the non agricultural village and the Arab village Prevailing conditions size and labor force availability of skills infrastructure and objectives creation of employment improvement of living standards vary depending on the specific type of settlement As a result optimal policy for rural industrialization is different from village to village The authors give the general background of and define the specific development objectives for each type of village They review relevant conditions at the local and regional levels analyze the individual experiences of industrial development evaluate economic achievement and attainment of development goals and determine influential factors The final aim is to reassess Israeli policies and strategies and offer lessons to other countries undertaking rural industrialization

Nation-Building and Community in Israel Dorothy Willner, 2015-12-08 The author approaches the intricate process of nation building in Israel through an examination of transformations which took place within a major development sector rural land settlement during Israel's first decade of statehood Based on four years of observation in Israel the study analyzes the ways in which this state worked out the urgent problems that confront a new nation and demonstrates in vivid ethnographic detail how the policies thus formed made themselves felt in particular communities The result is a clear picture of the interaction of national planning and the realities of village life in post statehood Israel and an original contribution to the anthropology of complex societies Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Settlement Schemes in Tropical Africa Robert Chambers, 2013-08-21 First published in 1998 This is Volume XIII of eighteen in the Sociology of Development series Originally published in 1969 this book is a study of organizations and development of two rural development projects by the author whilst working in the Administration in Kenya a grazing control programme and the Mwea Irrigation Settlement **Two Blades of Grass** Peter Worsley, Ann Allen, 1971 Compilation of conference papers on the extent to which patterns of relationship in traditional communities can be used as a basis for modern cooperative

development in developing countries covers rural cooperatives marketing cooperatives collective economy farming rural worker interest groups peasant organisations social implications social structures etc Bibliography pp 373 to 385 references and statistical tables Conference held in Brighton 1969 Mar 31 to April 3 War, its Causes and Correlates Martin A. Nettleship, Dale Givens, 2011-06-24 No detailed description available for War its Causes and Correlates Bibliography of Israeli Politics Gregory S. Mahler, 2019-03-08 This bibliography is a response to the problems facing students and scholars of Israeli politics who need to find the most current resources for their research A readily accessible and comprehensive listing of published works dealing with Israeli politics the bibliography includes studies on the Israeli constitutional system Israel s elections political history and economics its diplomatic relations and foreign policy and Zionism Also included are studies of related topics such as Palestine and the Palestinian people the resolution of the West Bank and Gaza Strip question and the Arab Israeli peace process The book contains a detailed keyword index to nearly 1 500 entries citing books and journal articles published in the United States Europe and Israel In the Company of Others Orit Abuhav, 2015-06-01 Abuhav brings a firsthand perspective to the crises and the highs lows and upheavals of the discipline in Israeli anthropology which will be of interest to anthropologists historians of the discipline and scholars of Israeli studies From Sofia to Jaffa Guy H. Haskell, 2018-02-05 From Sophia to Jaffa chronicles the fascinating saga of a population relocated Within two years of the establishment of the State of Israel in 1948 an astounding 45 000 of Bulgaria s 50 000 Jews left voluntarily for Israel This mass exodus was remarkable considering that Bulgaria was the only Axis power to prevent the deportation of its Jews to the death camps during World War II After their arrival in Israel the Jews of Bulgaria were recognized as a model immigrant group in a fledgling state attempting to absorb hundreds of thousands of newcomers from more than eighty countries They became known for their independence self reliance honesty and hard work From Sofia to Jaffa chronicles the fascinating saga of a population relocated a story that has not been told until now Beginning with a study of the community in Bulgaria and the factors that motivated them to leave their homeland this book documents the journey of the Bulgarian Jews to Israel and their adaptation to life there **Perspectives on Israeli Anthropology** Esther Hertzog, 2010 Surveys past and present research on Israeli anthropology for students and researchers While Israel is a small country it has a diverse and continually changing society As a result since the 1960s Israeli anthropology has been a fertile ground for researchers This collection introduces readers to the diverse field of social anthropology in Israel today pointing to both its rich history and promising future Drawing upon recent research as well as a few key older articles editors Esther Hertzog Orit Abuhav Harvey E Goldberg and Emanuel Marx have selected contributors that highlight different theoretical perspectives and touch on a variety of relevant topics Perspectives on Israeli Anthropology begins with an introduction that traces the development of social anthropology in Israel from its beginnings in Palestine prior to Israeli statehood to the present The essays in this volume are divided into five major thematic sections including the effects of immigration the influence of bureaucracies in

social life the negotiation of the social order tensions between Jewish Israelis and Palestinian Arabs and notions of Israeliness and Jewishness Essays offer compelling research and a variety of perspectives on changing senses of identity ethnicity religiosity and gender relations in a society deeply affected by war violence and dispossession While the contributors in this volume adhere to various theoretical and ethnographic traditions they all treat Israel as a complex modern and open society with much to offer other scholars Perspectives on Israeli Anthropology will provide an illuminating overview of the discipline for students teachers and researchers in the field of social anthropology

