

Rembrandt Life Of A Portrait Painter Great Artists Series Snapping Turtle Guides

Emile Michel

Rembrandt Life Of A Portrait Painter Great Artists Series Snapping Turtle Guides:

The British National Bibliography Arthur James Wells,2005 Rembrandt David Spence,2003 Rembrandt profiles the wonderful world of this extraordinary artist and his paintings his inspiration and what we can learn from his art today

The Methodist Periodical Index ,1967 *The United Methodist Periodical Index* ,1961 **Great Artist Series**

Rembrandt □□□,2002-10-10 *National Library Service Cumulative Book Review Index, 1905-1974: Authors. [A-Z* National Library Service Corporation,1975 **Rembrandt** Rosalind Ormiston,2012-04 An illustrated exploration of the artist Rembrandt van Rijn his life and context with a gallery of 300 of his finest works Meet Rembrandt Gary Schwartz,2009 Rembrandt was a painter and draftsman of undisputed genius but what was he like as a person The mystery of the moody and inspired Rembrandt continues to fascinate Gary Schwartz tells the story of Rembrandt the man artist and legend in lively and accessible language He introduces us to the people who inspired the artist patrons wives and lovers and his son Titus who died tragically young And Schwartz recounts the sorrowful and impoverished circumstances of the artist s last years Rembrandt s fascinating art remains enriching the biographical details of his life through its subject matter and its development from the polished sophistication of his early years in Amsterdam to the deep soul searching of the late works This attractive and accessible book is the ideal introduction for students and all art lovers Distributed for the Rijksmuseum Amsterdam *Rembrandt's Eyes* Simon Schama,Rembrandt Harmenszoon van Rijn,2001 For Rembrandt as for Shakespeare all the world was indeed a stage and he knew in exhaustive detail the tactics of its performance the strutting and mincing the wardrobe and the face paint the full repertoire of gesture and grimace the flutter of hands and the roll of the eyes the belly laugh and the half stifled sob He knew what it looked like to seduce to intimidate to wheedle and to console to strike a pose or preach a sermon to shake a fist or uncover a breast how to sin and how to atone how to commit murder and how to commit suicide No artist had ever been so fascinated by the fashioning of personae beginning with his own No painter ever looked with such unsparing intelligence or such bottomless compassion at our entrances and our exits and the whole rowdy show in between More than three centuries after his death Rembrandt remains the most deeply loved of all the great masters of painting his face so familiar to us from the self portraits painted at every stage in his life yet still so mysterious As with Shakespeare the facts of his life are hard to come by the Leiden miller s son who briefly found fame in Amsterdam whose genius was fitfully recognized by his contemporaries who fell into bankruptcy and died in poverty So there is probably no other painter whose life has engendered more legends nor to whom more unlikely pictures have been attributed a process now undergoing rigorous reversal Rembrandt s Eyes about which Simon Schama has been thinking for more than twenty years shows that the true biography of Rembrandt is to be discovered in his pictures Though a succession of superbly incisive descriptions and interpretations of Rembrandt spaintings threaded into his narrative he allows us to see Rembrandt s life clearly and to think about it afresh But this book moves far beyond the bounds of conventional biography or art history With

extraordinary imaginative sympathy Schama conjures up the world in which Rembrandt moved its sounds smells and tastes as well as its politics the influences on him of the wars of the Protestant United Provinces against Spain of the extreme Calvinism of his native Leiden of the demands of patrons and the ambitions of contemporaries the importance of his beloved Saskia and after her death Rembrandt was later forced to sell her grave so complete was his ruin of his mistress Hendrickje Stoffels and above all the profound effect on him of the great master of the immediately preceding generation the Catholic painter from Antwerp Peter Paul Rubens the prince of painters and the painter of princes with whom Rembrandt was obsessed for the first part of his life and whose career was the shaping force that drove Rembrandt to test the farthest reaches of his own originality Rembrandt's Eyes shows us why Rembrandt is such a thrilling painter so revolutionary in his art so penetrating of the hearts of those who have looked for three hundred years at his pictures Above all Schama's understanding of Rembrandt's mind and the dynamic of his life allows him to re create Rembrandt's life on the page Through a combination of scholarship and literary skill Schama allows us to actually see that life through Rembrandt's own eyes In overcoming the paucity of conventional historical evidence it is the most intelligently true biography of Rembrandt that has ever been written and the most dazzling achievement to date of the art historian whose work has been hailed as marvelously rich and eloquent rare imaginative provocative astoundingly learned with verve humor and an unflagging sense of delight that of a master storyteller and a master of history Quotes from the New York Times Book Review Time the New York Times The Independent on Sunday and Nature respectively *Rembrandt's Eyes* Simon Schama, 1999 For Rembrandt as for Shakespeare all the world was indeed a stage and he knew in exhaustive detail the tactics of its performance the strutting and mincing the wardrobe and face paint the full repertoire and gesture and grimace the flutter of hands and the roll of the eyes the belly laugh and the half stifled sob He knew what it looked like to seduce to intimidate to wheedle and to console to strike a pose or preach a sermon to shake a fist or uncover a breast and how to sin and how to atone No artist had ever been so fascinated by the fashioning of personae beginning with his own No painter ever looked with such unsparing intelligence or such bottomless compassion at our entrances and our exits and the whole rowdy show in between **Rembrandt van Rijn** Alix Wood, 2014-12-15 Readers have likely drawn pictures of themselves and their friends If so they've drawn self portraits and portraits Rembrandt was a Dutch painter and etcher famous for his dramatic portraits and self portraits Readers learn about the history of Rembrandt's storied artistic career as they view images of some of his most famous works Sidebars accompany informative text enlightening readers about not only Rembrandt's life but also various artistic techniques How does an etching differ from a painting The answer is waiting for readers to discover *Rembrandt Van Rijn* Jayne Woodhouse, 2002 This volume is part of a series that portrays the lives and works of some of the world's greatest artists and their influence on the world of art Each book includes reconstruction artwork of particular scenes from the artist's life examples of the artist's work with text to link their life and work life story and photographs of the artist and a timeline

