

## **Adjustment to remarriage:**

- slow process because complicated by commitments to career, children and extended family
- can take 4-7 years
- most remarriages are stable but they have a higher divorce rate – as many as 40% of remarried couples separate w/in four years if there are children
- conflicting marital and work roles as remarriage coincides w/ greater involvement in work than first marriage
- couples may have difficulty negotiating new marital system when they have old strategies from other roles

## **Remarriage In The Middle Years And Beyond:**

*Remarriage* Phyllis Kamm, 1991      **Widows: North America**, 1987 What happens when the husband dies depends on the society on the location of the widow in urban rural or class terms and on the widow's own personal resources In some societies the woman is totally dependent upon a grown son and cannot remarry in others such as that in the United States she is more dependent upon her own resources and wishes For some widowhood results in a great loss of status for others it can mean loneliness and social isolation Yet widowhood can mean greater social freedom for some women a blooming of personality Even grief is experienced in various ways and degrees Thus there is no such thing as a widow type only a great heterogeneity in widowhood as in wifehood Volume I analyzes the support systems and life styles of widows in Australia the Philippines Korea Iran China a Pacific island India Turkey and Israel Volume II North America examines two communities in Canada a Florida retirement community and communities in several other locations as well as the relative situations of homeowners blacks and poor ethnic populations      **Divorce** Marilyn Leighman, Ph.D. LPC, 2017-09-01 When someone dies family and friends gather around the bereaved to offer comfort and support However when divorce happens no one comes to your door with a casserole and condolences The one left behind feels isolated often they are alone for the first time after years of living within a family Family and friends may choose sides and sometimes even those who love both parties remain aloof in order to remain neutral and not take sides But divorce is a death the death of a marriage The Dream of a happily ever after marriage and family is the major goal of many women especially Christian women When divorce occurs the devastation and heartbreak make one wonder How will I get through this and Will I ever be happy again Seven women tell the stories of their marriage their divorce and their recovery Though the stories are different they share similar traumas and truths Each person offers insights into how to overcome the trauma survive in the new normal and choose happiness for themselves and their families Most of all they learn how to trust God with their future Have no fear of what the future holds for God holds the future      **The Economics of Divorce** Craig Everett, 2014-01-09 The Economics of Divorce recognizes the critical role economic factors play during and after the divorce process In the past research into this issue has remained very general despite the enormous weight economics put on the entire divorce process This book concentrates on elements specifically relevant to the economic variables of divorce It focuses on the issues of work employment and financial support after divorce and how these issues affect the parents children and home environments of divorced families The research presented not only provides insights into the economic aspects of divorce but it is also invaluable to the entire study of divorce and remarriage as it explores the personal impact of these issues Geared toward anyone working with divorced families whether they are clinicians educators mediators or attorneys The Economics of Divorce is also of use to members of divorced or remarried families The book contains demographics on the financial lives of custodial parents who remarry custodial parents who work and the financial support of college students from divorced families It offers a close study of the realities of single

parenting and reentering the work force as well as the economic consequences of marital dissolution The Economics of Divorce is unique in that it is the first publication of its kind to formally identify the economic results of divorcing and remarried families It reshapes thinking on issues often taken for granted and redefines the ways in which financial issues are addressed This book analyzes and advises readers on a number of personal and practical issues Topics discussed include the role of employment for women intergenerational financial support the economics of remarried families financial support for children s college education The book was designed not only to address these issues but to also facilitate further research and discussion into the economic realities of divorced families The Economics of Divorce is the first in its field to address the impact of economics on divorced families but hopefully not the last

**Divorce, Separation, and Remarriage** Giovanna Ganesini, Sampson Lee Blair, 2016-10-10 Divorce separation and remarriage have become a normative part of family life These changes have led to a diversification of the behaviors attitudes and norms concerning marriage and family To better comprehend these issues this volume addresses topics including marital instability step parenting and extra marital affairs among others

**Examining the Experiences of Later-life Remarried Couples** Sara B. Dupuis, 2009 The Handbook of Systemic Family Therapy, Systemic Family Therapy with Couples Adrian J. Blow, 2020-10-19 Volume III of The Handbook of Systemic Family Therapy focuses on therapy with couples Information on the effectiveness of relational treatment is included along with consideration of the most appropriate modality for treatment Developed in partnership with the American Association for Marriage and Family Therapy AAMFT it will appeal to clinicians such as couple marital and family therapists counselors psychologists social workers and psychiatrists It will also benefit researchers educators and graduate students involved in CMFT

*The Missionary Review of the World* , 1898 Missionary Review of the World , 1898

**Cassidy & Kaston-Tange: Children and Empire, Vol. II** Cheryl Cassidy, Cheryl Kaston-Tange, 2024-10-28 The History of Feminism series makes key archival source material readily available to scholars researchers and students of women s and gender studies women s history and women s writing as well as those working in allied and related fields Selected and introduced by expert editors the gathered materials are reproduced in facsimile giving users a strong sense of immediacy to the texts and permitting citation to the original pagination Building on the success of Women and Empire 2009 this new title in the series brings together in four volumes a unique range of nineteenth century texts on children and empire Making readily available materials which are currently very difficult for scholars researchers and students across the globe to locate and use Children and Empire is a veritable treasure trove The gathered works are reproduced in facsimile giving users a strong sense of immediacy to the texts and permitting citation to the original pagination Each volume is also supplemented by substantial introductions newly written by the editors which contextualize the material And with a detailed appendix providing data on the books newspapers and periodicals in which the gathered materials were originally published the collection is destined to be welcomed as a vital reference and research resource