The Geography of the Middle East Stephen H. Longrigg, James Jankowski, 2017-09-04 Much of the Middle East is in a continuing state of visible often revolutionary change in almost every field social cultural economic political Although time will have greatly modified the conditions here presented the author emphasizes those aspects which being the least ephemeral were likely to remain valid for some years and indicates the areas in which the most change can be expected Therefore in evaluating any change that has occurred the reader will at least be informed of the conditions out of which or because of which such an event occurred In some cases Longrigg passes over important aspects of the Middle Eastern region and its component countries almost or entirely in silence among such aspects being those of military resources prominent personalities constitutional or legal issues budgets and balances of trade And even on matters upon which he has said something fairly specific topography races and languages religions climates natural resources and agronomy industry communications there may be too little detailed information to satisfy a reader desirous of a full picture of a given aspect of things in this or that territory For most of such detail and not less for an appreciation which may be widely different from the author's the student can very easily look elsewhere the literature of these countries is abundant and accessible Longrigg's attempt has been to offer an objective but informed account of the different nationalities and social forces found in Middle Eastern environments urban and rural in terms of the particular circumstances problems and hopes of the dozen separate and more or less divided states of the region The non specialist reader may from all this learn something true and perhaps suggestive while the expert may find not too much to offend him

Desert Research: 1965-1968. With an appendix of references prior to 1965 and permuted title index, 1969

Words and Stones Daniel Lefkowitz, 2004-07-22 Words and Stones explores the politics of identity in Israel through an analysis of the social life of language By examining the social choices Israelis make when they speak and the social meanings such choices produce Daniel Lefkowitz reveals how Israeli identities are negotiated through language

Studies Israeli Ethnicity Alex Weingrod, 2022-11-12 First Published in 1985 Offering a surprisingly fresh look at Israeli society this authoritative book casts a new light on one of its most fascinating and important social features the relationship among Israeli ethnic groups It demonstrates how seemingly contradictory themes of cultural assimilation and heightened ethnicity are linked together and explores the ways in which immigrants have retained their cultural identities when confronted with socialization and stratification in their adopted country

The Disenchantment of the Orient Gil Eyal, 2006 A historical

narrative of how Israeli expertise in Arab affairs has contributed to the creation of cultural separatism between Jews and Arabs a separatism that exacerbates the conflict between the two peoples People of the Mediterranean J.

Davis,2015-07-03 The Mediterranean countries have long attracted the attention of social anthropologists from Frazer and Durkheim to the present day In this volume first published in 1977 Dr Davis reviews the extensive anthropological material collected and published by people who have worked in the area and claims that social anthropologists have a distinctive opportunity to compare similar kinds of institution and process in a variety of contexts political economic bureaucratic religious He examines countries tribes and communities stretching from Spain all the way round the Mediterranean and back along the coast of North Africa In chapters on economics stratification politics family and kinship he has found it possible and sensible to set Albanian and Berber tribesmen beside each other and to discuss Italian and Lebanese peasants in the same paragraph The result is both a survey of the anthropological material and an essay in comparison founded on a critique of the work of his predecessors and colleagues The last chapter is an account of the uses anthropologists have made of the historical sources available to them Hadassah and the Zionist Project Erica B. Simmons,2006

Founded to give women a frontline role in the Zionist struggle for statehood Hadassah the WomenOs Zionist Organization of America first sent public health nurses to Palestine in 1913 Despite clashing with other Zionist organizations as it fought to keep control of its own projects Hadassah grew to be the largest single American Zionist organization in the interwar period Using original historical documents Simmons examines HadassahOs roots in the American Progressive movement and assesses some of the American field tested projects which Hadassah exported to Palestine including visiting nurses school lunches and playgrounds Hadassah chose each project carefully with a view to developing an egalitarian democratic Jewish state Simmons also traces HadassahOs involvement in the Youth Aliyah child rescue movement which saved thousands of youngsters from Nazi occupied Europe as well as from the beleaguered Jewish communities of the Middle East and North Africa In the first decades of statehood Youth Aliyah education tried to make Israelis out of young refugees from all over the world Simmons offers a fresh perspective on HadassahOs place in history and shows for the first time how American Jewish women played a leading role in achieving Zionist goals and shaping the Jewish state The book is distinguished by its historical approach rooted in the analysis of original archival material including publicity brochures newsletters and correspondence as well as the contemporary Zionist and mainstream American press It is intended for students scholars and anyone interested in American Jewish history Israeli history womenOs studies Jewish women the history of voluntarism philanthropy public health social welfare or child welfare Progressivism the history of Zionism and the development of the State of Israel Diaspora Israel relations Jewish organizations ethnic studies emergence of the welfare state **Knowing Your Place** Barbara Ching,Gerald W. Creed,2013-01-11 Knowing Your Place directs groundbreaking attention to the role of rural and urban places in identity construction Written to redress the longstanding neglect and denigration of the rural this book argues that the cultural

dominance of the city has been reinforced by postmodern theory's near fixation on the urban and the sophisticated. The essays explore rural identity in a number of cultures and situations and look at issues of contemporary interest. Topics covered include the uses of popular and high culture, the explosion of high technology, the social and economic impact of ecological policy, the role of labor in the global marketplace, museum curatorship, and post-colonial politics. Throughout the essays address the many ways in which place identity alters and influences the experience of race, class, gender, and ethnicity.