Rembrandt Gary Schwartz,1985 Traces the life and career of the seventeenth century painter shows all of his works and offers a fresh analysis of each painting

Rembrandt Sandra Forty,2014-11-12 Rembrandt is indisputably the greatest artist of the seventeenth century and many would say the greatest artist of all time His mastery of composition paint and line he was a superlative etcher over a lifetime s work has rarely been emulated let alone surpassed At a time when other artists specialized his themes covered history pastoral and Biblical scenes group paintings and most celebrated of all portraits Although excruciatingly little is known about Rembrandt s personal thoughts and musings he had no contemporary biographer and left no letters or diary he did leave over 90 authenticated selfportraits which offer the details of his outward appearance as he progressed from a young adult to an elderly man For the majority of his life Rembrandt enjoyed success and wealth as he catered to the artistic proclivities of the wealthy Dutch merchants in Amsterdam but personal and financial tragedy dogged him as well Forced to declare bankruptcy a decade before he died he continued painting to pay the bills creating some of his most noteworthy works of art in the process

Rembrandt and His Works John Burnet,2019-11-22 In Rembrandt and His Works John Burnet offers a thorough examination of the Dutch master Rembrandt van Rijn delving into the intricacies of his artistic technique and the profound themes that permeate his oeuvre Burnet s literary style is characterized by a blend of rigorous analysis and vivid descriptions effectively immersing readers in the rich visual and emotional landscape of Rembrandt s paintings The book situates itself within the broader context of 17th century Dutch art reflecting on the socio political milieu that shaped Rembrandt s creative vision and providing a crucial understanding of the artist s evolution over time John Burnet a noted art historian wrote this work during a period marked by a growing interest in the Dutch Golden Age His scholarly background coupled with first hand experiences studying Rembrandt s works in European galleries has equipped him with unique insights into the artist s intentions and techniques Burnet s passion for art history is palpable as he seeks to bridge the gap between modern audiences and the historical significance of Rembrandt s legacy For art enthusiasts historians and casual readers alike this book serves as an essential resource that not only illuminates Rembrandt s genius but also invites readers to engage deeply with his art Burnet s meticulous research and elegant prose make this an invaluable addition to any collection encouraging readers to reevaluate their understanding of one of history s greatest artists

Rembrandt David Spence,2009-04-01 A Comprehensive informative and highly readable introduction to the world of Rembrandt Part of an 10 book art history series featuring some of the world s most well known and popular artists Beautiful images allow the reader to see the various works that the artists created during the different stages of their lives Engaging accounts of the people and inspiration behind some of the world s most famous paintings Books in the Essential Artist series include Cezanne Gauguin Monet Renoir Degas Manet Michelangelo Picasso Rembrandt Van Gogh

Rembrandt, Life and Work Jakob Rosenberg,1980

Rembrandt's Holland Larry Silver,2021-10-18 Now in paperback a beautifully illustrated introduction to the life and work of the exceptional Dutch painter Rembrandt van Rijn and

the Netherlands grew up together The artist born in Leiden in 1606 lived during the tumultuous period of the Dutch Revolt and the establishment of the independent Dutch Republic He later moved to Amsterdam a cosmopolitan center of world trade and became the city s most fashionable portraitist His attempts to establish himself with the powerful court at The Hague failed however and the final decade of his life was marked by personal tragedy and financial hardship Rembrandt s Holland considers the life and work of this celebrated painter anew as it charts his career alongside the visual culture of urban Amsterdam and the new Dutch Republic In the book Larry Silver brings to light Rembrandt s problematic relationship with the ruling court at The Hague and reexamines how his art developed from large scale detailed religious imagery to more personal drawings and etchings moving self portraits and heartfelt close ups of saintly figures Ultimately this readable biography shows how both Rembrandt and the Dutch Golden Age ripened together Featuring up to date scholarship and in depth analysis of Rembrandt s major works and illustrated beautifully throughout it is essential reading for art students and anyone who enjoys the work of the Dutch Masters **Rembrandt, His Life, His Work and His Time** Emile Michel, 1895

Rembrandt Jakob Rosenberg, 1964