**Old Age in European Society** Peter N.

Stearns,2024-05-10 Originally published in 1977 *Old Age in European Society* provides an historical perspective on aging a process which had received little attention from any group in the social sciences and virtually none from historians at the time Starting from the premise that the elderly can and should be active participant members of their society the book examines the ways in which old people were and are viewed by certain key groups This is done in a series of thematic essays linked by the main theme of a dominant culture in which the elderly and the groups who deal with them were and still are ensnared This dominant culture is one of denigration of the elderly the traditional idea of veneration of the elderly is found to be largely mythical Variations on this theme are dealt with in individual chapters concerned with the elderly in French working class culture and geriatric medicine Key groups are studied with an eye to distinct patterns of modernization which involves particular attention to the working class and middle class as those exposed to the leading edge of change Women are treated separately as their aging process involves distinctive elements which exacerbate the problems of old age France with its exceptional percentage of elderly and its low retirement ages provides much of the material for these essays the main purpose of which is to indicate those topics for which an historical treatment is vital to our understanding of the elderly and to the formulation of a more positive approach to old age *The Sixties and Beyond* Nancy Christie,Michael

Gauvreau,2013-01-01 In the decades following the Second World War North America and Western Europe experienced widespread secularization and dechristianization many scholars have pinpointed the 1960s as a pivotally important period in this decline *The Sixties and Beyond* examines the scope and significance of dechristianization in the western world between 1945 and 2000 A thematically wide ranging and interdisciplinary collection *The Sixties and Beyond* uses a framework that compares the social and cultural experiences of North America and Western Europe during this period The internationally based contributors examine the dynamic place of Christianity in both private lives and public discourses and practices by assessing issues such as gender relations family life religious education the changing relationship of church and state and the internal dynamics of religious organizations *The Sixties and Beyond* is an excellent contribution to the burgeoning scholarship on the 1960s as well as to the history of Christianity in the western world *Beyond the Battle Line*: Luke Kim,

M.D., Ph. D.,2012-04-13 The autobiographical work by Dr Luke Kim describes his life throughout the turbulent 20th and into 21st century in Korea Japan and the United states The book is modest in size but rich in content It can be divided into three periods early life in Northernmost Korea until age 15 the second period in Seoul where he experienced the very destructive Korean War during which he lost his mother who was kidnapped by North Korean security agents and we never heard from her nor any news about her ever since 1950 Then his coming to America at age 26 in 1956 **Beyond the Battle Line**

Luke I. C. Kim,2012-04-13 The autobiographical work by Dr Luke Kim describes his life throughout the turbulent 20th and into 21st century in Korea Japan and the United states The book is modest in size but rich in content It can be divided into three periods early life in Northernmost Korea until age 15 the second period in Seoul where he experienced the very

destructive Korean War during which he lost his mother who was kidnapped by North Korean security agents and we never heard from her nor any news about her ever since 1950 Then his coming to America at age 26 in 1956 *Beyond the Average Divorce* David H. Demo, Mark A Fine, 2010 *Beyond the Average Divorce* is a core text that introduces students and scholars to the research literature on divorce and changes which occurs in family structures Rather than a simplistic static view that emphasizes means and averages in looking at typical family reactions to divorce this text emphasizes variability fluidity and change over time in the predivorce divorce and postdivorce process The book also presents a dynamic theoretical model of divorce and how it is experienced and reacted to by family members in the complex variety of family situations

**Is There Life after Divorce in the Church?** Richard L. Morgan, 2006-04-01 Richard L Morgan has produced a welcome resource for those of us who have been divorced and felt we were beyond the pale of the Christian community It is true that Jesus speaks against divorce but it is also true that some New Testament scholars believe he was speaking to protect the rights of the oppressed under ancient law the oppressed being women On the other hand divorce is a painful experience that impacts over half of those who married It cannot be ignored by religious leaders some of whom themselves may be divorced If we believe in acknowledging sin without casting the sinner out we need to find ways of healing in churches I always reminded myself in giving sermons that if national statistics were right half of my listeners had been impacted by divorce Rev Dr John C Morgan minister teacher and author of *Awakening the Soul* Richard Lyon Morgan is a retired Presbyterian minister and pastoral counselor now living at Redstone Highlands North Huntingdon Pennsylvania In addition to his doctorate in church history he has a master's degree in counseling from Wake Forest University A former pastoral counselor with School of Pastoral Care he has led divorce support groups and counseled many persons young and old going through the process of divorce Dr Morgan is divorced and married again with ten grandchildren **Life Beyond Survival** Katharina Thurnheer, 2014-06-15 At the heart of this in depth ethnographic study lie the daily life situations of tsunami survivors in war torn eastern Sri Lanka Each chapter is built around the empirical themes derived from the stories and recollections of Tamil women and their families during their stay in relief camps anticipating relocation The specifics of the socio cultural context are firmly embedded in the discussions Ten years after the tsunami this publication offers a timely contribution to a better understanding of what it means to cope with the combined effects of disaster war and international aid in this matri focal region of the island Christian Missions and Social Progress James Shepard Dennis, 1899 *Muslim Women's Pilgrimage to Mecca and Beyond* Marjo Buitelaar, Manja Stephan-Emmrich, Viola Thimm, 2020-11-15 This book investigates female Muslims pilgrimage practices and how these relate to women's mobility social relations identities and the power structures that shape women's lives Bringing together scholars from different disciplines and regional expertise it offers in depth investigation of the gendered dimensions of Muslim pilgrimage and the life worlds of female pilgrims With a variety of case studies the contributors explore the experiences of female pilgrims to Mecca and other pilgrimage sites and how these are

embedded in historical and current contexts of globalisation and transnational mobility This volume will be relevant to a broad audience of researchers across pilgrimage gender religious and Islamic studies     **Beyond Widowhood** Robert C. DiGiulio, 1989
