Useful Wisdom Anthony B. Robinson, 2020-03-18 We've got a list of questions issues stuff we're dealing with We want your input your thoughts on this stuff Such were the origins of this little book Two young clergy early in their first call imagined that I might have some useful wisdom to pass on based on my own years in ministry Something like this was once standard preparation Young people learned a profession like law ministry or medicine by apprenticing themselves to one seasoned in the practice Not only has that way of learning largely vanished but we now live in times of increasing segregation and suspicion between different generations Still these two millennials bucked the trends They thought they might have something to learn from an old boomer The result is this collection of letters personal wry direct and honest Full of both hope and realism about the church and ministry This collection will be a welcome companion for young and for many not so young clergy trying to get a handle on ministry in the midst of a time that is full of change and challenge

Providence Made Flesh Terry J. Wright, 2009-11-01 Traditional discussions of the Christian doctrine of providence often center on the relation between divine agency and human freedom seeking to offer an account of the extent to which a person is free before God the first cause of all things Terry J Wright argues that such riddles of causation cannot determine the content of providence and suggests a unique and alternative framework that depicts God's activity in terms of divine faithfulness to that which God has made Providence is not God as first cause acting through creaturely secondary causation rather providence is God's sovereign mediation of the divine presence across the whole world achieved through creaturely faithfulness made possible and guaranteed by his own faithful action in Jesus Christ Faith Walter Kasper, 2016

Courageous Hope Dr Charisse le Roux,2020-08-01 In *Courageous Hope* Dr Charisse le Roux is teaching hope in a practical honest and real way It takes us all back to the Godly standard that we know in our heart of hearts to be right She is bringing wisdom grounded in the Word and the Holy Spirit on how to do life with God and with each other with excellence *Courageous Hope* will encourage you to live your greatest life as God intended it for you Pastor Gary and Rhona Kieswetter Founders and Senior Leaders Die Bron Church Tygervally While reading through these daily devotions in *Courageous Hope* I could personally relate with each one Embedded in the simplicity of each message I found a nugget of pure gold The value thereof is without measure and will be a blessing to everyone who read it May the blessings of our Heavenly Father be with this precious book Author Hephzibah Maritz Tygervally **A Treasure Hid in a Field** Christopher Wallace,2018-07-19 Are you considering Catholicism and find it difficult to accept certain Catholic teachings Do you frequently struggle with explaining Catholicism to people who often use Scripture to challenge your faith Are you currently Catholic and are struggling with the temptation to leave the Catholic Church Are you trying to understand more about the Catholic faith If so *A Treasure Hid in a Field* is for you This book contains a through overview of Catholicism which helps the reader sort through the many theological differences between Catholicism and Protestantism and helps the reader to come to a greater theological understanding of Catholicism Therefore *A Treasure Hid in a Field* is an overview of Catholicism written from the perspective of a minister converting from Protestantism to Catholicism The focus is upon explaining how I had served as a Protestant minister for twenty years but came to the knowledge of the fullness of the truth where I had never anticipated The purpose of the book is to help those who may be following my same journey those who may already be Catholic and need help in responding to common objections to Catholicism presented by Protestants individuals who may be struggling with the temptation to leave the Catholic Church or those who may simply be seeking to learn more about the Catholic faith The overall theme of this book is based on the two ways theme found throughout Scripture applied to Catholicism and Protestantism During my conversion process I often found myself facing the choice between two paths which always resulted in the path toward Catholicism Even the topics included in this book that were not a particular crossroads in my journey are presented in the same format for the sake of those to whom a particular doctrine might serve as a challenge Therefore each chapter is presented as a question or a choice between two ways which for me resulted in my conversion from Protestantism to Catholicism *Living Dangerously* Shawn D. Anderson,2010-02-01 Too often Christ followers are content to live inside the church walls with other Christians Jesus calls us to shatter our comfort zones and dangerously share the love we have found in him with people whose lives are characterized by brokenness self sufficiency emotional poverty and rejection Discipleship is the process of intentionally and thoughtfully introducing the grace of Jesus to these people so that their hearts

will bulge with love their souls will brim with life and their faces will brighten with light as they come to intimately know him How is this accomplished In these pages unbelievers who became disciples of Christ reveal what factors influenced them to follow Jesus The research revealed that discipling is an intentional process that is most effective when our lives reflect the character of Jesus The author explains discipleship as a relational process that can be understood and effectively accomplished by virtually any follower of Jesus Pilgrims on the Silk Road Walter R. Ratliff,2010 They were seeking religious freedom and the Second Coming of Christ in Central Asia They found themselves in the care of a Muslim king During the 1880s Mennonites from Russia made a treacherous journey to the Silk Road kingdom of Khiva Both Uzbek and Mennonite history seemed to set the stage for ongoing religious and ethnic discord Yet their story became an example of friendship and cooperation between Muslims and Christians Pilgrims on the Silk Road challenges conventional wisdom about the trek to Central Asia and the settlement of Ak Metchet It shows how the story long associated with failed End Times prophecies is being a recast in light of new evidence Pilgrims highlights the role of Ak Metchet as a refuge for those fleeing Soviet oppression and the continuing influence of the episode more than twelve decades later **Hell Is Being Republican in Virginia** David Goetz,2012-06-05 **The Lightyear Devotional** BCC,101-01-01 Read through the entire Bible in one year *The Truth About Eternal Life* Al Danks,2016-06-20 The issue of eternal life where and how we will spend eternity is the most consequential issue we will face in life The difference in the consequences to us if we receive eternal life or fail to receive it are as extreme as they could possibly be Moreover we will have to live with the consequences forever Jesus tells us that entering into eternal life is difficult many will seek to enter and will not be able to Strive to enter through the narrow door For many I tell you will seek to enter and will not be able Luke 13 24 The cost of failing to enter eternal life is so great that we would be beyond foolish not to seek the truth about eternal life with commensurate diligence The Truth About Eternal Life is written to help in that search A Eternal Life We significantly help ourselves find the path leading to eternal life by seeking out what eternal life is This simple step is easily overlooked A good understanding of what eternal life is helps us find the path leading to it perceive our status relative to that path and perceive our status relative to eternal life itself There is a type of life available to us that we are not born with This life is characterized by shalom love peace truth and freedom including freedom from fear and anxiety This is eternal life and we may partake of it now during our temporal life God gives us eternal life through his Word B Our Current Condition We are born with a type of life characterized by corrupt desires These desires bring forth death and are incompatible with eternal life To receive eternal life we must remove the corrupt desires from our being C God s Provision God has given us provision to help us remove the corrupt desires become compatible with eternal life and receive it God sends his Spirit of Truth to guide us into all truth If we ask him he will send him to guide us into the truth of eternal life God has also given truth to us in 1 John that helps us know if we have received eternal life D What Must We do We must enter into a new covenant with God through which he helps us remove corrupt

desires become compatible with eternal life and receive it We must be cleansed from the sin caused by the corrupt desires and sow God's Word into our hearts so it can produce eternal life in us

The Gospel in Gonda S. Knowles, 1889 Free to Leave, Free to Stay Jana Marguerite Bennett, Melissa Musick Nussbaum, 2009-09-15 Our known world the world of twenty first century Americans is shaped and defined by consumer choice The premise of consumer choice is that somewhere the perfect fit between product and purchaser exists In the books on changing traditions the consumerist tone prevails fundamentalists looking for an even more literal interpretation of Scripture Protestants going home to Rome feminists heading to the womyncentric sacred grove conservatives fleeing inclusive rites Catholics embracing the independent seeker church But the consumerist impulse masks the kind of prayer and discernment necessary for living in Christian community and for following God Twenty first century Christians do make choices but the hope is that they do so because they follow God How then is one to answer the question of whether to stay or leave Through meditating on the fruits of the Spirit that Paul addressed to the church at Galatia a community that had several of its members wondering whether to stay or leave Bennett and Nussbaum offer sage reflections about what it means to be led into and out of Christian communions
